The beginning of a new cafeteria.

The challenge begins on the drawing board and finishes when the contractor has changed the blueprint to reality.

More than block and mortar build a school

Construction continues with school spirit built in.

## Meeting the Challenge of a Growing World

"Meeting the challenge" at Limestone High School is more than the chatter one hears during the changing of classes or yells across the parking lot at dismissal. The "challenge" is an organized force aimed at self-direction: how diligently he studies sets the educational pace of the school; how well he plans affects the progress of programs; and how well he performs decides the school's position in the community.

While this "challenge" may take many forms in the course of high school life, its presence is felt, acknowledged and respected.

Through the efforts of the entire student body existing problems are remedied by "meeting the challenge" with success.

Teachers at Limestone High School work diligently in the preparation of events and activities that will instruct as well as inspire. This effort is aimed at preparing the students for the future by helping them to become well rounded in phases of education and culture. Even a brief exposure to such presentations creates a desire to pursue and succeed in satisfying their curiosity. Such pursuits lead to fruitful careers and life work.

The cooperative assistance given by the students enables numerous programs of the school to function smoothly.

## Inspiration as Well as Instruction

The Christmas Spirit is deeply felt at the presentation of the annual Christmas pageant.

# Democratic Practices

## in School Life

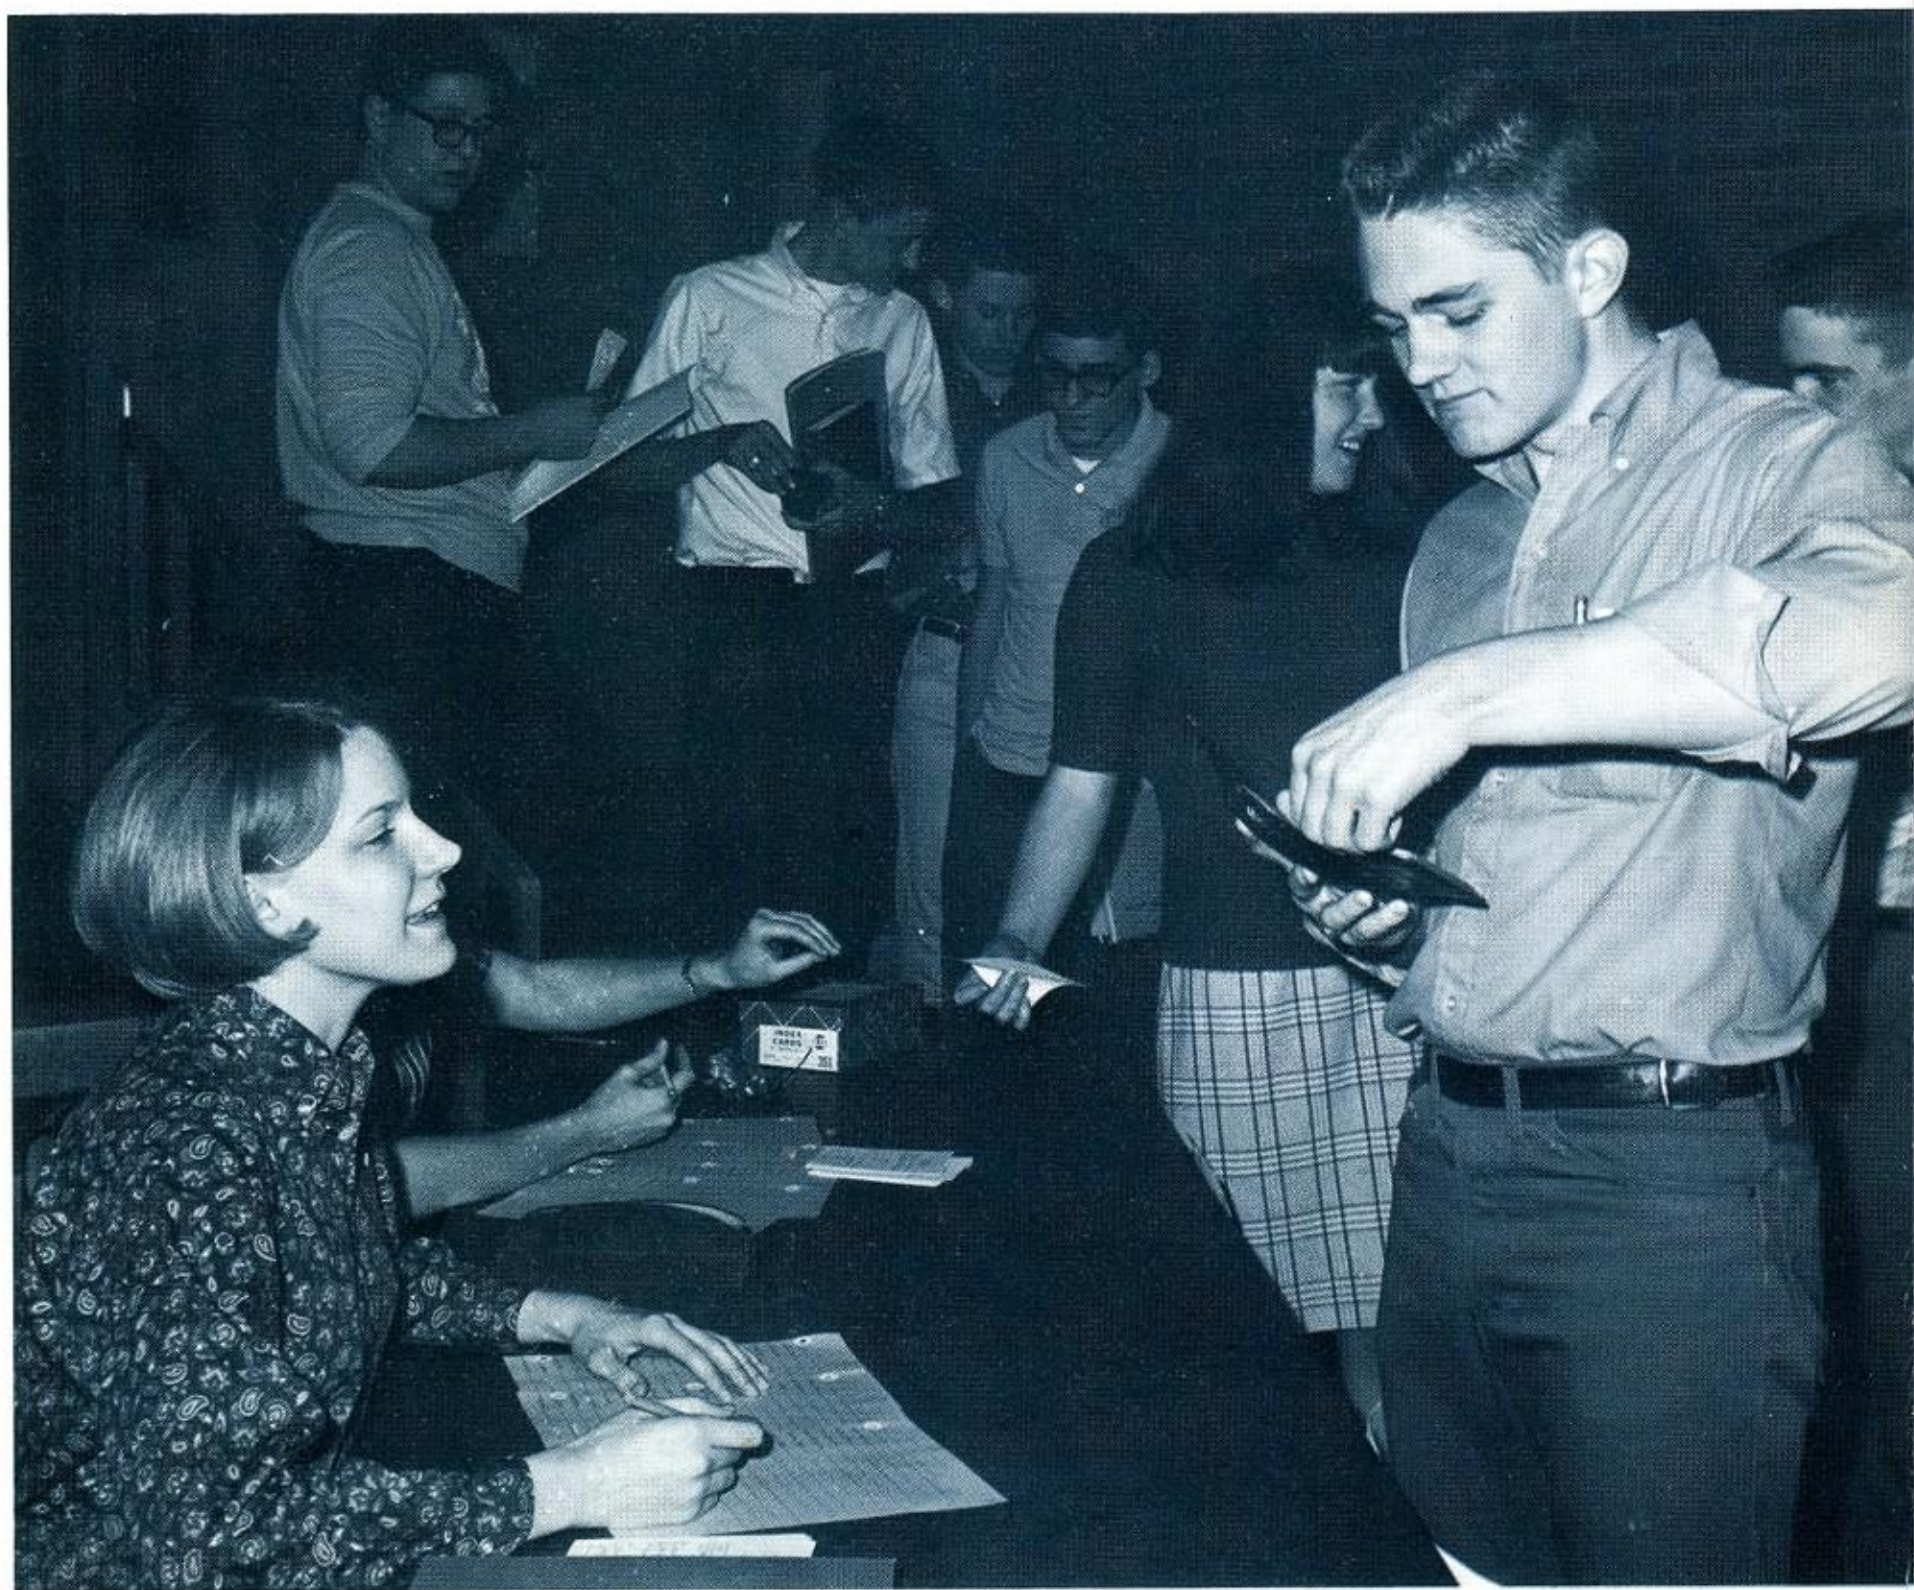

Loyalty, consideration of others, and acceptance of responsibility are among the keystones which are the foundations for democracy. Their application begins, not when teens become adults, but long before.

We as citizens of a high school concern ourselves with both the pleasant and the serious phases of training for our eventual function as citizens of the world around us.

Supporting one's team may seem limited to the recreational hours of one's life. But in reality we are not only enjoying ourselves but we are learning the importance of giving our loyalty to a cause and helping it to succeed.

Whether serving as leaders of our organizations or voting in the selection of them, we are assuming a measure of responsibility in the total effectiveness of our activities.

Acknowledgment of the rights of others is one of the most meaningful of our expressions of life in a democracy. This practice begins in a humble way in our treatment of others as we move through a crowded corridor or wait our turn to be served in the cafeteria when hunger pangs gnaw but carries over to the larger demand for tolerance in the world beyond our high school.

Elections at Limestone are an example of our democratic practices.

A symbol of the freedom of choice, the voting booth.

Our cheerleaders demonstrate support for a cause.

Waiting to go through the line in the cafeteria the boys engage in friendly conversation.

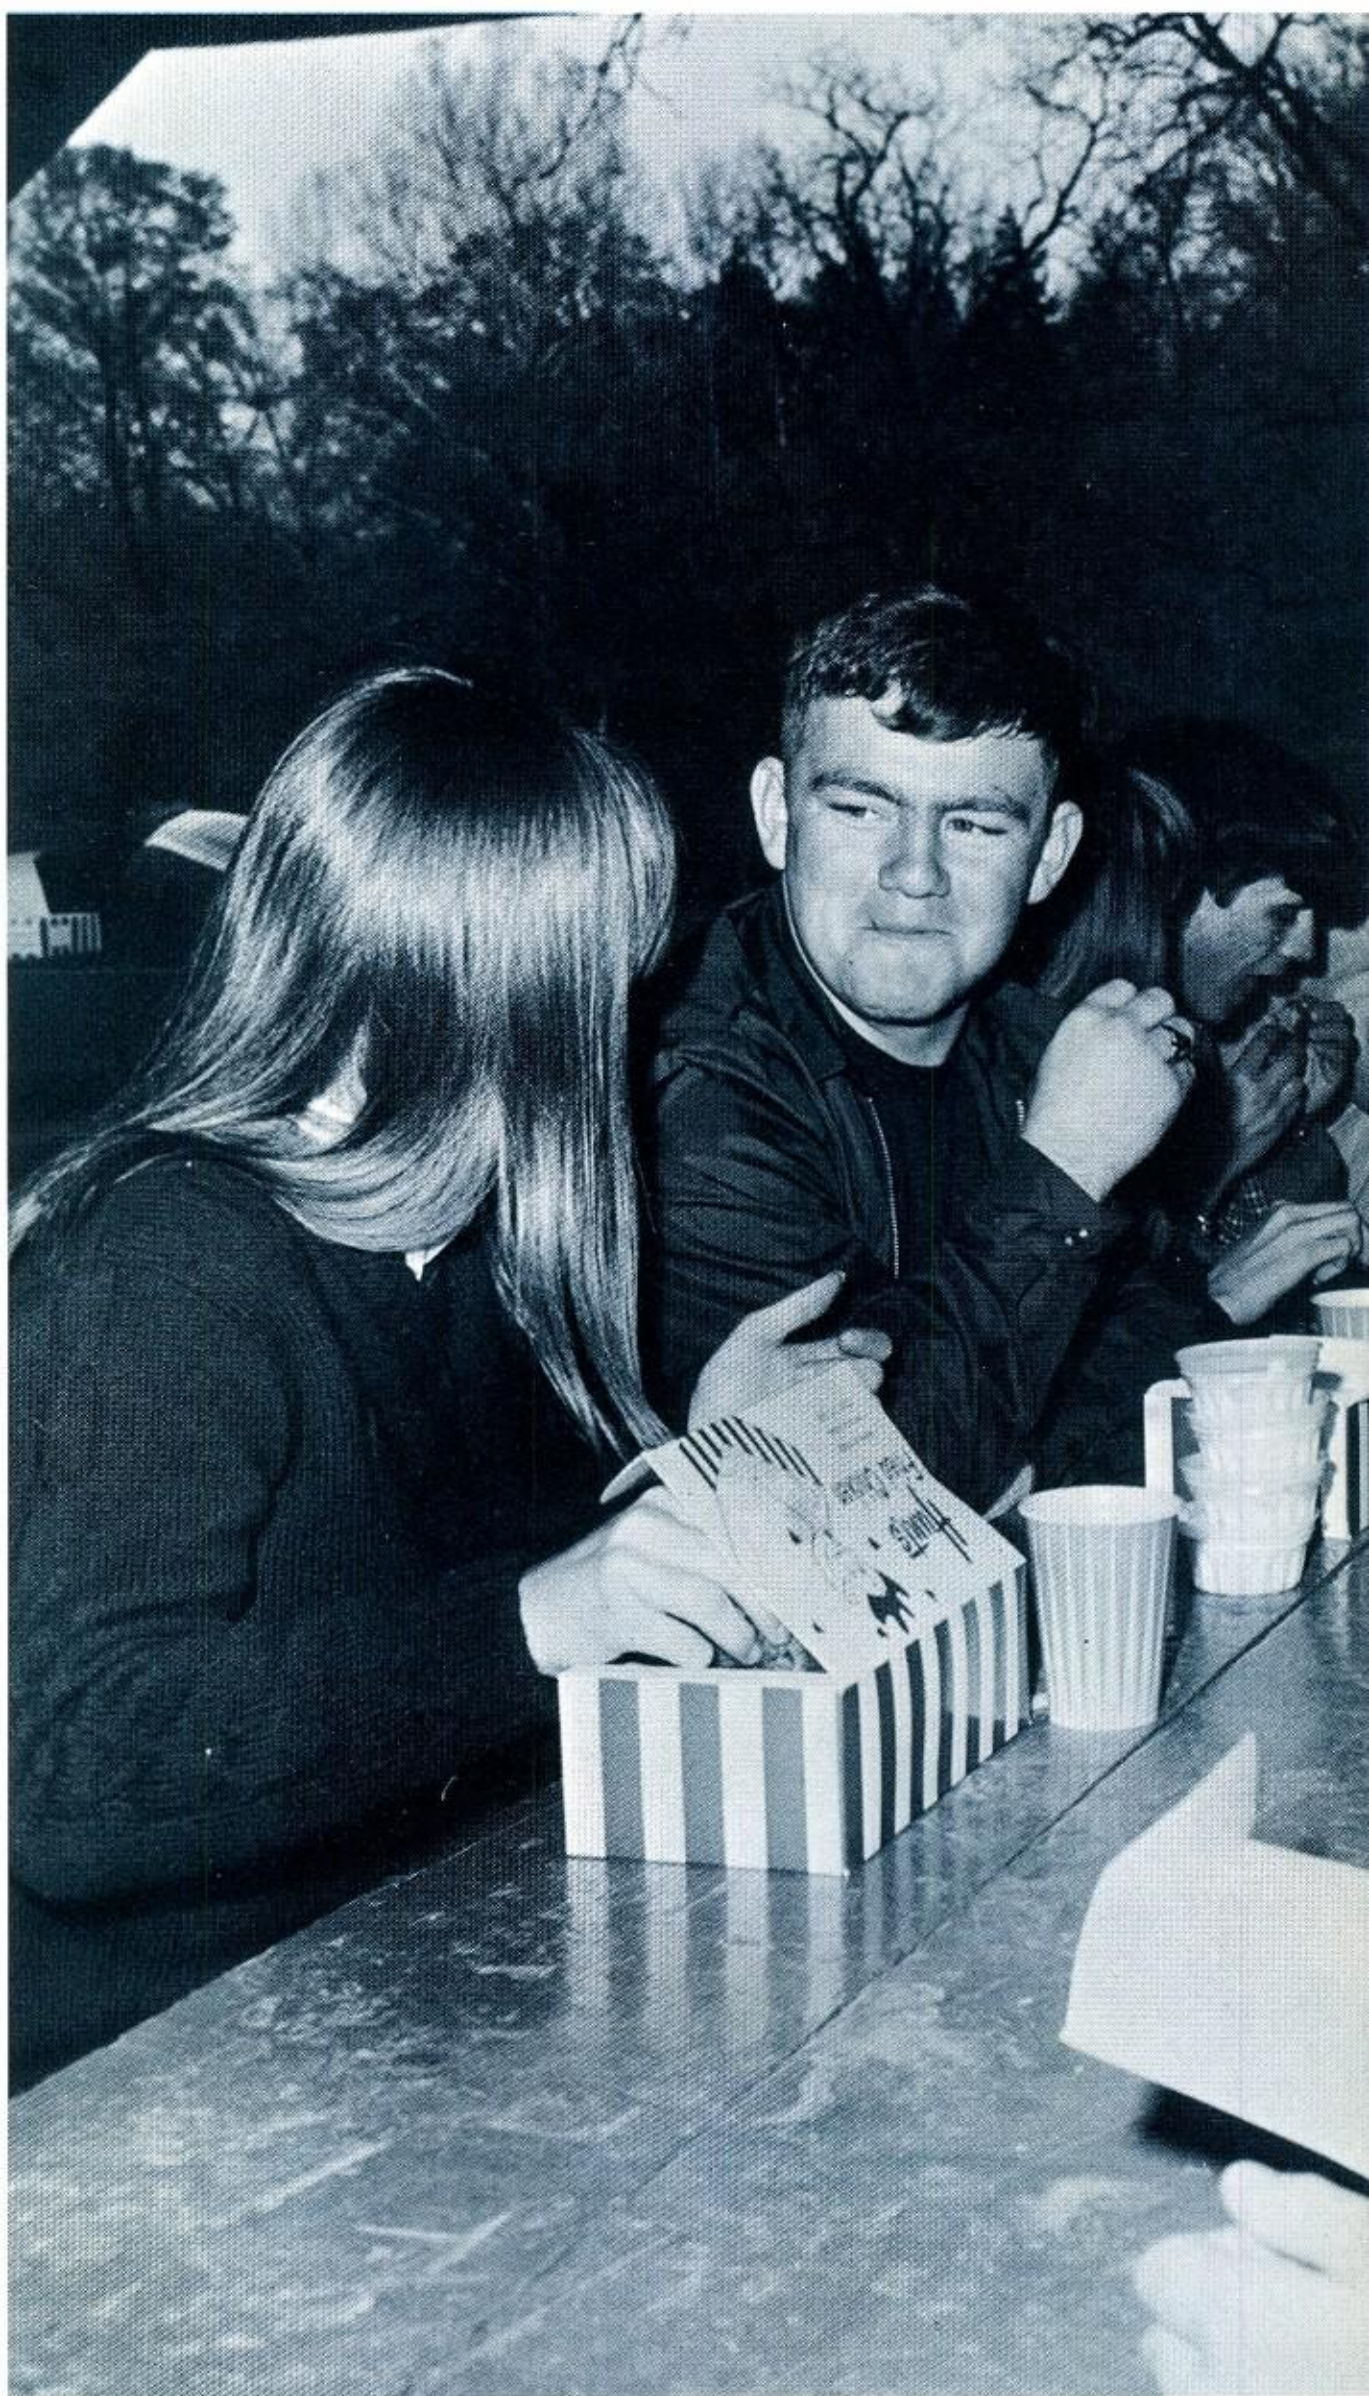

Student council officers work together for a successful carnival.

"Hmmm, this chicken is great."

# Discussion and Conversation

Communication is the adhesive which binds people together. And within the walls of a high school the most prevalent form of communication is in discussion and conversation.

From the formal discussion and answer of the classroom to the informal chatter in the corridors, every day is filled with conversation.

Do you understand this mitosis jazz. . . . are you going to the game. . . . how about this for a headline. . . . one large coke. . . . see you after class. . . .

This aspect of school life is undoubtedly the one most eagerly and universally entered into. The character of a school is shown by deeds and actions, but its personality bubbles forth in the volumes of words which flow through its walls and halls each day.

Pat James discusses yearbook affairs with Mr. Matthews.

The social center of Limestone is the snack bar, where all forms of verbal expression may be heard.

# The Development of Social Order

A high school education is intended to fill one's mind with useful information and whet his interest in the process of learning. But for most students the "spoonful of sugar" is provided by social activities. And this is as it should be, for learning to get along with people is a necessary part of education. Throughout the years of high school one's social self evolves and matures.

Freshman parties are fun, but freshmen approach their social activities with hesitation. Sophomores swing into social life with more abandon but are still wishing they could feel at ease.

Juniors are the real go-goers. Friendships have been established, and "who's going to be there" is a big point of anticipation. Seniors find interest in a wider variety of activities. They have added some dress-up activities to their underclass schedule of games, sock hops, and pizza parties.

At the end of four years the shy freshmen have matured and have found their niche in the scheme of social order.

With gentlemanly behavior, the boys

Participation with a mature attitude is important.

Social gatherings: where people can enjoy food, ideas and each other.

An exchange of opinions may give a refreshing outlook to an old problem.

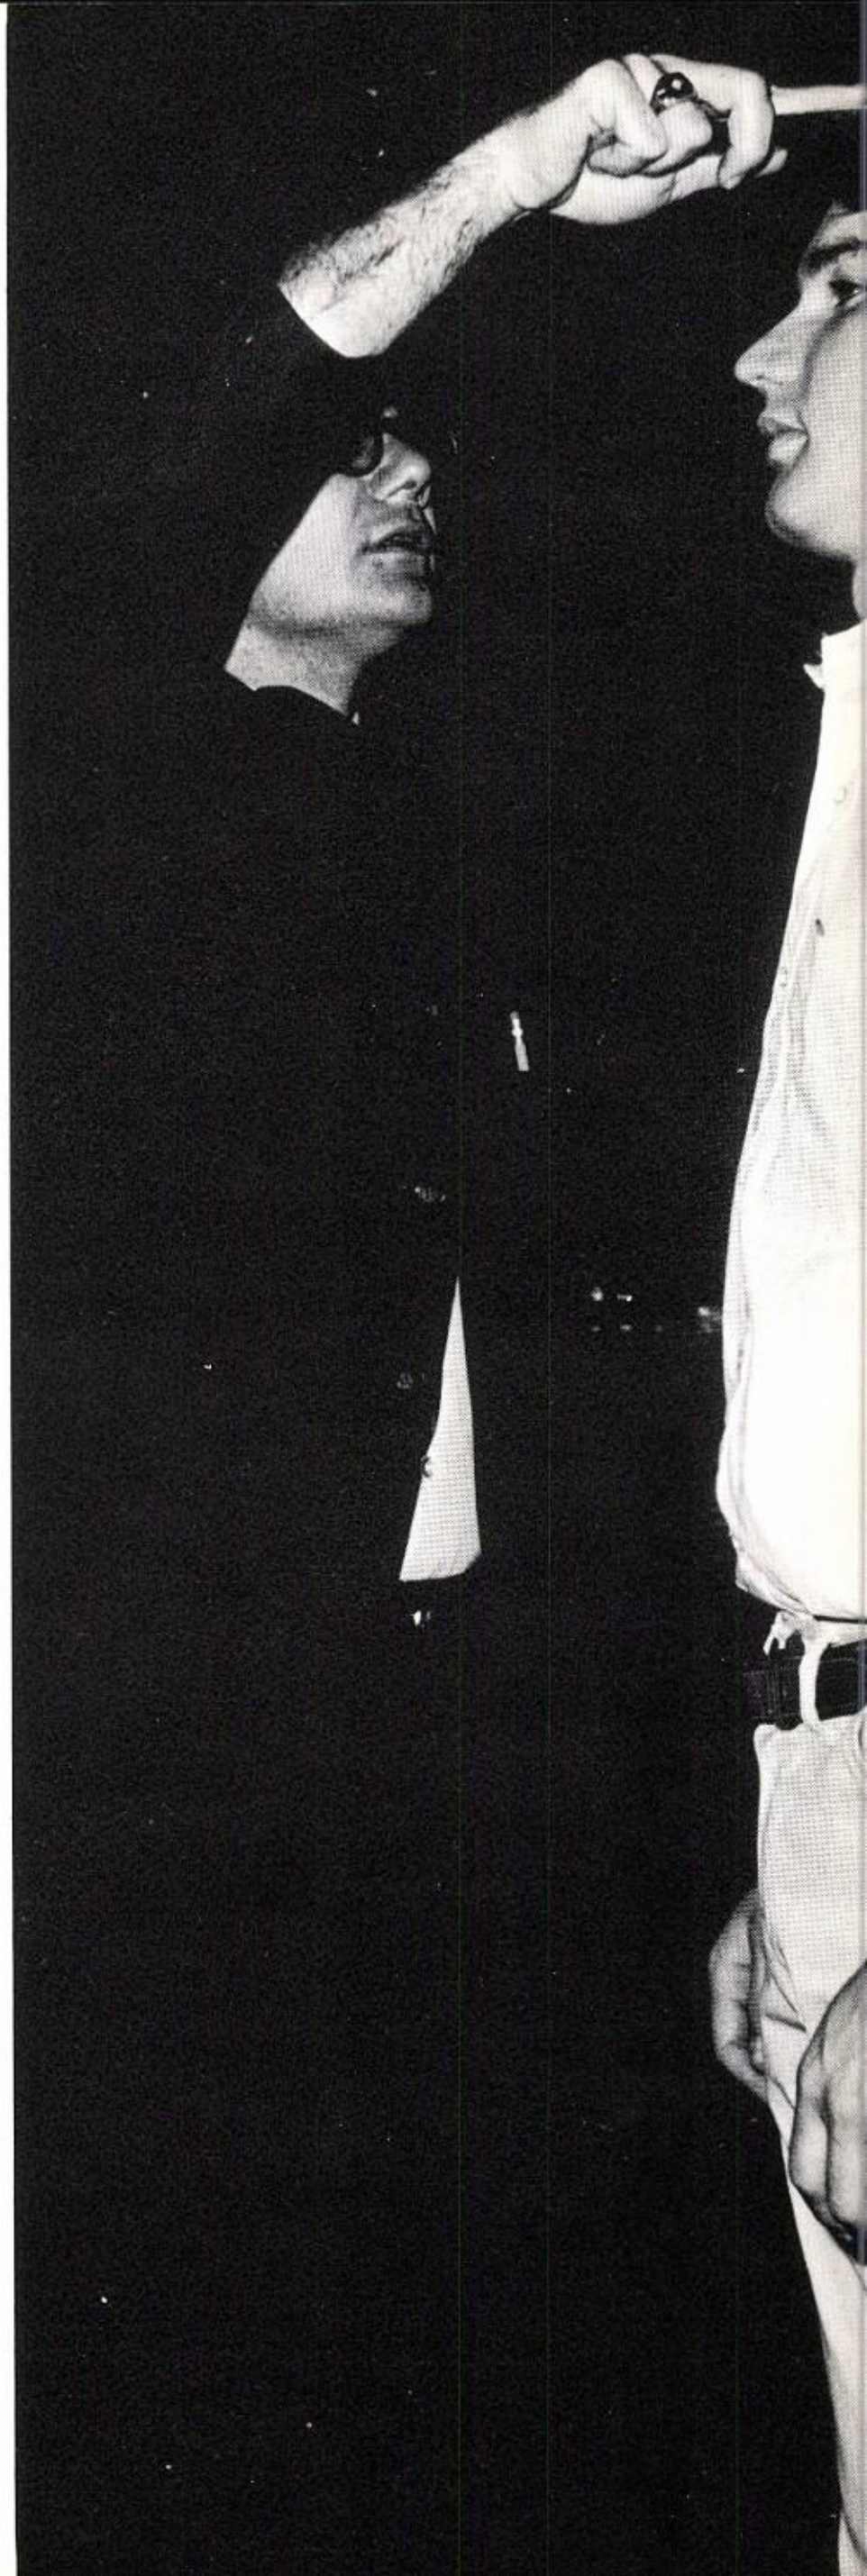

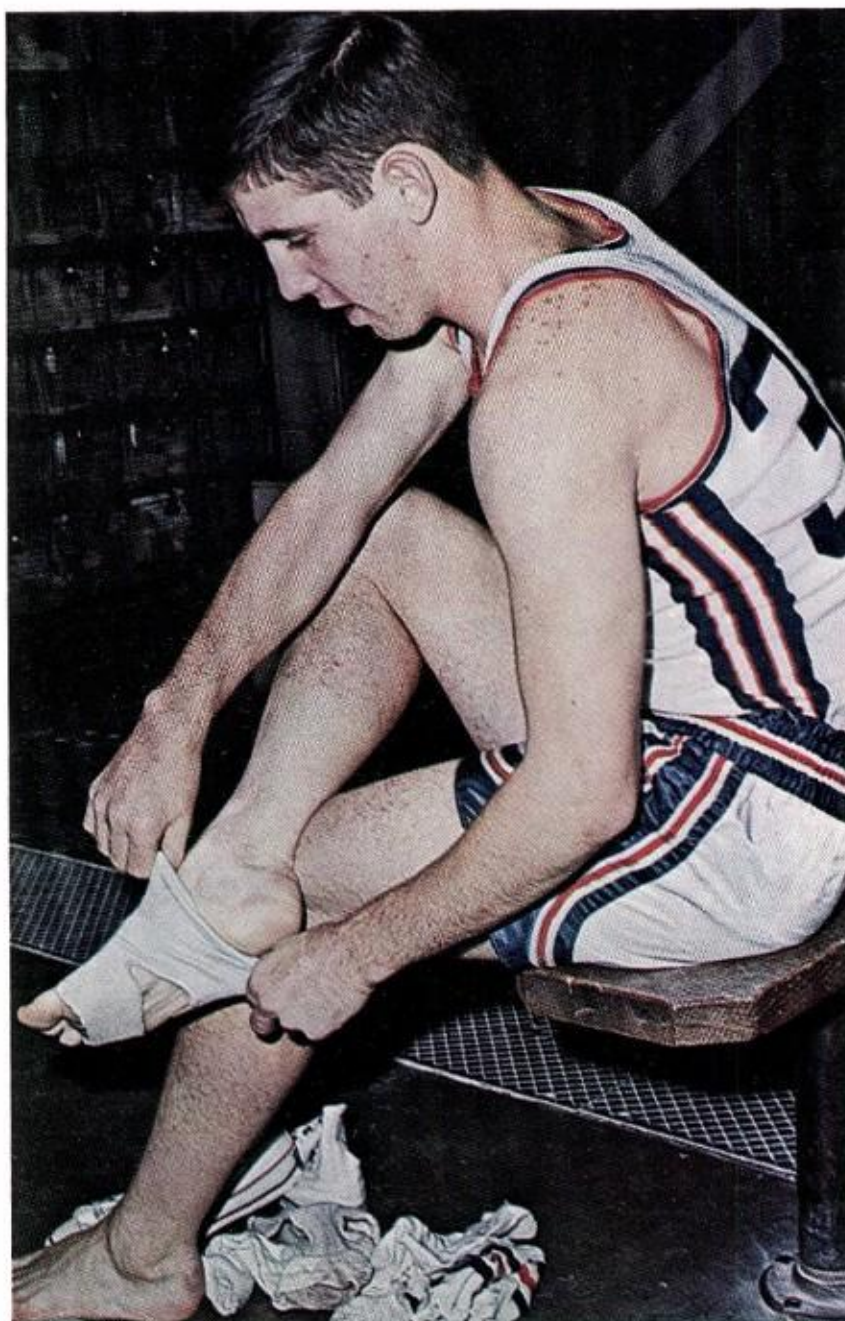

# Preparation of Mind and Body

Goals and plans and opportunities are essential in meeting a challenge. But to meet a challenge successfully the individual must be ready with the "tools"—a trained mind and a healthy body.

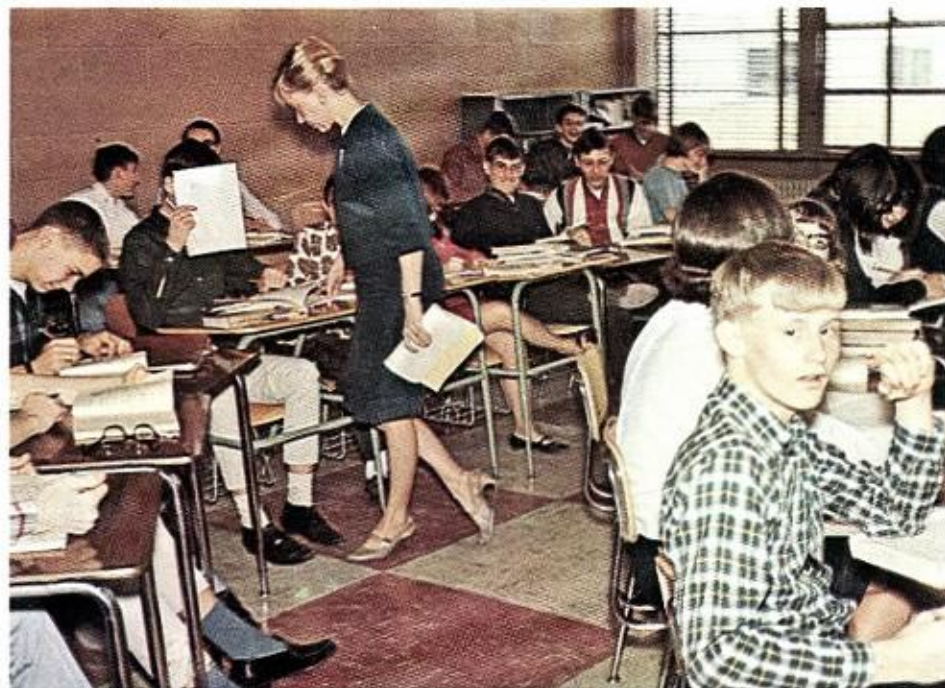

High school life provides repeated occasions to develop such assets. As a carpenter could achieve little without a hammer, saw, and nails, neither can the individual accomplish when he merely goes through the motions of attending high school, neglecting to participate fully in the opportunities to expand his knowledge and further himself.

A student must discipline himself to the development of his own potentials in mental and physical achievement, remembering that each day and each class and each activity contributes to the creation of the well-prepared graduate who can go forward to meet the challenges of the adult world.

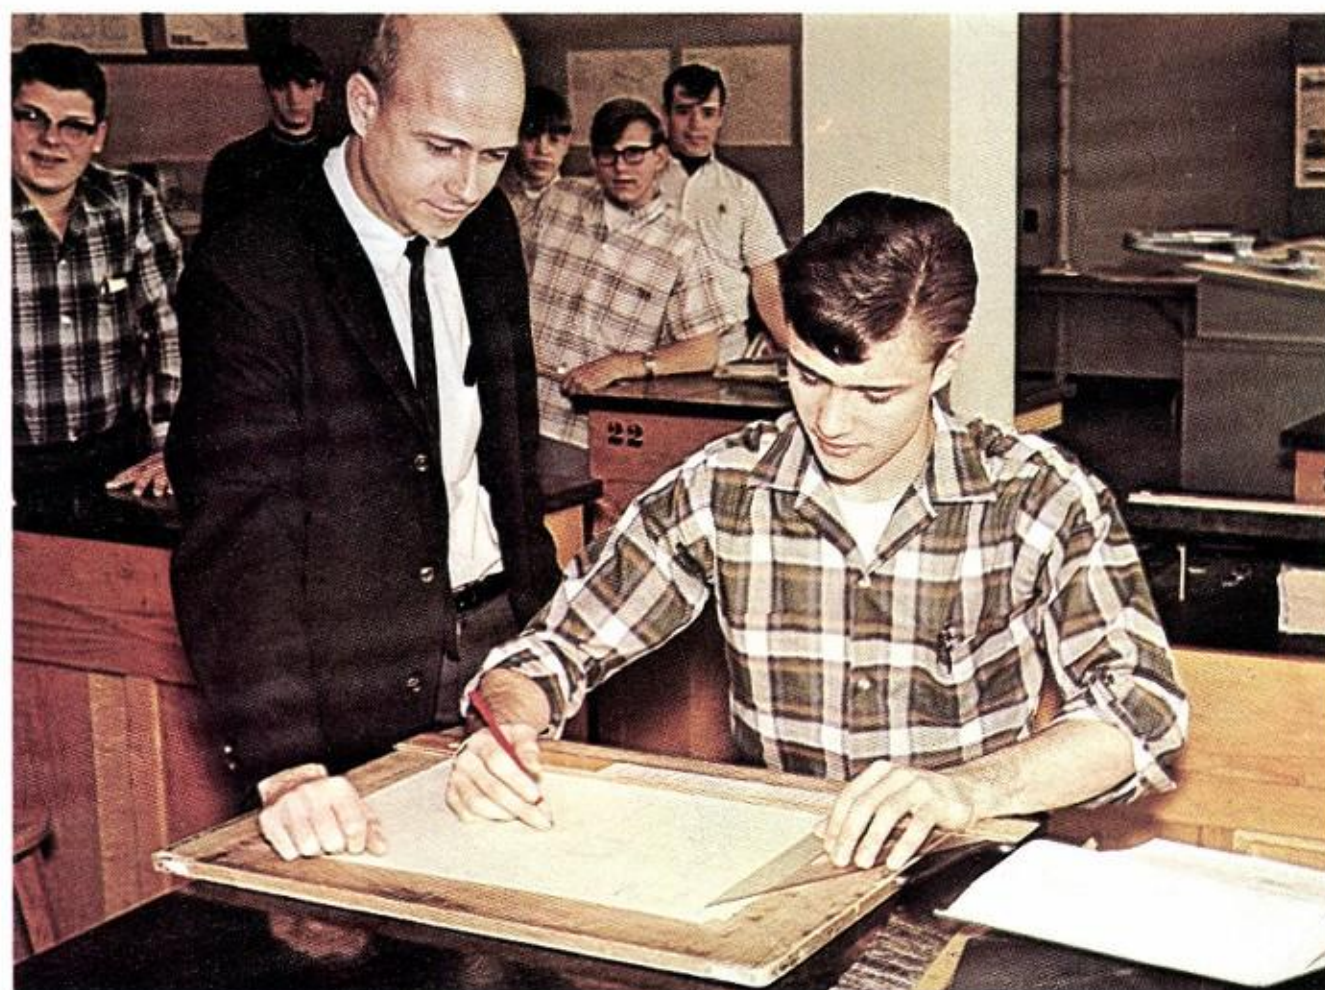

Dave Cruikshank prepares for the game.

Students gain knowledge and practice word usage in English class.

Vocational skills prepare students for career employment. Mr. Negley gives Dennis Mulligan a few pointers.

Mr. Endsley measures Loyd Hurn for his cap and gown. Graduation—the crowning glory of four years of high school life!

# DEDICATION

To a teacher who has combined knowledge with enthusiasm to impart learning and challenge the mentalities of his students and who has exerted influence by good example, we proudly dedicate the 1967 AMULET.

Mr. Rule receives a flower from members of Quill and Scroll.

## Mr. Michael Rule Our Faculty Adviser

We, the yearbook staff, take pleasure in dedicating the 1967 AMULET to our faculty adviser, Mr. Michael Rule.

We recognize Mr. Rule's value as a member of the Limestone teaching faculty and honor him for his work in the classroom. But more than that we wish to acknowledge his special gift of "time" to the students at Limestone. He has given willingly of many long "after school" hours to the welfare, betterment, and edification of hundreds of students.

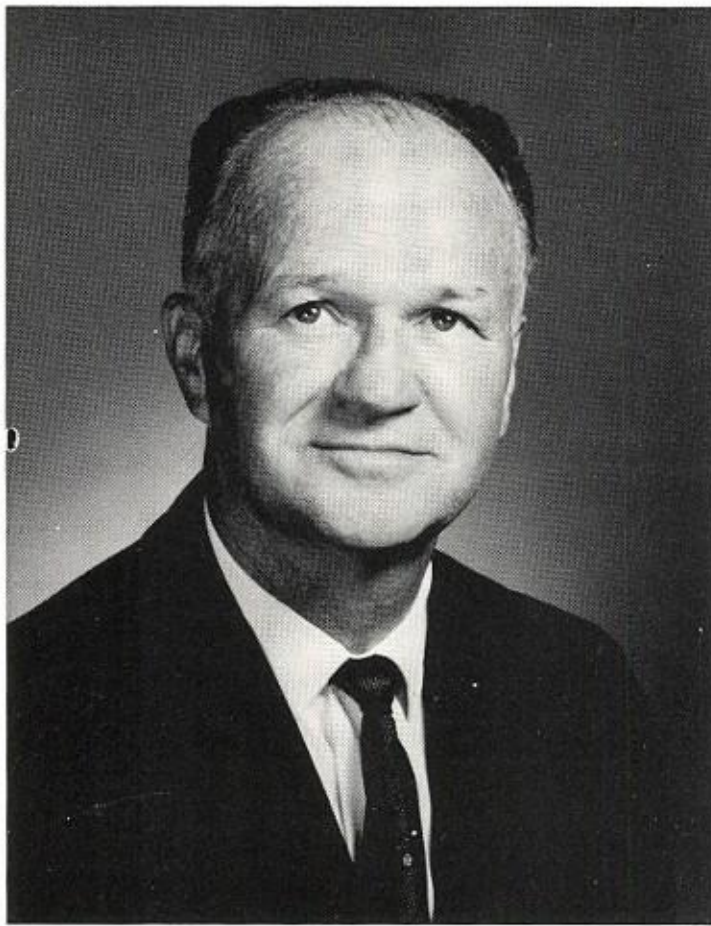

His "fans" are many. He has listened to their problems. Athletes come to him with their blisters and sore muscles. Students seeking answers to the puzzles of biology find him eager to help. He has given assistance in innumerable ways.

We of the AMULET staff are grateful for his presence, realizing that without his skill, advice, patience, and prodding there would be no yearbook.

Mr. Rule assists Linda Bressner in advanced biology.

Mr. Frank Leach, Superintendent

## Administration

Mr. Frank Leach, our superintendent, has been here at Limestone ever since the school first opened its doors in the fall of 1953, 14 years ago. At that time he was the Dean of Boys for an enrollment of 640 students.

Last year Mr. Leach was quoted as saying, "This is one of Limestone's luckiest years because of the successful passage of the building bond issue on November 6th."

Mr. Norman Endsley, our assistant superintendent and business manager, has the responsibility of things which affect both the students and the operation of the school as a whole. He oversees the operation of the cafeteria, snack bar, health center, and the clerical and janitorial staff. He is also responsible for seeing that all supplies are ordered for the maintenance of the building and for the functioning of the educational and extracurricular programs. Besides this he still has to see that all details of bus transportation are worked out, handle the financial records and budgets, organize the selling of tickets and crowd control at athletic contests, arrange for driver training cars, and see that senior gowns are distributed.

Mr. Norman Endsley, Assistant Superintendent

The Board of Education is a vital part of our high school, providing a link between the school and community. One of their major topics of discussion has been the construction of the new building. Board members meet and talk over the progress being made in the new building. They select colors of paint and carpeting—dishes.

Some other functions of the school board are setting school policy, establishing the school budget, hiring teachers, accepting resignations, and authorizing trips. They meet twice a month for their regular meetings and schedule special meetings as needed.

## LCHS Deans Serve Students

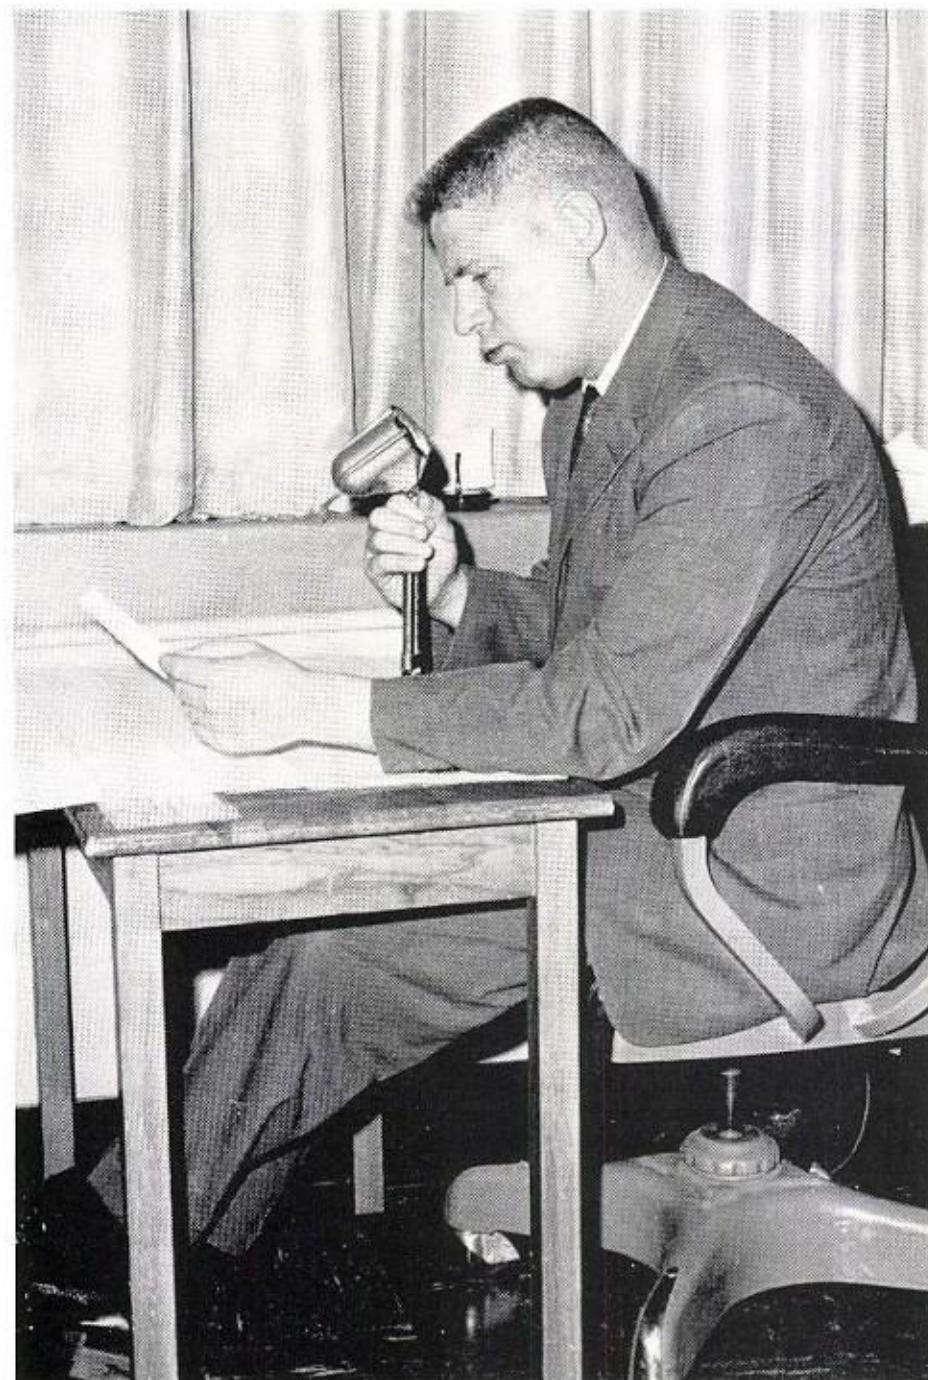

The dean of girls and dean of boys busily go through each day solving problems, both big and small, of scheduling, discipline and just daily activities. Besides this they are very frequently asked to represent Limestone at educational and civic meetings.

Many troubled students take their problems to these deans and are always greeted warmly. Also the deans, like the counselors help the entering eighth graders work out their schedule during registration night.

Mrs. McCraith, this year's dean of girls and last year's acting dean of girls, has been doing a commendable job.

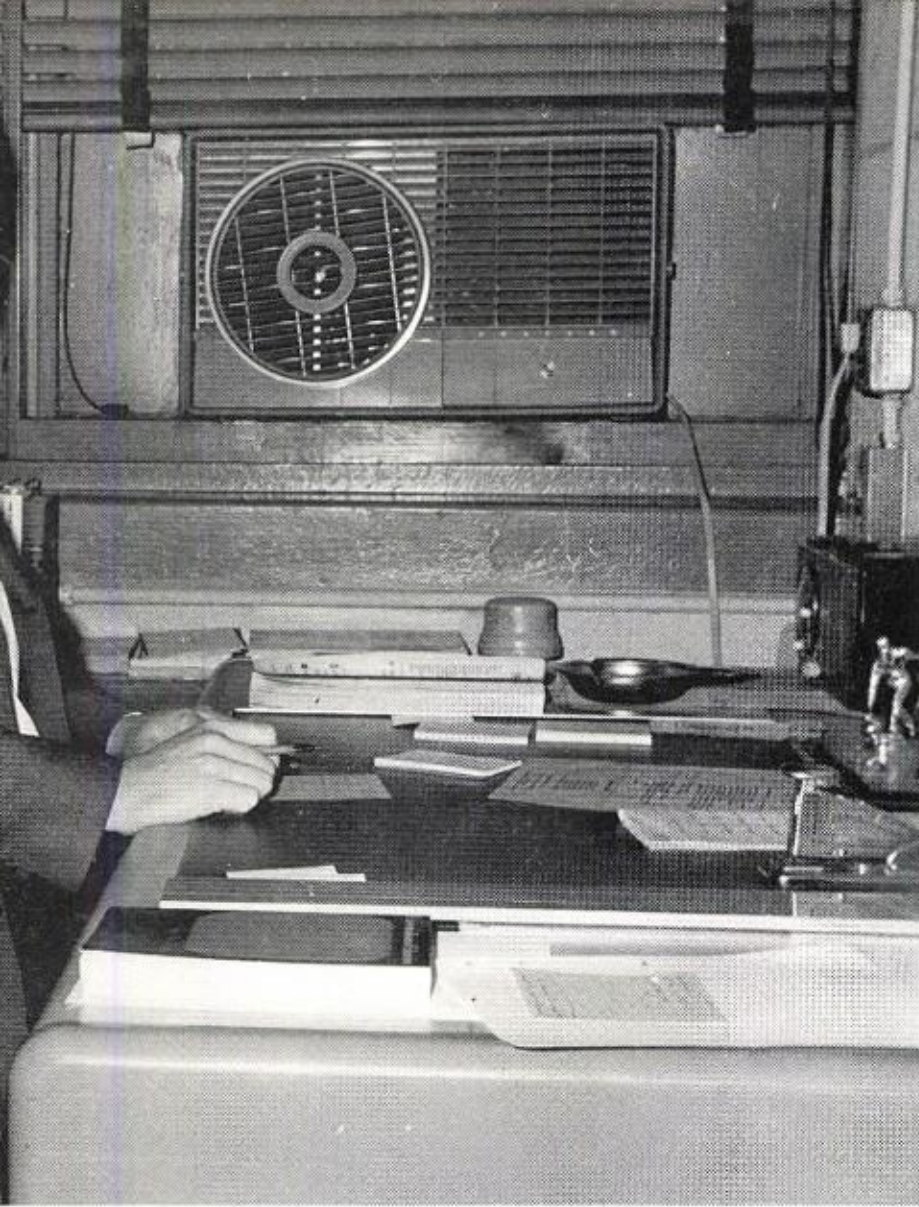

Mr. Bailey, after eleven years of teaching general science here, at Limestone, became dean of boys (replacing Mr. Herzog) in September 1965.

Every morning students hear the friendly voice of Mr. Bailey as he gives the announcements over the P. A.

"Good morning, today is April 18."

assists students in many ways.

# Challenge Student Futures and Careers

The counselors at Limestone Community High School, working closely with the deans, have the busy job of providing information on colleges and universities, trade and technical schools, and roads to various careers. They help confused seniors choose suitable colleges and careers. Also these counselors aid all students in such ways as self-understanding, development of mental health, career planning, vocational goals, and educational planning. They also have junior and senior college counseling and homeroom guidance.

When spring comes the counselors test and later register the entering eighth grade students helping them decide upon courses of study.

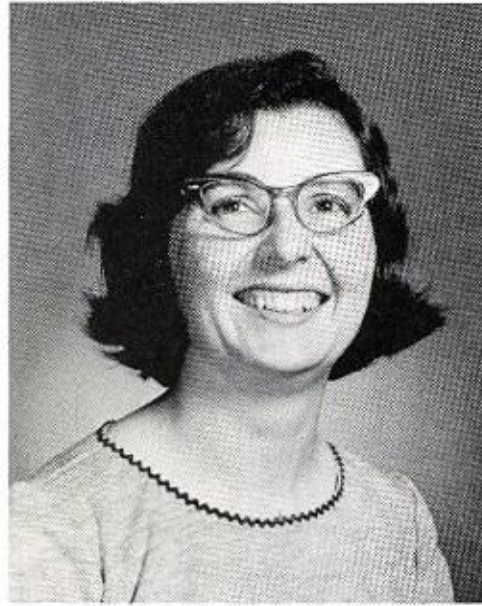

In the morning they patiently wade through the many students seeking re-admission to classes after absences, permits to leave school, and passes to the guidance library.

Besides all this they still find enough time to help students who are eager to get jobs.

# English, Speech, Library Unite Communications

The English department at Limestone is outstanding with the stability and insight of its experienced teachers. These teachers meet the sizable challenge of developing the students' strength and minimizing their weaknesses. Limestone's courses are varied enough to give students a choice in their field of interest. The courses range from English I, II, III, IV, to speech, creative writing, and world literature.

The library along with the school, is serving Limestone students more efficiently than ever. The library, headed by Mr. William Lindgren, is keeping pace with the increasing enrollment. Through the Elementary and Secondary Education Act, Title II, Mr. Lindgren has been able to purchase a wide variety of selective books. Helpful to Mr. Lindgren is Mrs. Arrenholz, the library clerk.

Communication is a key factor in the relationship of fellow beings. This key is obtained in the speech courses offered here at Limestone. Through the help of our speech teachers Mrs. Vonna Lou Larson and Mr. Roger Gerkin, students have found better ways to express themselves.

Susan Tindall displays the fine arts of fishing as a subject for a demonstration speech.

# A Desire to Learn Brings Success

Young coeds learn to cook, sew, plan, and decorate a home. It arouses the interest, attitudes and appreciation of skills of which may lead to vocations or hobbies.

Many courses are offered, including home economics, threshold to living, interior decorating, scientific cookery, and planning for two.

In addition classes also take many field trips and have guest speakers.

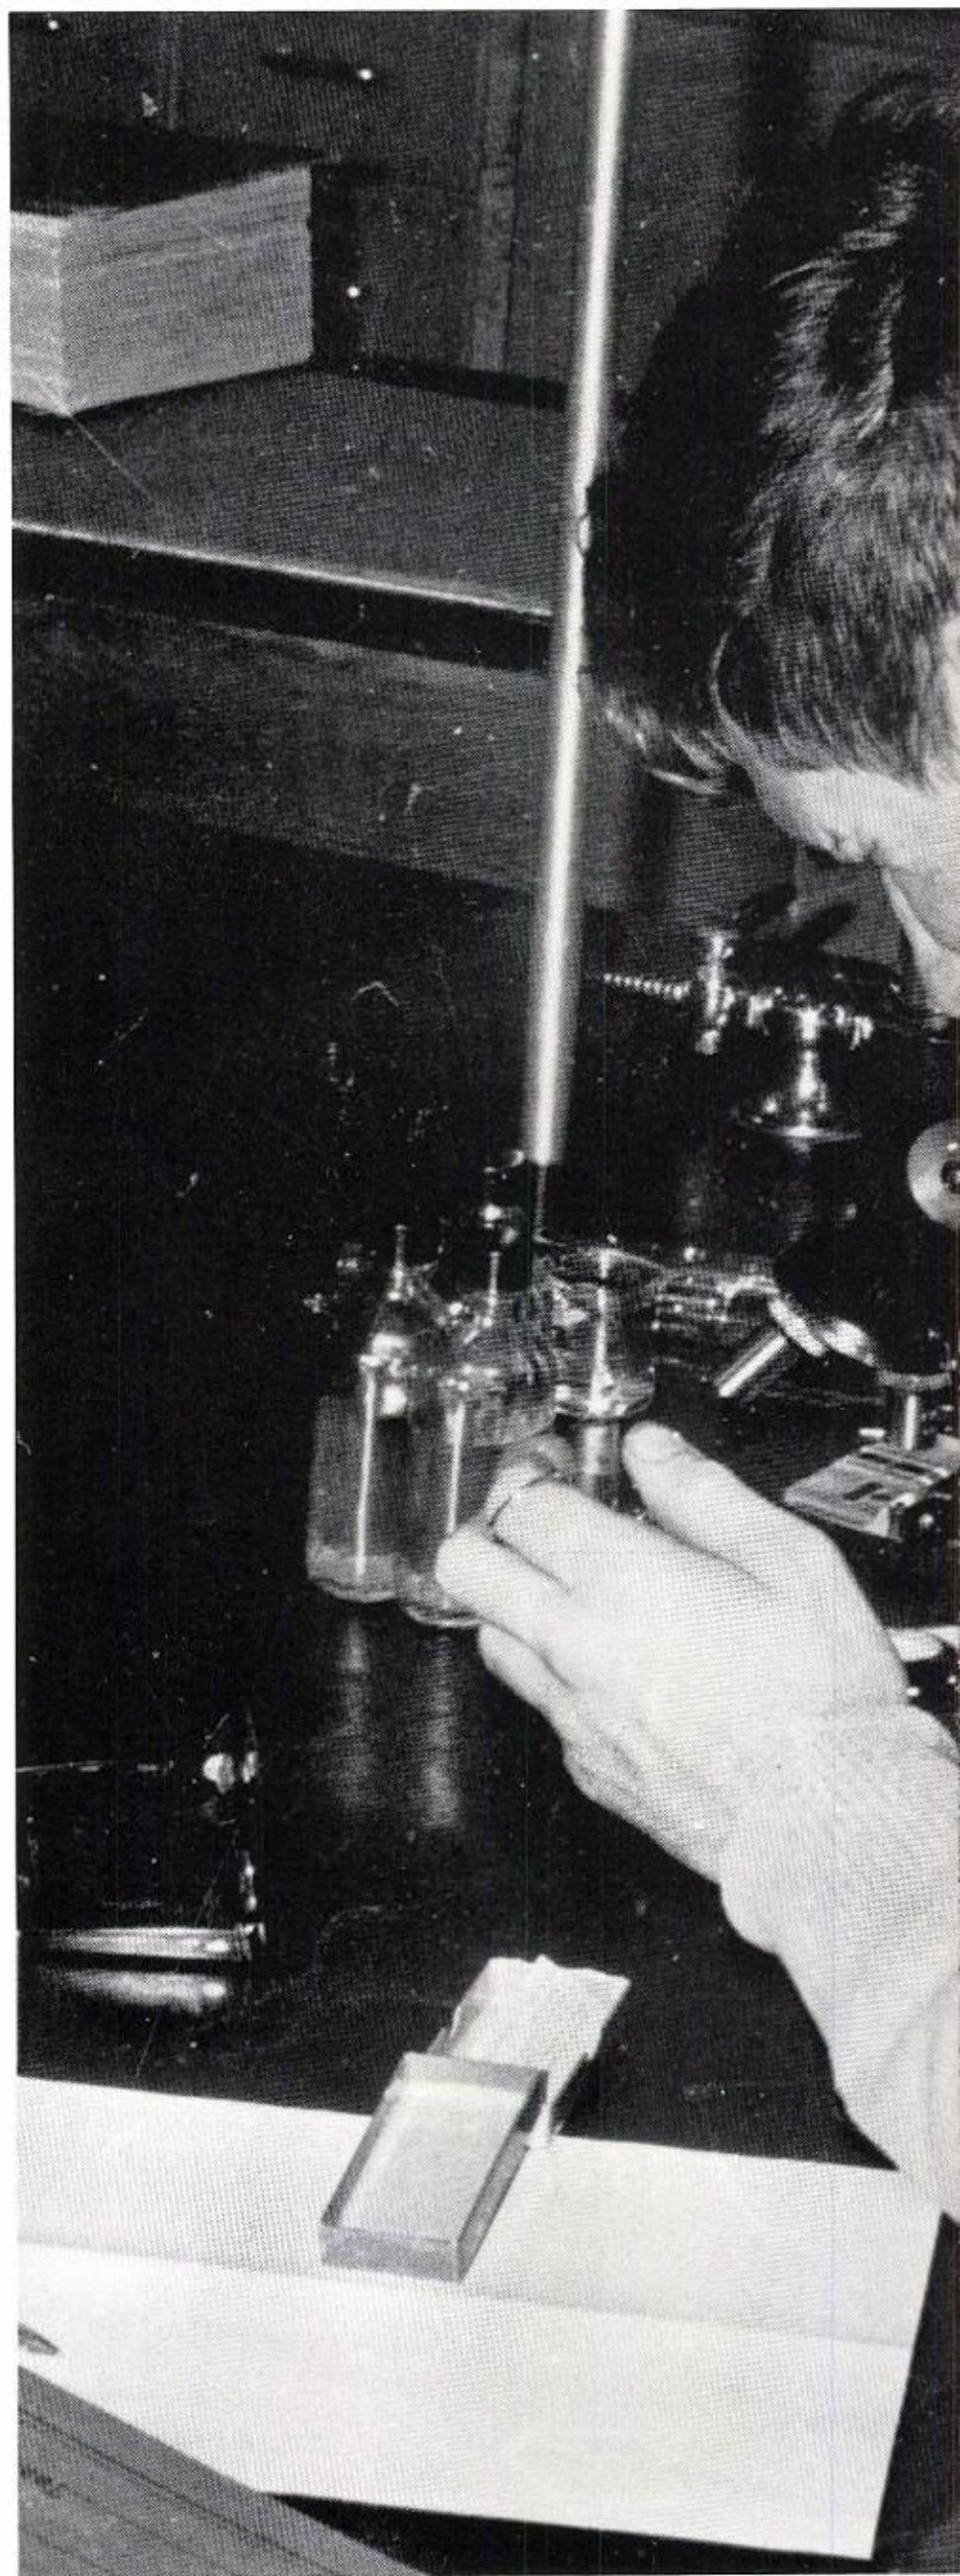

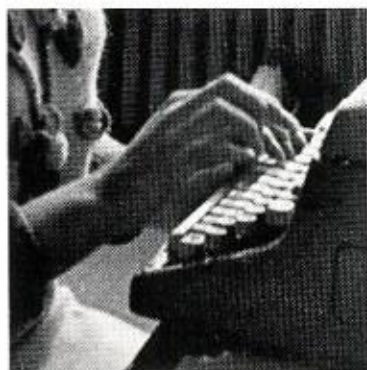

A tea is held during the Christmas holidays to acquaint the parents with the home economics department.

Limestone mathematics educators continue to emphasize the importance of math courses.

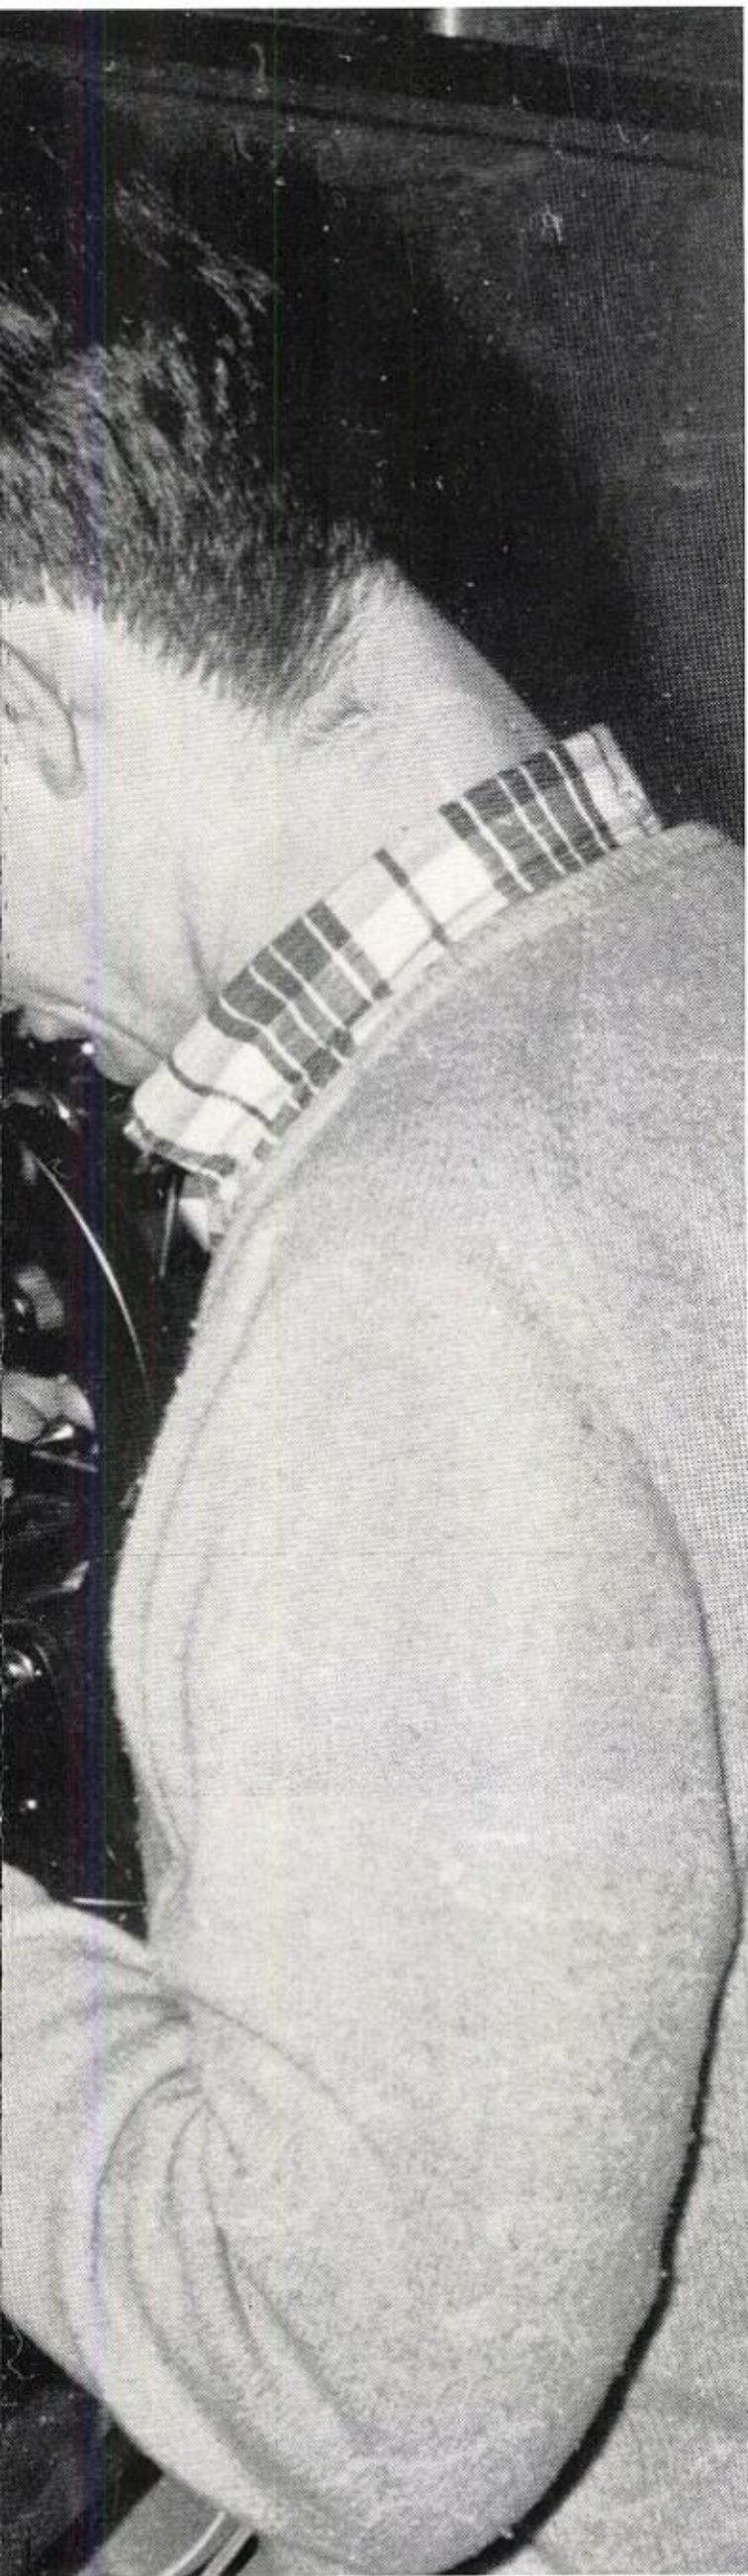

The courses include: general math, senior math, algebra, geometry, advanced geometry, analytic geometry, trigonometry, and calculus.

Limestone has all the mathematics courses needed for college.

Student scientists study general science, biology, physical science, chemistry, physics, and advanced biology. They learn through experience and prove problems from genetics, dissections, laboratory experiments, classroom work, lectures, films, and field trips. Limestone students gain an invaluable technical background.

Home economics class bakes bricks for new buildings. (Really it's meatloaf!)

Brian Barker displays geometrical skills.

Euglena cultures are studied as a special project by Dean Rhoads.

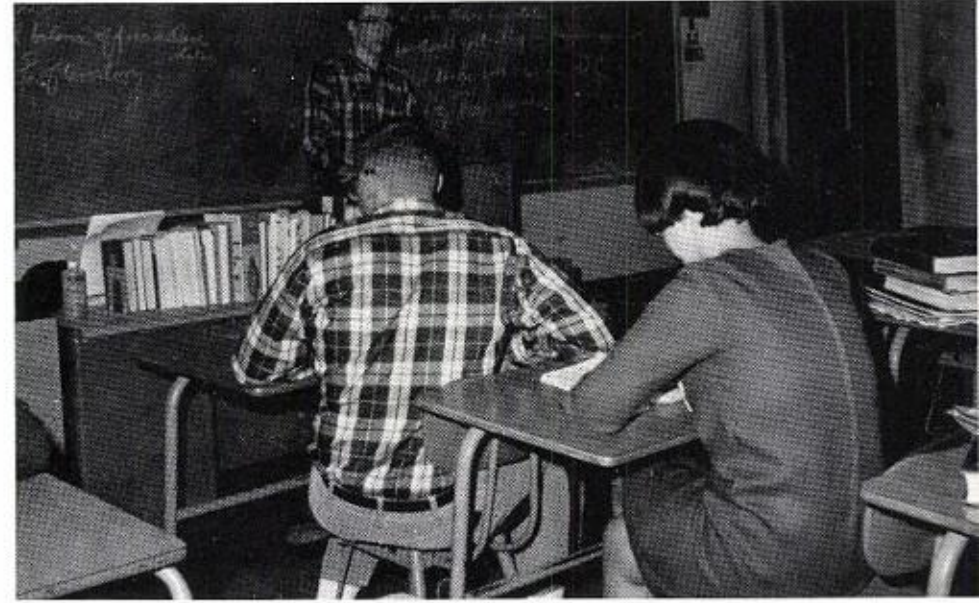

# Participation Stimulates Interest

The social science department, under the leadership of Miss Helen Schmidt, meets the challenge of teaching history and political science with the use of visual aids.

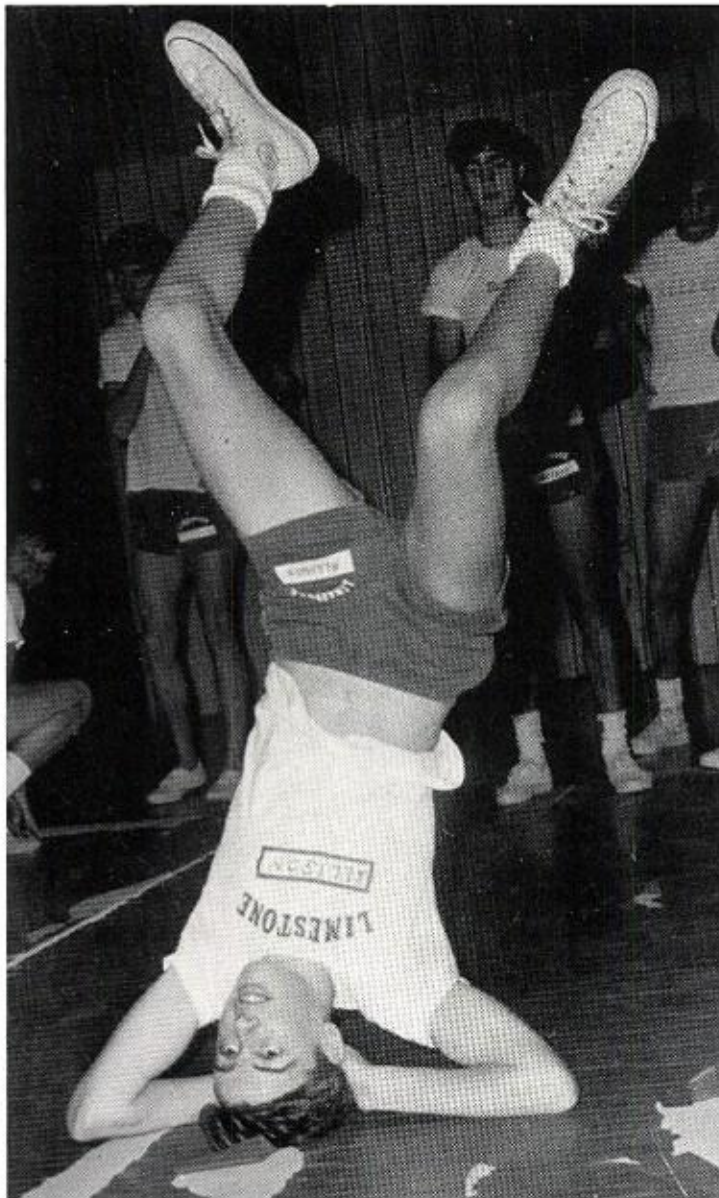

Since Limestone students are only required to take two social science courses, the department is able to offer courses in international relations, world history, geography, and sociology.

Square dancing, volleyball, softball, tumbling, and other events dealing with sports is handled by the department of Physical Education. This year under the direction of Mr. Robert Schmitt the students in the physical education classes saw the old balcony being converted into showers and classrooms.

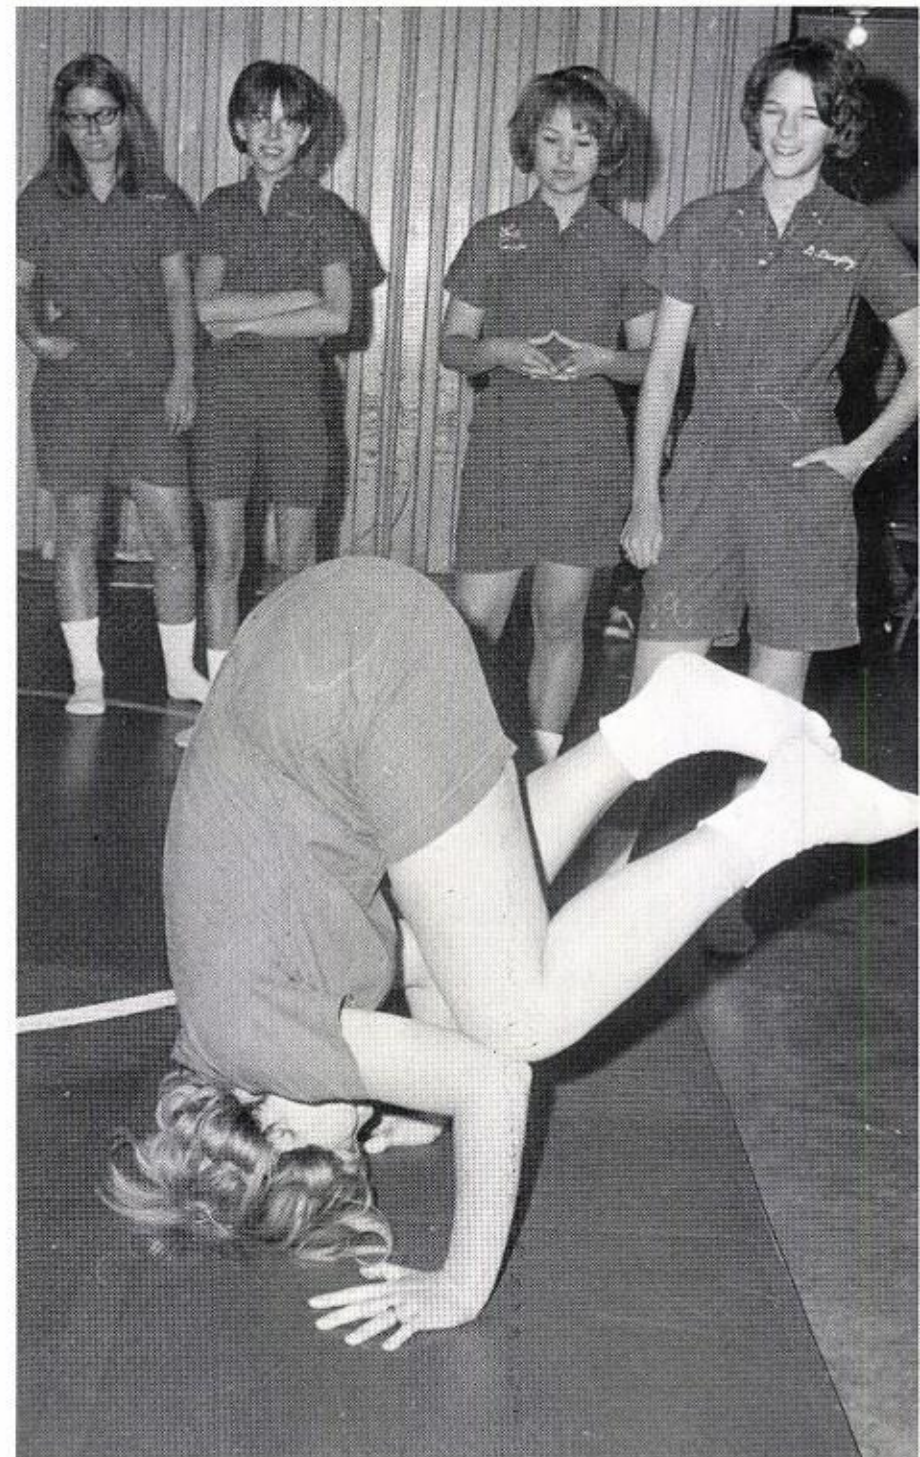

Through the use of electronic recorders the students in Limestone's foreign language department will be able to learn the correct pronunciation of the language they are learning to speak. Mr. Jack Clinton, head of the department, has included into his plans of the foreign language lab enough equipment to enable thirty students to participate at their own speed.

Student participation helps to keep classes interesting.

Bill Allison tries his head as a foot.

Tumbling gives you a little different perspective on things.

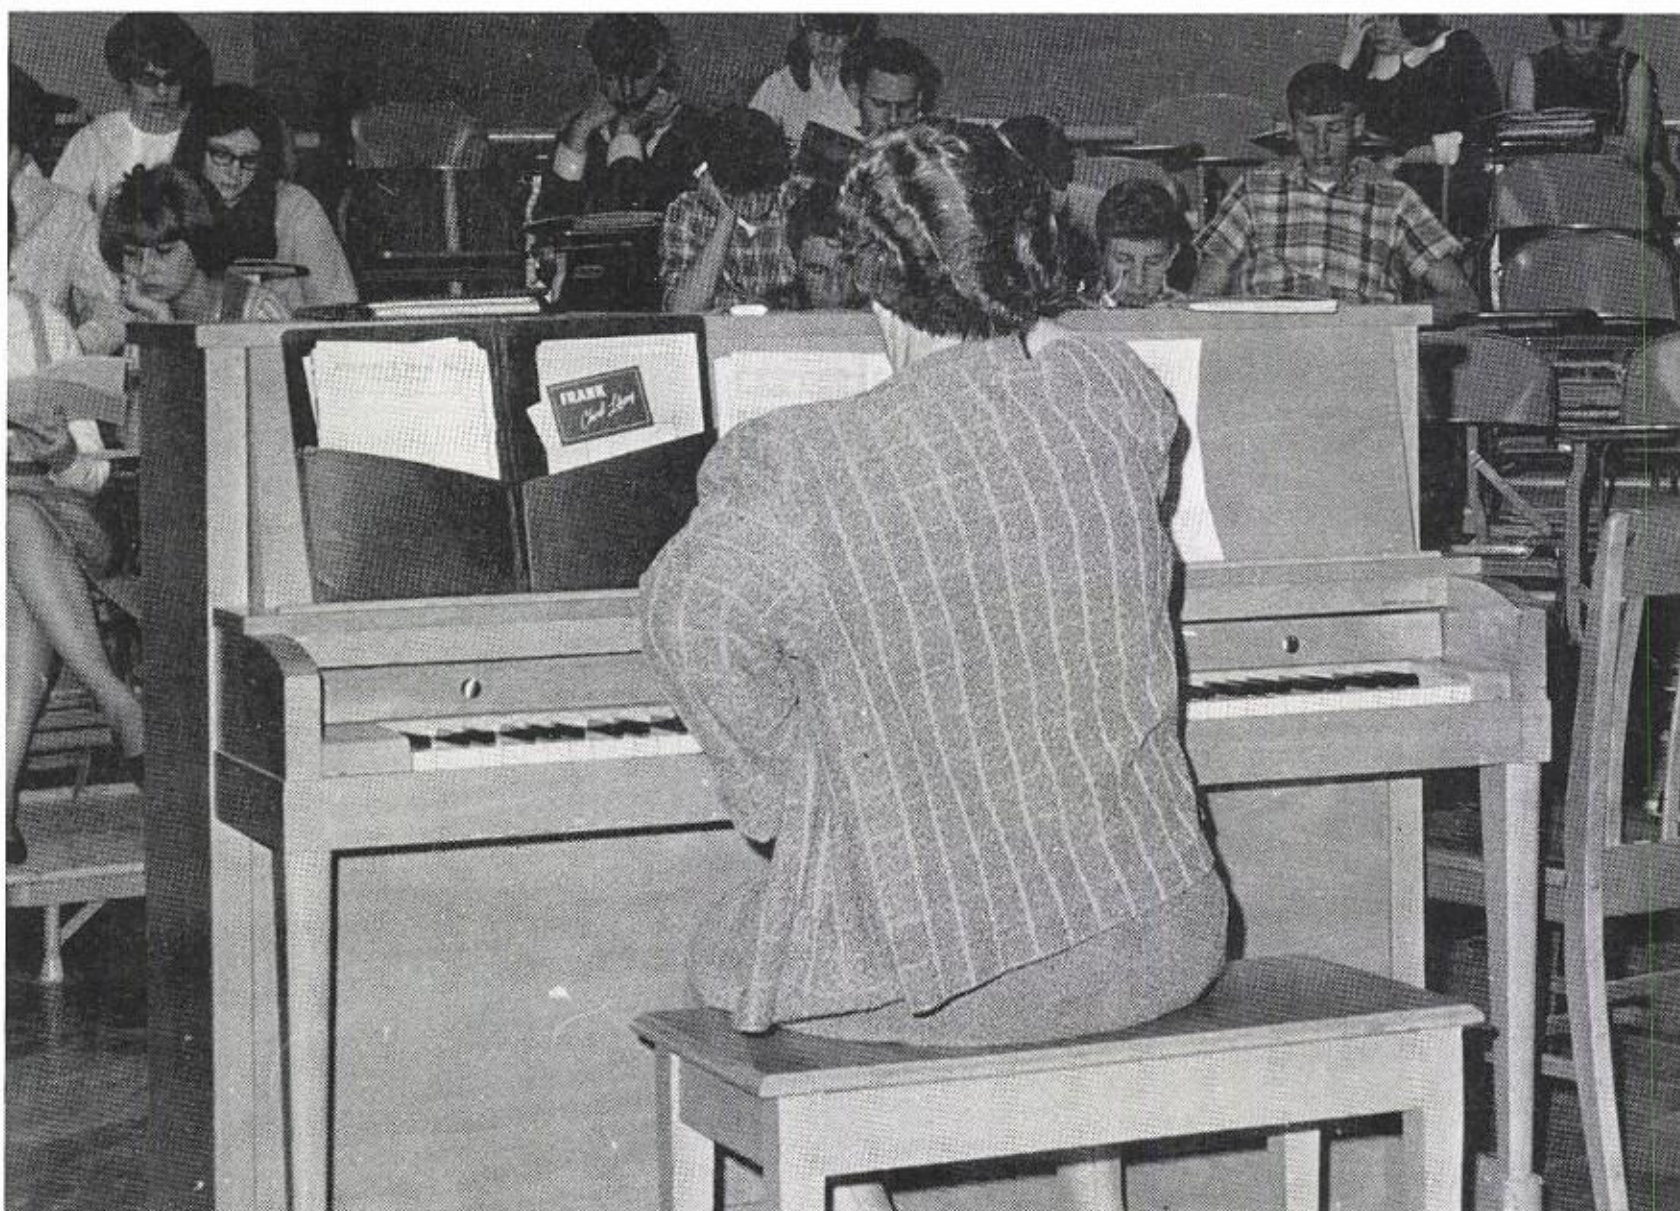

Mr. Clinton puts a great deal of time and enthusiasm in teaching Spanish.

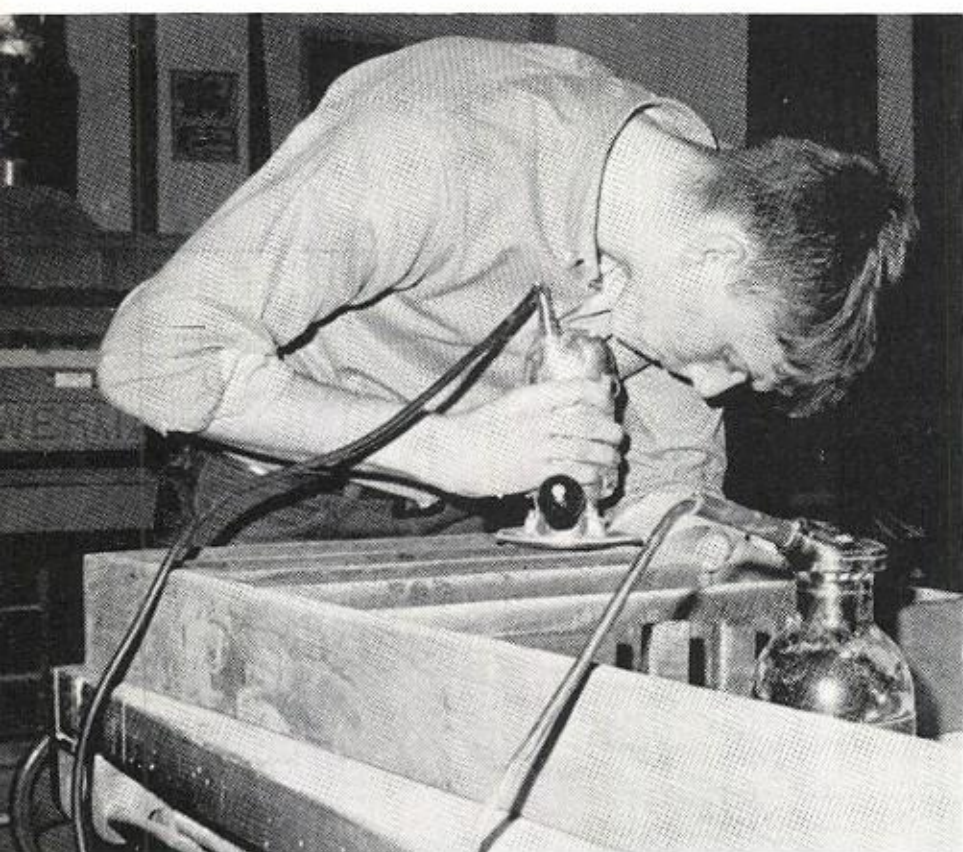

The students in Miss Schmidt's classes enjoy the baby photo contest and the study of their family tree.

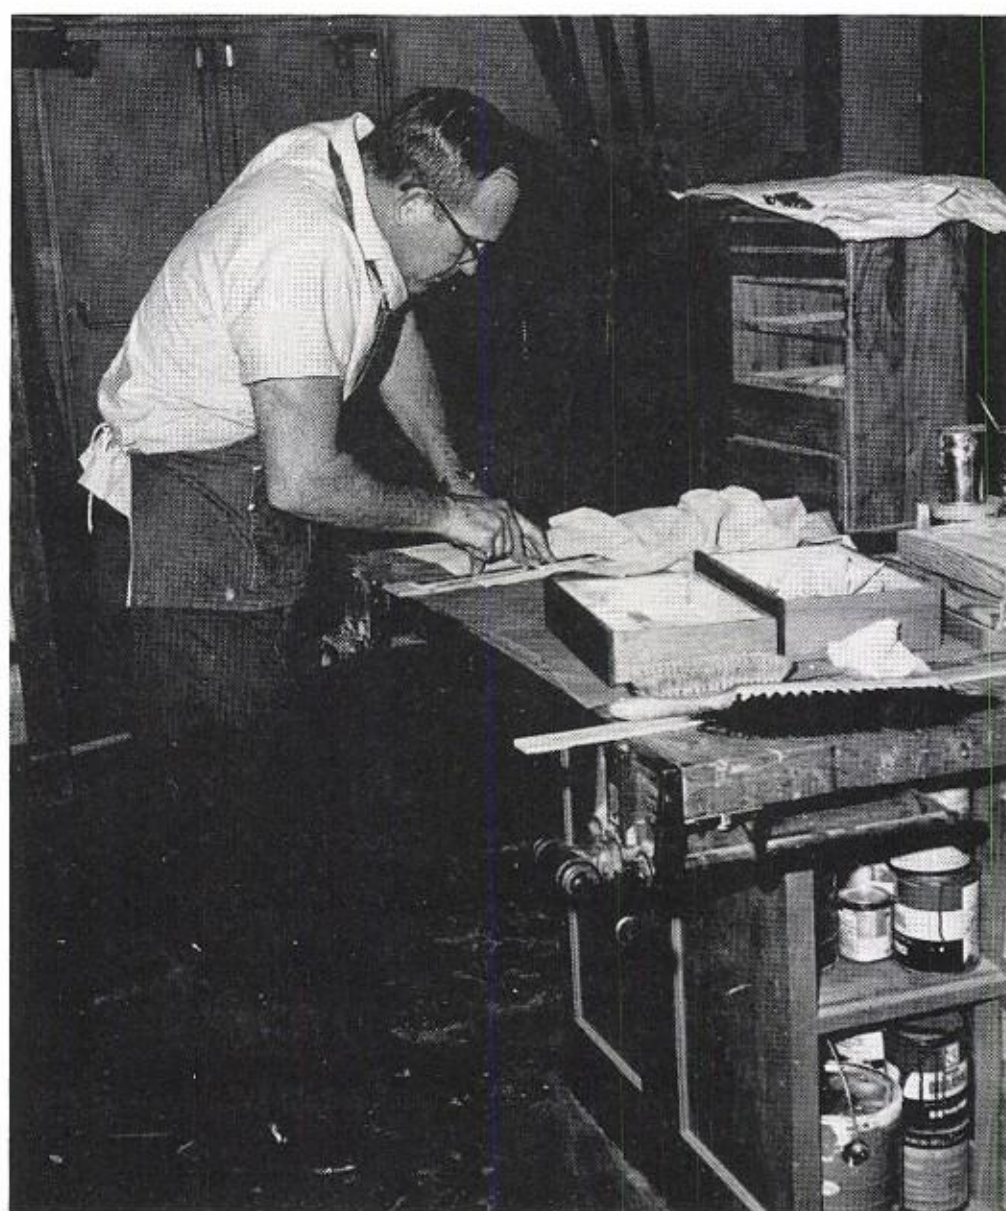

Mrs. Krumpe, head of the choral department, leads the Sophomore choir in a song for Easter festivities.

Sanding is one of the many skillful tasks performed by students in industrial arts courses.

Mr. McCraith skillfully measures the size needed to complete a project.

# Industrial Arts

## Choral Music-Band

The music department at Limestone provides both a learning opportunity and entertainment.

Mrs. Elizabeth Krumpe is the director of the choral groups. Acapello choir, freshman choir, sophomore choir, Rockettes and Rocketeers, and varsity choir are the choral groups here. Mr. William Morse is the band director and has held this position since the school opened in 1953.

The band provides music and entertainment at pep assemblies, basketball games, and concerts. The members also march at football games in the fall.

The industrial arts program is the area in Limestone where the male students can get lost in a world of their own—a world of tools, leather, cedar, and noisy, busy machines. Working with their hands these boys carefully plan and finish their projects, experiencing a feeling of accomplishment. Accuracy is important.

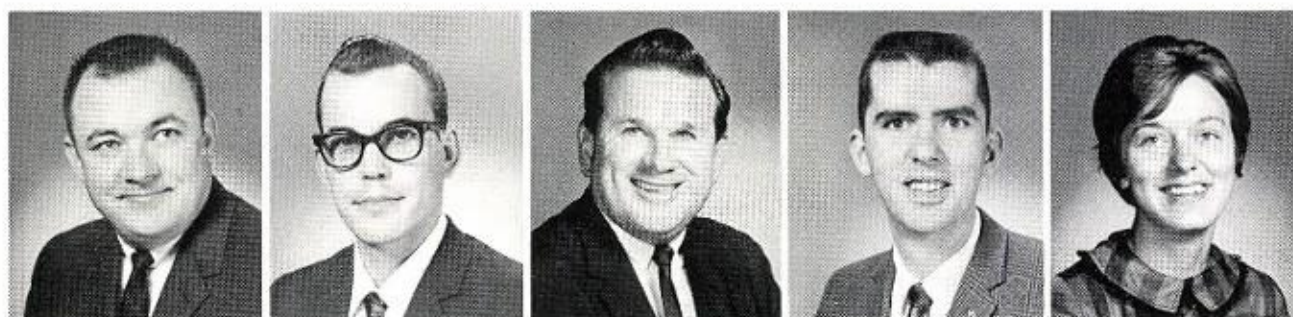

Mr. Weston Noble was guest director at the Mid-State Nine Choral festival.

The tops in food is found in our cafeteria thanks to our very efficient kitchen staff. They work industriously everyday to provide our school with a well-balanced lunch. They also go to the trouble to provide our students with a 7:30 breakfast. Mrs. Kathryn Barkley, R. N., is in charge of the Limestone High School Health Center. In the Health Center, Mrs. Barkley efficiently attends the students who become ill during school hours or who may be injured accidentally in Physical Education classes as well as other laboratory classes. Outside the Health Center Mrs. Barkley sponsors the Future Nurses of America Club which encourages many girls into a career of nursing. In addition, Nurse Barkley, lectures in Home Economics classes on child and baby care. We're happy she's here.

With approximately 1500 students using the building during the regular school day and in the many extra-curricular activities, our custodians face a rather tiresome and seemingly never ending job of keeping our building clean. The appearance of our school and grounds creates the first impression upon visitors and students. Our janitors have the responsibility for maintaining a high image. Since the construction was started on the new addition to our school the labor of our janitors has increased. Walls are being torn down, doors are being put in, and the construction men, tracking through the building, have put an almost impossible burden on our custodial staff. These people contribute effort and energy in maintaining Limestone. We are grateful to our Custodians.

The Rocket's Roost was the scene of the 1966 AMULET distribution party. While listening to the animated music of the Yeomen, students signed autographs. The students were everywhere—on the stairs, radiators, tables, in chairs, and on the floor.

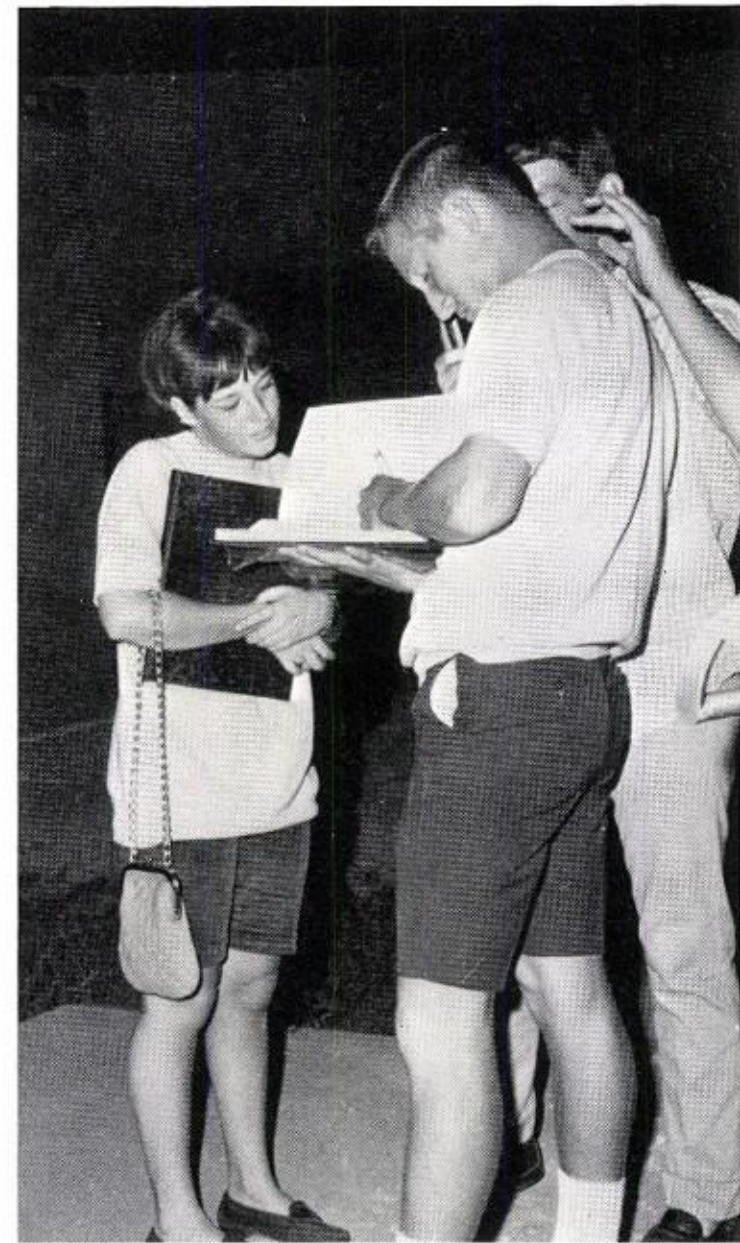

From 6 to 9 p.m. on that September 8th evening, the seniors said their goodbyes to the underclassmen who were busy renewing friendships with classmates.

An outstanding feature of the 1966 homecoming was the annual variety show presented on October 19 and 20. The show was titled "Grin and Bear It," so named for the nationally known comic strip. The emcees were Charlie Brown and his girl friend Lucy, better known at Limestone as Tom Farrow and Barb Engelgau.

The variety show ended a week of suspense as the announcement of the homecoming Queen and her court was made at that time by Melody Aldrich. Queen Linda Bitner was attended by Nancy Wirsching, Lynn Maloney, Marla Keyes and senior attendant Linda Hofmann. The second evening's show concluded with a celebration around the bonfire held outside on the athletic field. The outcome of the judging for the skits and individual acts was announced before the cheering mobs and roaring fire.

The Limestone High School gymnasium became cartoon land as the closing activity of the homecoming week, the homecoming dance, brought the festivities to an end. This pleasurable week planned and organized by the student council was completely successful. This can be determined by the participation of the masses as students, faculty, administration, staff and alumni found enjoyment and favor in the whirlwind of homecoming week.

# The Diary of Anne Frank

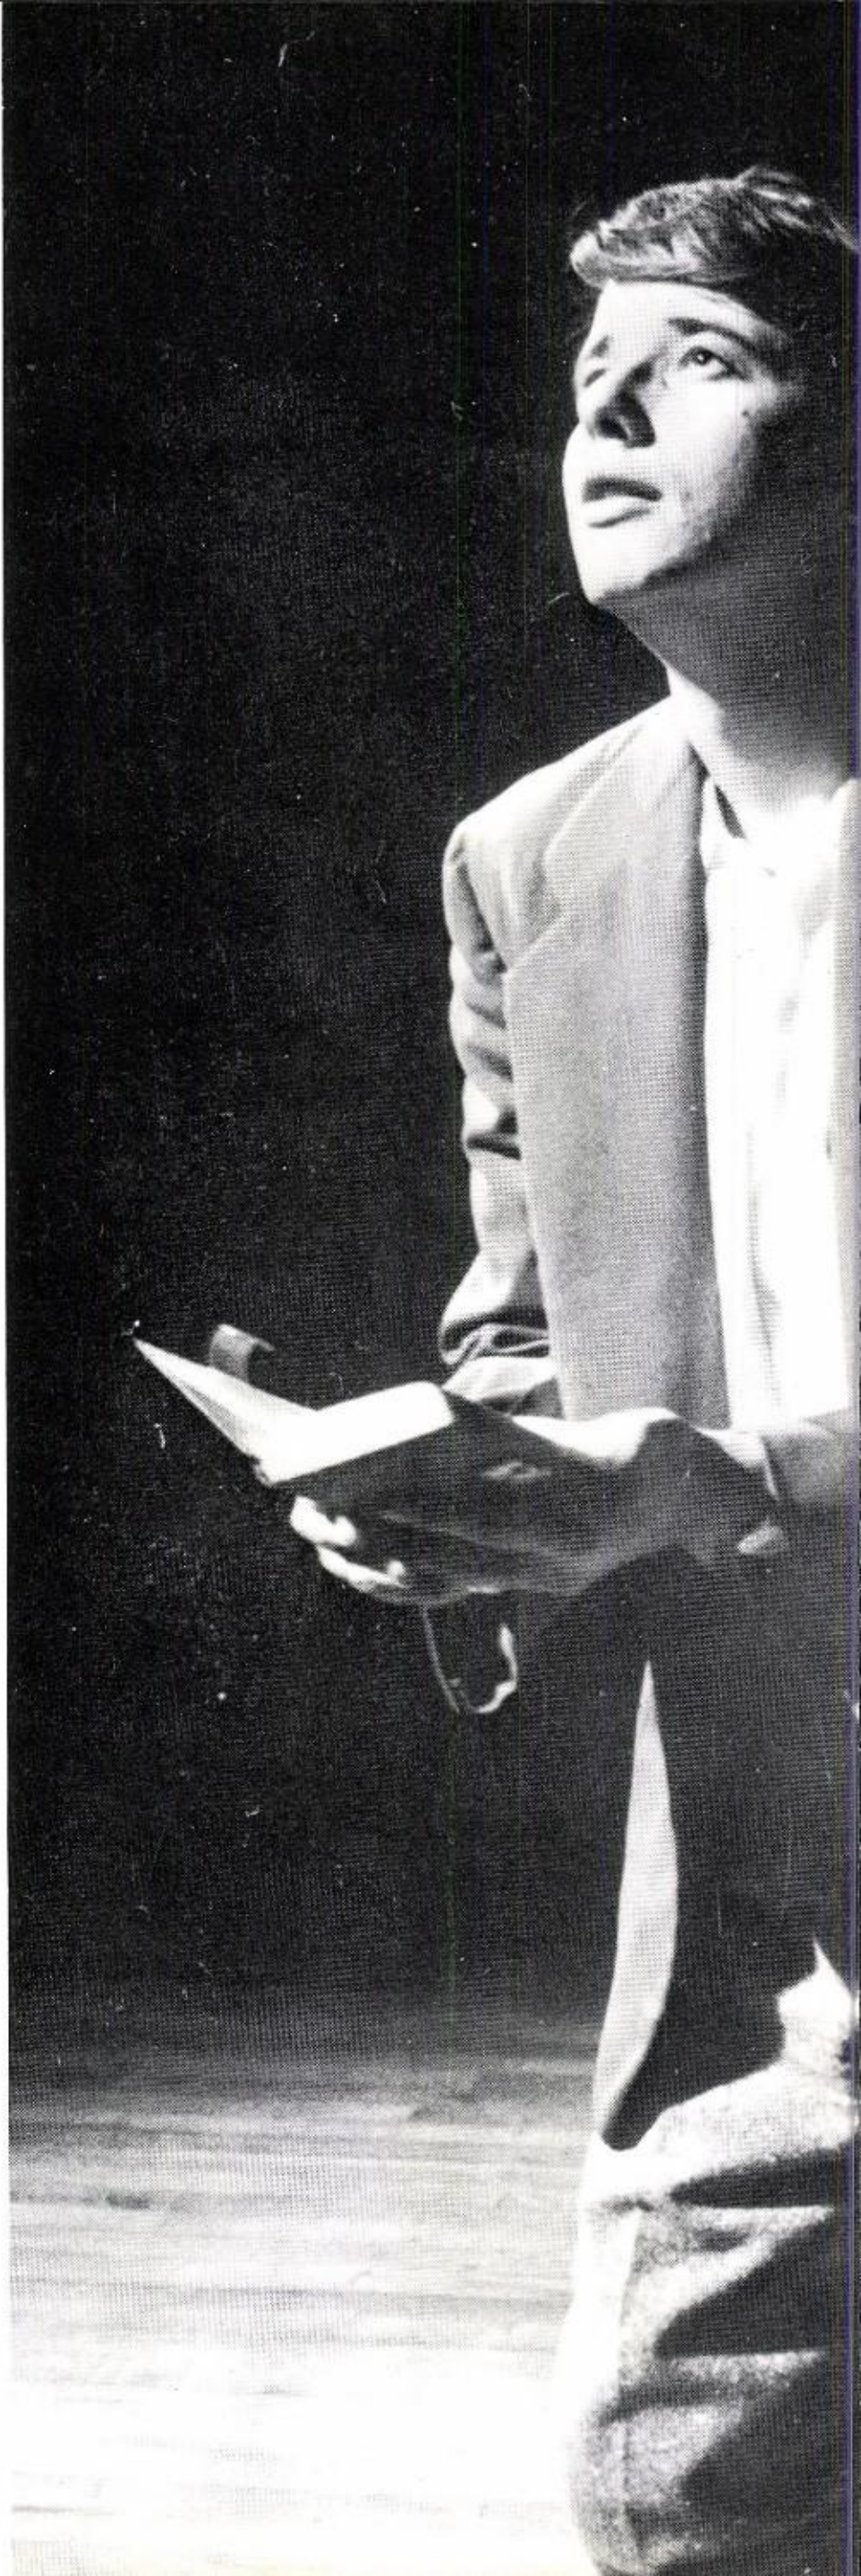

A best seller in more than twenty countries and later a prize-winner play, "The Diary of Anne Frank" was presented at Limestone High School October 27 and 29. Under the direction of Mrs. Vonna Lou Larson the play dramatically emphasized the life of a young girl and her family, (German-Jews) in war torn Europe. The play is retold when her father finds the diary which she kept during the self-imposed exile in the attic of a warehouse to escape the wrath of the Nazis against the Jews.

The characters included Pam Robinson as Anne Frank, Greg Bruce as her father, Elaine Grove as Mrs. Frank and Dean Albritton as Peter. Other members of the cast were: Melody Hendricks, Tom Briggs, Glenda Welch, Steve Adams, Irene Bunner, and Jack Bolen. The play was very well performed and acclaimed by all who attended as an outstanding piece of dramatic work.

# Look Homeward, Angel

Limestone's Blue Thespians presented the play "Look Homeward, Angel," on May 4 and 5 in the Limestone auditorium. The novel was written by Thomas Wolfe and was arranged for the stage by Ketti Frings. It was performed under the direction of Mr. Roger Gerkin with the help of Glenda Welch, student director.

The setting of the play is a small town in North Carolina in the year of 1916. The story deals with the lives of the Gant family. The action of the play is centered around the Dixieland boarding house which Eliza Gant has purchased as an investment because her drunken husband was not able to make much of a living. Many disputes arose among this family which was due to the condition of the father. The sons gradually grew away from the family as one tried to get away by going to college and the other slowly died from tuberculosis. The drama was presented with impressionistic realism. The most outstanding scenes were Ben Gant's death and Ben's voice coming down onto the stage in a vision to his brother, Eugene.

The characters were:

Ben Gant  
Fatty Pert  
Helen Barton  
Hugh Barton  
Eliza Gant  
Will Pentland  
Eugene Gant  
Jake Clatt  
Mrs. Clatt  
Florry Mangle

The 1967 Junior-Senior Prom, "Twilight Fantasy," was held on May 13, at the newly built Ramada Inn. This was the first time that the Prom was held at the Ramada, and it is hoped that it will be the choice from now on. Dinner was served in the El Greco Room beginning at 6:30, and at 8:00 the guests were then invited to dance until 11:00 to the music of Walt Coughlin's orchestra. The highlight of the evening was the presentation of the queen and her court at intermission. Kathy Poston announced Betty Birchler as the 1967 Prom Queen. She was crowned by Dennis Williams, president of the junior class. Members of her court were Linda Binder, Marla Keyes, Julie Schindler, and Paula Weber. The guests were also entertained with musical selections by the Rockettes and Rocketeers.

## Student Council

A student government endeavor at Thanksgiving time is the preparation of Thanksgiving baskets for the needy.

The student government advisers for 1966-67 were Mr. Richard Ingram and Mrs. Gloria Schmidt.

The election clerk, Linda Bitner, checks Cindy Caudill's registration before giving her a ballot.

## and House Set Pace in Student Government

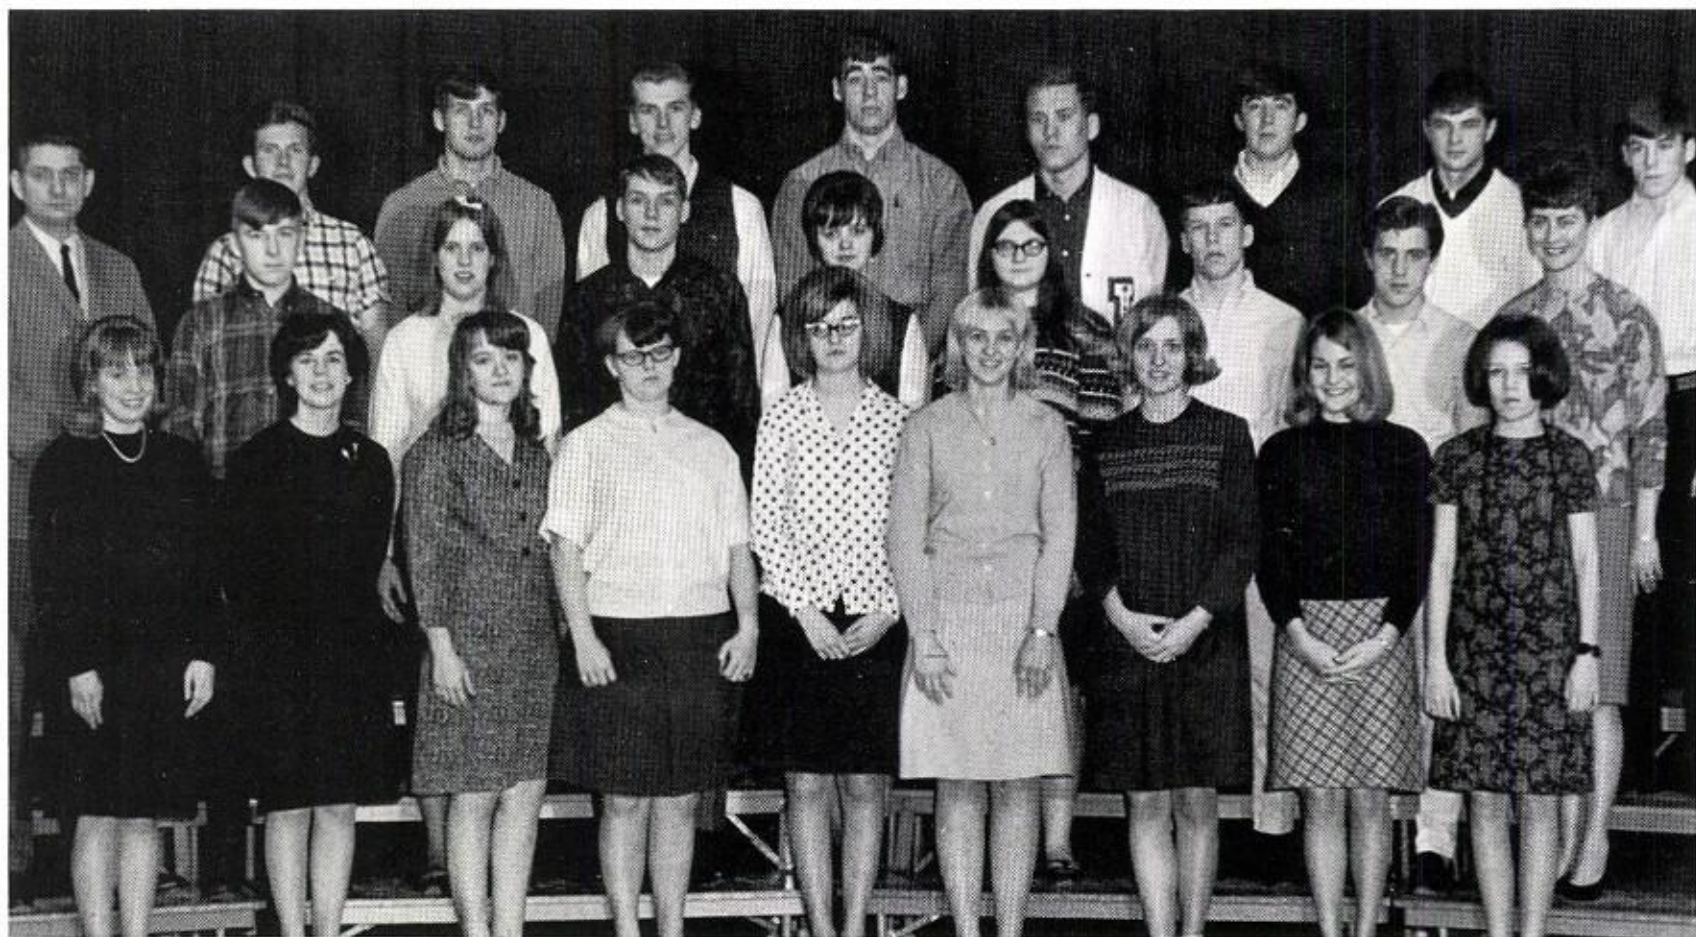

Student government is an important part of high school life. It takes initiative to run for student office. Once elected to office they gain experience by working on committees and eventually many become chairmen. By the time they become upperclassmen some are qualified for student government offices. Student Council is the main governing group at LCHS. They sponsor many of the schools' functions and activities. Council is responsible for such activities as homecoming, twirp week, spring carnival, back-to-school dance, True Blue Week, leadership conference, assemblies, care week and accent week.

Limestone's House of Representatives is one of the vital links between the Student Council and student body. House of Representatives works with Student Council on homecoming and the spring carnival. They also did two community projects this year. At Thanksgiving they supplied baskets of food to several organizations for the needy. They also sponsored a project in conjunction with Future Homemakers of America to supply paint shirts for mentally retarded children. Each member of House of Representatives is responsible for keeping one or two homerooms informed on what they are doing.

## Organizations Who Give of Themselves

The student activities co-ordinating committee, commonly known as SACC, is the link between the Student Council, the clubs, and the individual classes. At the meetings, the representatives discuss club problems and evaluate activities such as Homecoming, Twirp Week, and other activities in which the student body participate.

A group whose main purpose is to be of service to the community is the Student Service Club. These girls spend one evening a month helping at the Peoria State Hospital. The girls also give parties and do various things for the elderly people at the Bel-wood Nursing Home.

Quill and Scroll is the international honor society for high school journalists. All members are juniors or seniors and have done outstanding work on newspaper or yearbook for at least one year. In February of 1967, this group initiated three new members at the Quill and Scroll tea.

# Clubs Introduce Future Careers

FTA: N. Maricle, D. Palmer, S. Gilmore, Mrs. Harris, K. Heisel.

One of the several clubs aimed at helping students plan their future careers is Future Teachers of America. This club sponsors Teacher Appreciation Week in March, helps with back to school night in November, and takes several trips to learn about various forms of teaching. Their service project this year was to collect comic books for the Grace Abbott Center.

The Future Homemakers of America at Limestone work in conjunction with the home economics department to help girls improve their homemaking skills. FHA members can earn the degree of Junior, Senior, State and National Homemaker for their work in home economics. This year the future homemakers of America all over the United States, celebrated their 21st birthday. The local club sponsored FHA week; each day of the week a phase of FHA was emphasized.

Another club that helps students to plan for the future is the Future Nurses Association. It is a club for students who hope to enter a medical profession. In the past years FNA has done many services for the school. They have purchased a portable stretcher and a small refrigerator for the medical center. This year they hoped to have an after-game dance and also sell donuts at the end of each day of semester examinations. This has been a triumphant year for FNA, as they had the winning 1st place car in the homecoming parade and the winning decorations at Christmas time.

In order to become a member of the Lettermen's Club, a boy must earn at least one varsity letter in a sport and go through the Lettermen's Club initiation. After a boy has gone through initiation, he is eligible to participate in Lettermen's Club activities. These include club meetings and play nights in which the boys spend a whole night participating in active sports. The Lettermen's Club sells T-shirts every year to earn money to buy sports equipment for the physical education department.

What group gets more awards than any other group at Limestone? The debate teams of Limestone have been growing rapidly for the last few years. This year it boasted its first four year debaters, Mike Closen, Susan Mehrings, and Elaine Grove. All debate students have taken part in at least one tournament, and twenty are regular participants. Our debaters traveled many miles this year, sacrificed many hours for preparation, and deserve every award that they have received.

## Serve School and Community

The Key Club, a group which is sponsored by the local Kiwanis Club, has been very active this year. It is a service group consisting of sophomore, junior, and senior boys. This year the Key Club started off the school year with the annual soap drive; they collected about 20,000 bars. The Christmas dance was sponsored by the Key Club, they also sponsored the cheese sale. The Key Club has contributed to the Grafleman Award, which is a plaque awarded to a senior boy and girl in memory of Dick Grafleman, a former Limestone Key Clubber who died as a result of an automobile accident. This year thirteen boys and their advisers, Mr. Nelson, and Mr. Gresham, attended the Key Club convention in Chicago.

Two energetic groups at Limestone are the Y-Teens and the Hi-Y Clubs. Their projects affect both the school and the community. All of their activities are planned in conjunction with the YMCA and the YWCA. This year the Y-Teens took a bus trip to the antique shops in Old Town in Chicago. They also participated in the Taft Home's project, the hanging of the greens at Christmas, and the World Fellowship Drive at the YWCA. To raise money for the Y-Teens' conference they sold holly and wreathes at Christmas.

Hi-Y participates in many activities at YMCA, including the spring sports festival, in which Limestone made a fine showing. Members attend conventions throughout the year. They worked along with the Y-Teens on the Good Friday breakfast at Lakeview Center.

Clark, M. Aldrich, S. Mehrings, K. Poston, Mr. Gerkin.

"Quiet on the set!" This is a cry familiar to all dramatics club members who participated in the fall play "The Diary of Anne Frank" or the spring play "Look Homeward, Angel". Dramatics club does the two plays every year and as a reward to those who work diligently during the year there is the spring trip to Chicago to see a stage play and have an exciting weekend, also the annual spring picnic after the semester exams are over. The advisors are Mrs. Larson and Mr. Gerkin.

Another honor that can be gained by participating in dramatics work is membership in National Thespians. Members have all worked for the success of one or more plays. A student does not always have to act in a production to gain membership he may also work behind the scenes on costumes, make-up, scenery, publicity, and staging. Mr. Roger Gerkin is the advisor for this group.

# Understanding Through Communication

SPANISH HONOR SOCIETY: Top row: K. Darst, J. Dorick, L. Bressner. Bottom row: L. Williams, D. Guthrie, S. Gilmore, C. Mingee, C. Mooberry, Mr. Clinton.

The object of the Latin Club is to help students understand and appreciate Latin. Club members help with various money making projects such as bake sales, basketball coat checks, and car washes. Latin Club also has a car in the homecoming parade. The climax of the year is the trip to St. Louis.

LATIN CLUB: J. McMullen, B. Bergman, G. Johnson, R. Oedewaldt, Mr. Oberle.

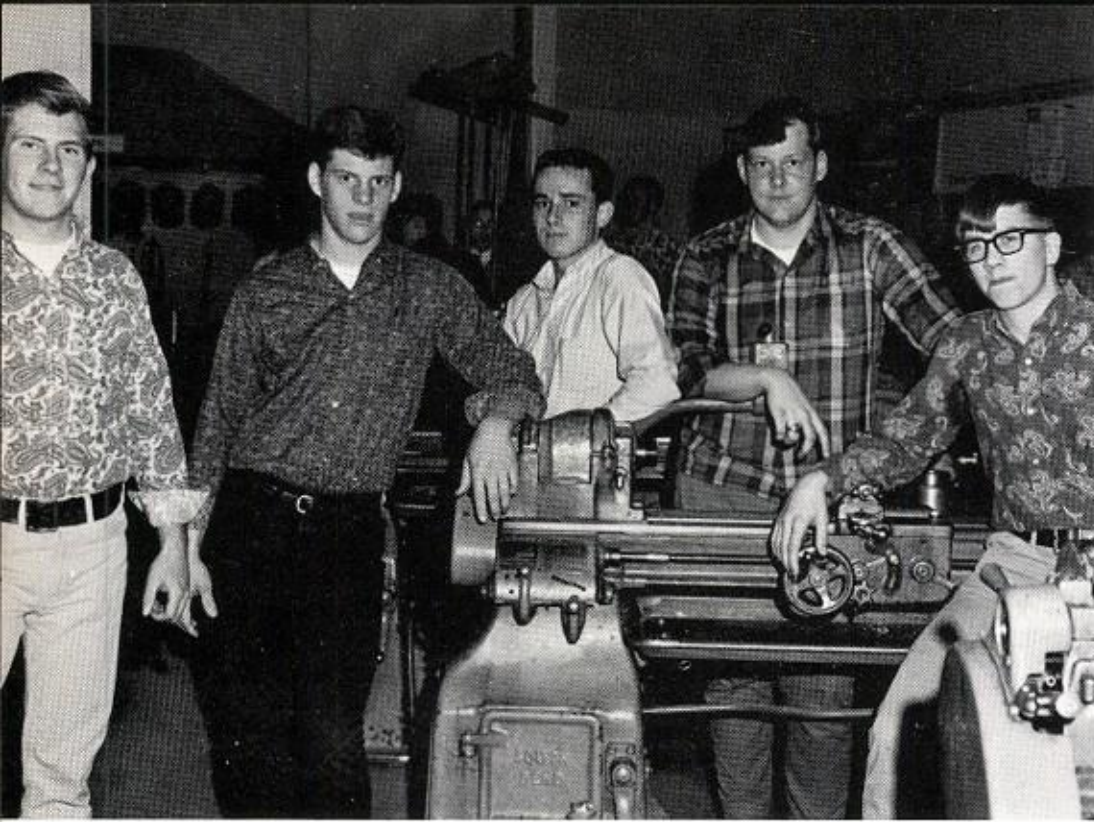

"Los Alegres," the Happy Ones, is the name of the Spanish Club at Limestone. The Happy Ones try to further their interest in Spanish speaking people by having speakers and seeing slides from Spain and the Latin American countries. Every year they have a Spanish Club Christmas party with a pinata. All members are presently taking Spanish or have had at least one year. In school activities the members have had a car in the homecoming parade and a booth at the annual carnival.

All Spanish students strive for membership in the Spanish Honor Society. To gain this honor a student must earn a straight A average semester for two years. If a student goes on to three years, he may earn membership if he has at least five A's and one B. Mr. Jack Clinton is the group's adviser.

SPANISH CLUB: Top row: Mr. Clinton, M. Stevenson, D. Mitchell, Mr. Monroe. Bottom row: M. Aldrich, E. Grove, C. Mingee.

INDUSTRIAL ARTS: R. Larson, V. Carroll, A. Bryant, B. Lehman, D. Crank.

## Progress Through Skills and Abilities

The Industrial Arts club is open to all boys who are enrolled in shop courses. It offers an opportunity for boys to investigate this field as a career. They make things to sell and participate in the Homecoming parade. The Limestone Industrial Arts Club is affiliated with the state organization of Industrial Arts Club.

Fur, Fish and Game is a club for boys who are interested in hunting, fishing, and trapping. The boys have various contests throughout the year. In the fall they hunt fox, pheasant and racoon. Then they measure the tails to see who has the longest one. The highlight of the year is a trip to Springfield for a fishing derby.

One of the highest honors a student at Limestone can have is to be selected to become a member of the National Honor Society. This group is selected by the faculty on the basis of character, scholarship, leadership, and service.

## FSA, Girl Friday Chess Club

Girls who are interested in going into the world of business can join the Future Secretaries of America. Besides being interested in business, a girl must also have a B average in business courses and at least over-all C average. The club has membership not only from Limestone but also includes members from East Peoria, Academy of Our Lady, and Bergan High Schools.

The Chess Club, which is under the advisement of Mr. Rahn, is a small group of boys which meets whenever they feel like playing chess. These boys have taken the initiative to form their own club after the club was dropped from the regular school schedule of clubs.

Girls Friday is an honorary club for future secretaries at Limestone. The club has had a bake sale this year and went caroling in the Bartonville area on December 22. All members of this club must have an over-all B average. The club, which is essentially a service club, is under the sponsorship of Miss Jean Risen.

CHESS: Gene Stevens, Mike Roe, Larry Estep.

# Limelight More Controversial

Pressured, frantic, and inspired, the Limelight staff has toiled first hour all year long to provide our student body with information and entertainment. This year a new column, "Comments and Opinions", has brought our criticisms and comments about the conduct and activities of the student body. Another new feature this year was a front page article in each issue honoring a deserving teacher. Many hours have been spent editing the sports page. Pictures of many exciting games were featured and all sports have been stressed. Another popular feature has been the "Senior Spotlight". Each issue of the Limelight accents two seniors who did outstanding work during their years at Limestone.

This year the staff has been somewhat handicapped by the fact that the newspaper had to be sent out of town to be printed. They have worked very hard to produce a good paper for the student body.

Staffers maintain fast pace to meet deadlines.

Limestone High School Band for 1966-67

## Band Invades Chicago

The Starlighters, Limestone's dance band, are members of the varsity band who have shown exceptional talent. This group performs for various social functions throughout the year.

Trombone players Bob Pirtle and Art Palmer

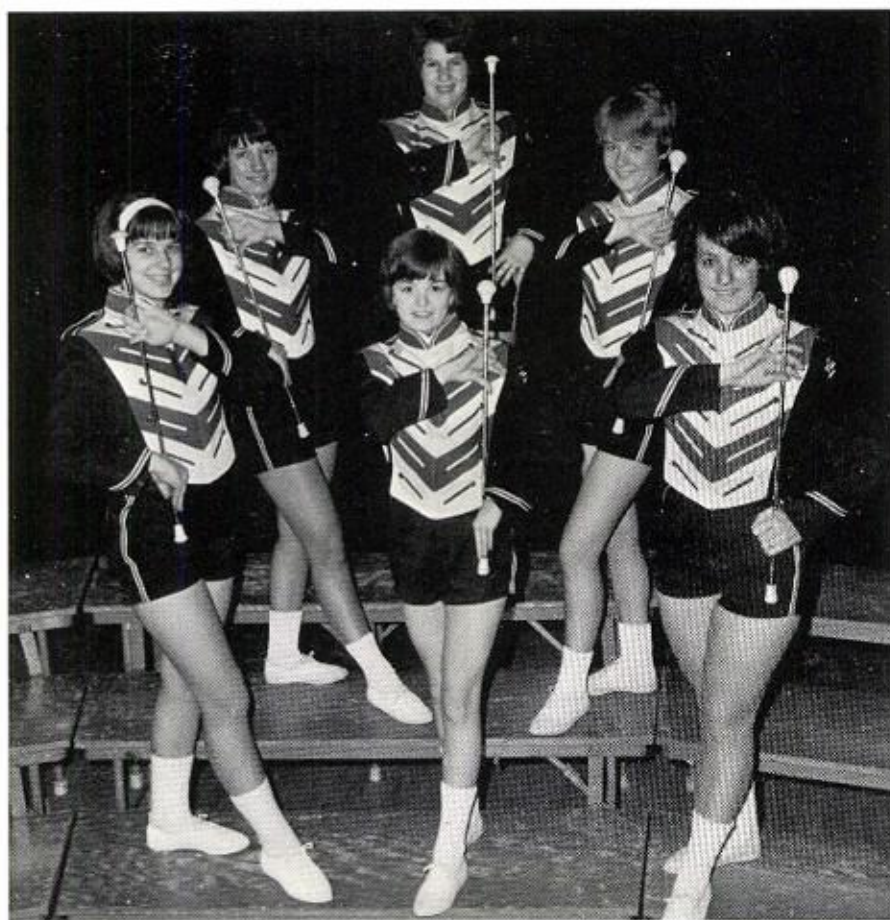

Starlighters concentrate on dance music.

Emma Wittig plays the flute.

MAJORETTES: Top row: T. Cooper. Second row: V. Goodapple, M. Halsted. Bottom row: D. Loeffel, D. Goodapple, P. Booe.

## Band Upholds High Standards

"76 trombones lead the big parade with 110 cornets right behind." Well not quite that big, but just as mighty. The varsity band performs at all home football and basketball games. To raise money for their spring trip, the band put on a variety show in the fall and sponsored several bake sales during the year. Besides earning money the band was also busy marching in several parades during the year, including the Homecoming, Santa Claus, Veterans Day, and United Fund parades. The climax to the year was the bands hard earned trip to Chicago.

Carol Borland plays the clarinet.

Band Director, Mr. William Morse, has completed 14 years of service to Limestone.

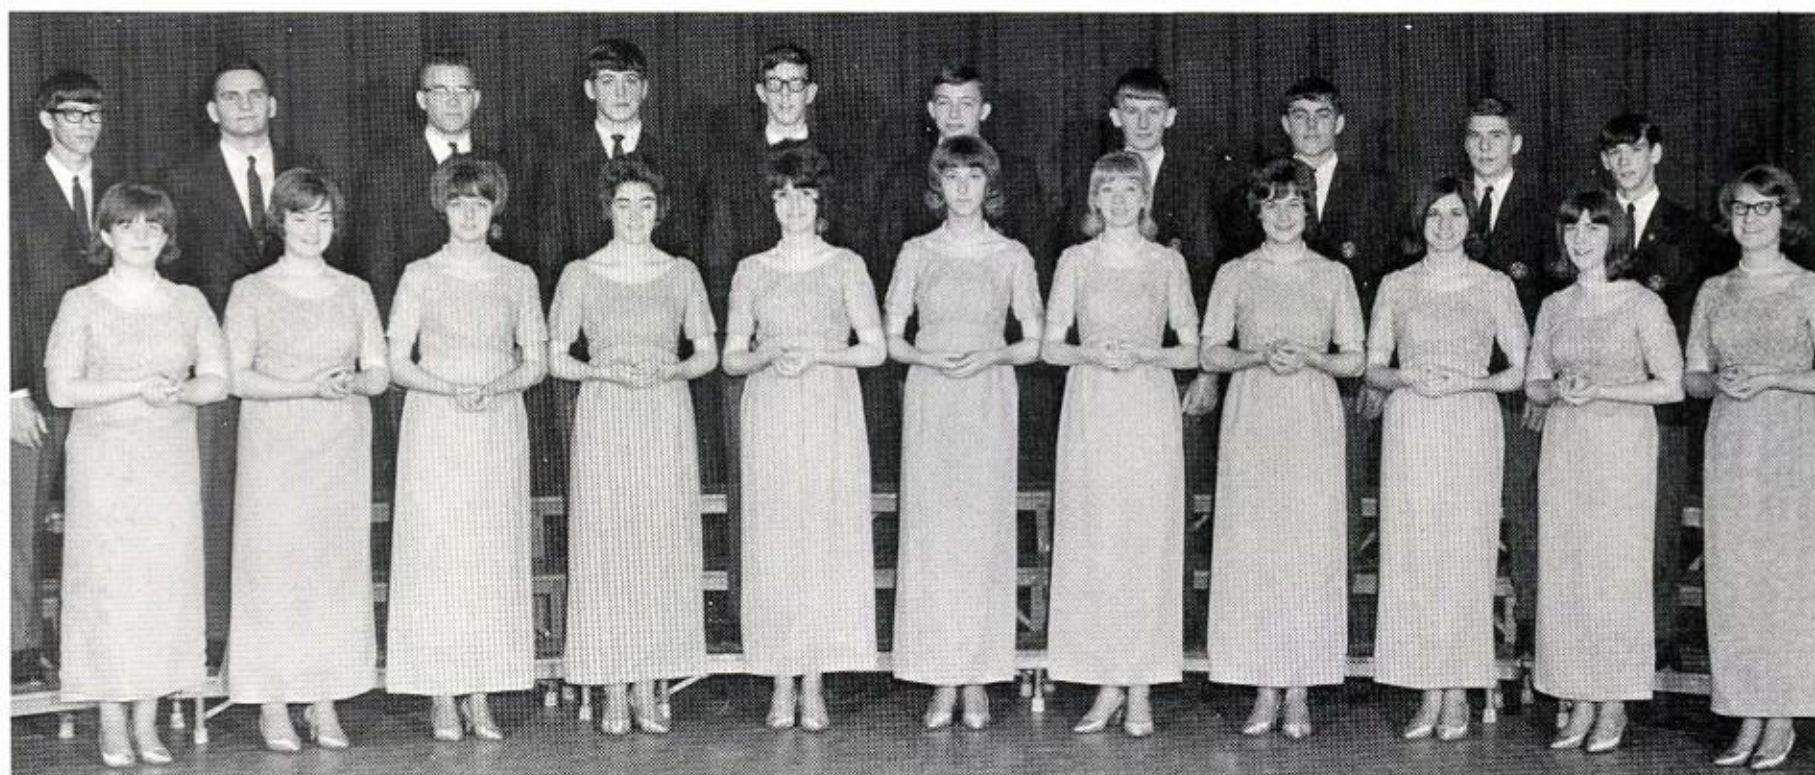

Band members prepare to board bus for Chicago.

Limestone hosted the Choral and Orchestra Festival

The Varsity Choir is composed of students who have talent in voice. They meet everyday during sixth hour to prepare for a wide variety of activities and performances. One of the best in the Mid-State 9, the choir participated in the annual production of Charles Dickens', "A Christmas Carol," staged at The Scottish Rite Cathedral. Other appearances included: The Christmas Pageant, tour of the grade schools, Mid-State 9 Choral Festival (held at and hosted by Limestone) and the Easter Assembly to mention only a few. The choir picnic is the usual climax of an active year in which the varsity, sophomore and freshman choirs delight.

A group of 18 highly talented vocalists are the Limestone High School Rockettes and Rocketeers. This group which is selected from the varsity choir sings at many organizations and club activities throughout the year. They have entertained at the Booster's Club, back to school night for parents, the homecoming variety show and at intermission at the Junior prom. This group practices everyday during 5b under the direction of Mrs. Krumpe.

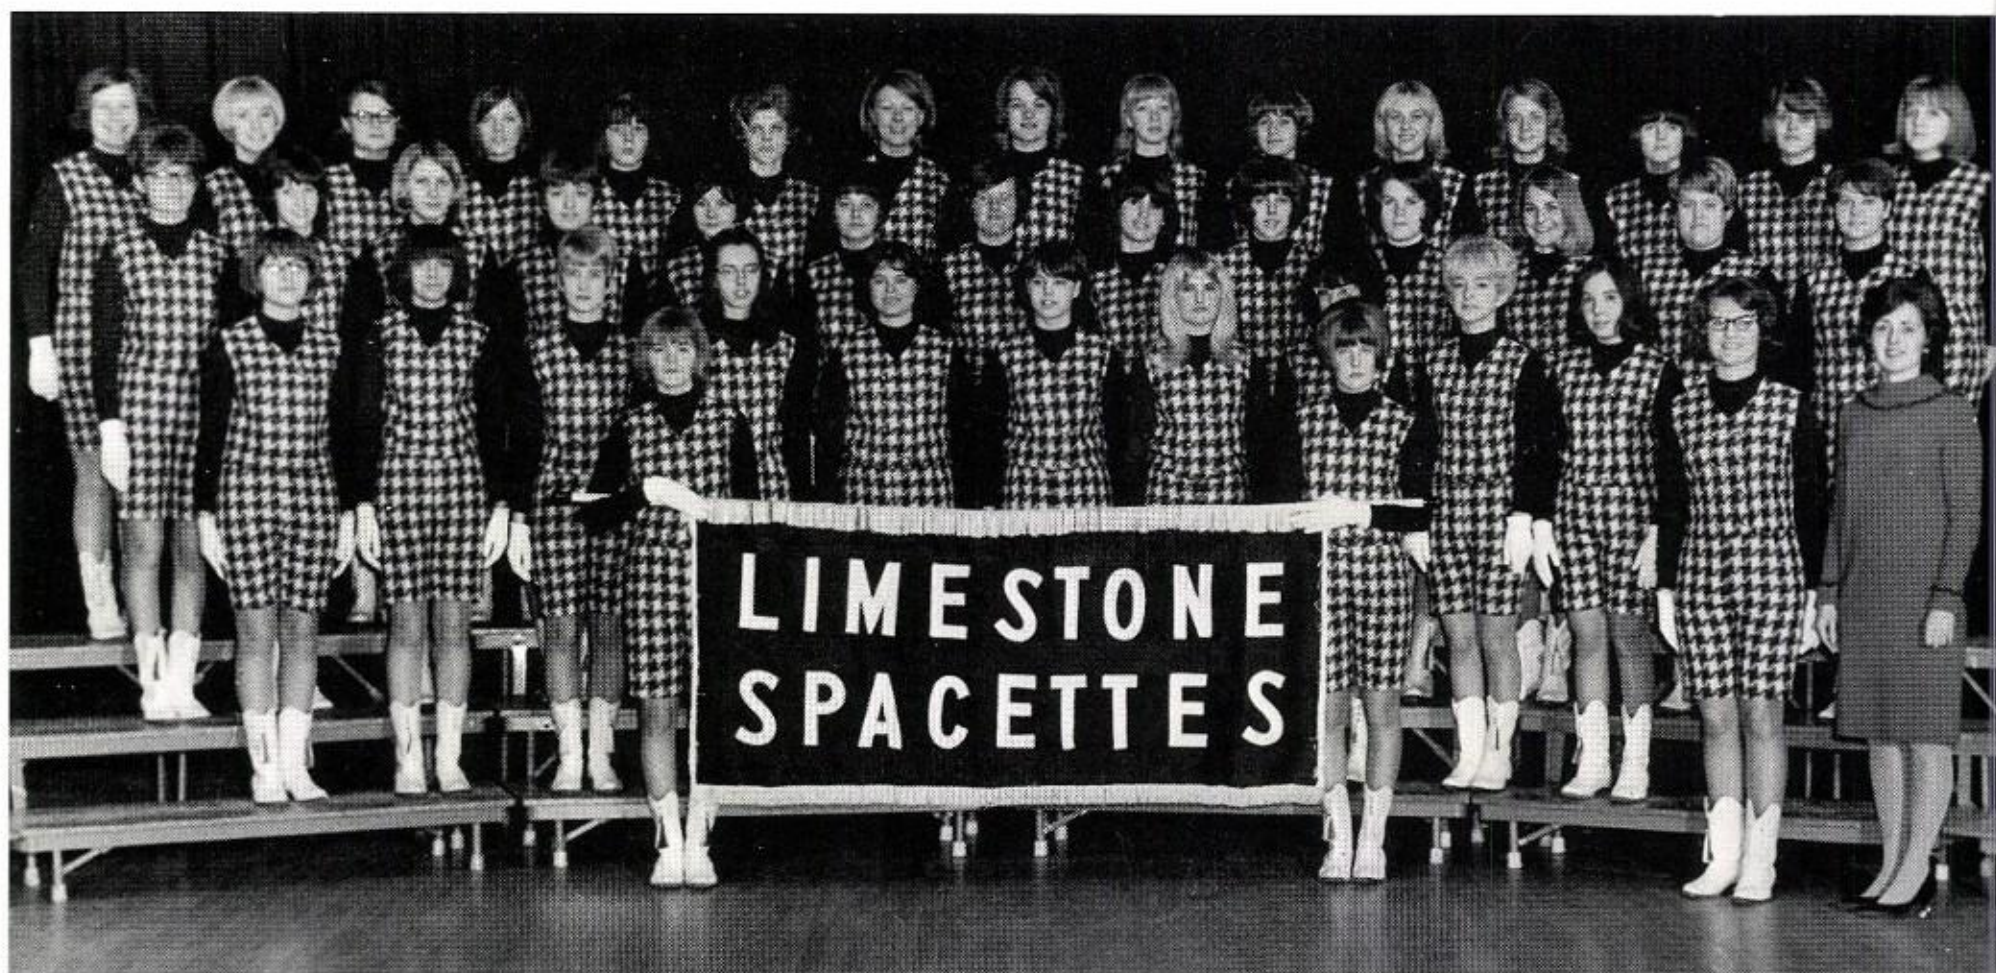

# All Girl Groups Serve & Perform

USHERETTES are chosen from the top third of the sophomore class on the basis of willingness to serve the community, availability, and appearance. They serve at football games, Homecoming Variety show, graduation, baccalaureate, and school plays. They serve the community by ushering at Peoria Players and Broadway Theater League.

"Left! Left! Left, right, left!" This is a call familiar to the Spacettes. They marched in the Homecoming, United Fund, Veteran's Day, and Santa Claus parades. They also provided half time entertainment at many basketball and football games including the Homecoming football game. The girls elected Wanda Lauterbach as their captain this year; Mrs. Alice Vinton is their adviser.

# Fun, Spirit, and Physical Fitness

Every Tuesday afternoon a bus leaves the LCHS parking lot bound for the Peoria Auto Parts Bowling Alley. Our bowling teams are off again! Under the sponsorship of Mr. Conrad Hopp, the bowlers are organized into teams which compete with each other. At the end of the year the bowlers have their awards dinner and honor the winning teams and high scorers.

The purpose of the Girl's Athletic Association is to help keep girls physically fit while having fun. Their activities vary with the seasons. They play softball, soccer, and they go swimming at the YWCA. They also have trampoline and tumbling. They have a slumber party and play days with girls from other schools.

The largest and one of the most active clubs at Limestone is Pep Club. Their aim is to promote school spirit. They are in charge of all pep assemblies. Their money making projects include selling shakers, holding a chili supper, and sponsoring an after game dance at both football and basketball games. They sponsored Parents Night, Meet-the-Rockets, and a sock hop.

What goes into a yearbook? The time, talent, energy, and enthusiasm of a hardworking staff combine together to produce a picture record of the academic and extra-curricular life of the passing year.

Starting in August the staff huddles on decisions for the coming yearbook—theme, cover, division pages, ideas for copy. Then come the long hours around the big table in room 31 drawing page layouts, choosing pictures, writing headlines, typing copy, and meeting deadlines. On that eventful day in June, when the last pages of copy are sealed into a big brown envelope and mailed to the printer, the staff breathes a sigh of relief and hopes that its efforts will be rewarded with a yearbook that will long be remembered by the students whose high school life it has portrayed.

This year's adviser is Mr. Michael Rule, and the editor is Patricia James.

Through the determined efforts of Coach George Kasap, Limestone finished with a tremendous record.

Jubilant varsity coaches Riggensbach, Kasap, and Euteneuer deserve a pat on the back.

# in History of Limestone High

Limestone came from behind to defeat the SPALDING IRISH in the first game of the season 23-14. After trailing 7-6 at half-time, the Rockets' defense held Spalding to a net of two yards rushing and put up another two touchdowns along with Jack Hyde's field goal.

This was the Rockets' first win over Spalding and put the Rockets in first place with a 1-0 record. Touchdowns were made by Denny Williams on a pass from halfback Dave Cruikshank, and Bill Pippin scored another before Cruikshank got into the act. All this was surrounded by a 28-yard field goal by Hyde.

Limestone got on the victory column again in winning its second game of the season, beating CENTRAL 14-7 at Peoria Stadium. The Rockets came from behind losing 7-0 at half-time to defeat Central for the first time in school history. The Rockets were 2-0 in the conference and 2-0 overall, and in first place.

Limestone extended their winning skein to three games when they defeated BERGAN 21-6 on the Rockets' home field. The Rockets were 3-0 and still in first place in conference play. The win tied the school's longest winning streak at three games.

Bob Koeppel scored the first Rocket touchdown from two yards out the first time that LCHS had the ball. Hyde's kick was good for a 7-0 lead. Then Mike Graham scored from the one yard line in the third period for a 13-0 lead. Hyde's kick made it 14-0. Before the game was over Dave Cruikshank ran a 33-yard halfback draw play for a touchdown and again Hyde's kick was good for a 21-0 lead.

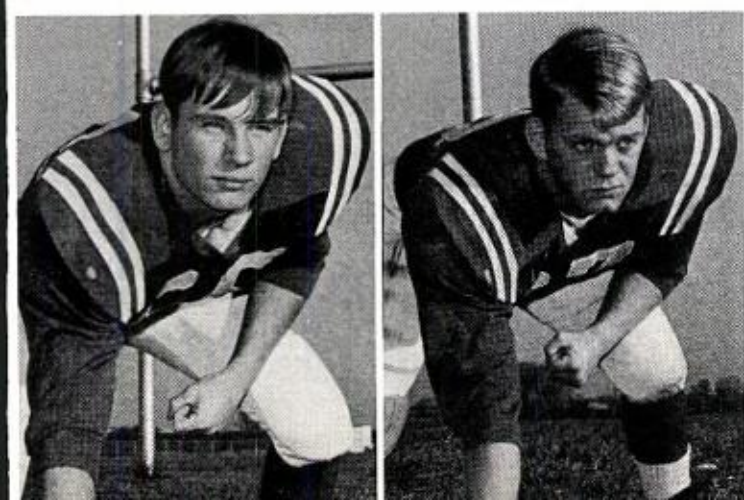

Then Bergan got a touchdown in the final quarter on some good passing. The final score read 21-6.

Bill Gibson carries the ball for another yardage gain.

The fighting spirit of the Rockets prevailed through the hard-fought game.

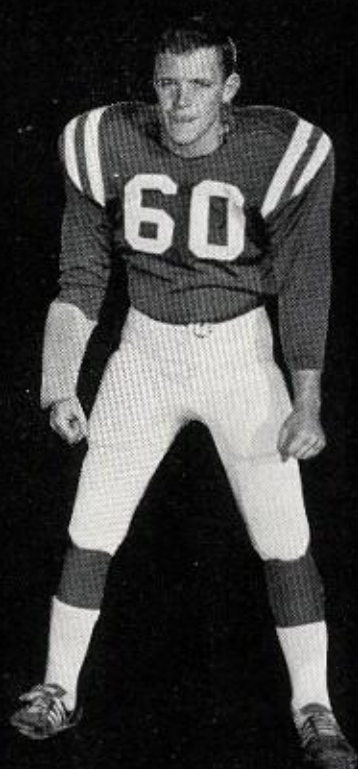

Co-captains Mike Short (L) and Jack Hyde (R) were elected to the Mid-State 9 All-Conference team, Mike as a linebacker and Jack at offensive guard. Both were also elected by their teammates as the most valuable players of the season.

# 14 Seniors Complete Competitive Campaign

Limestone suffered its first loss of the season in a first place battle with MANUAL 10-6 after a 6-3 halftime lead.

The loss put the Rockets in second place at 3-1. Manual scored on a 28-yard field goal in the first quarter, with both defenses holding good. Then Limestone moved the ball into Ram territory and scored on a pass from Bill Gibson to Denny Williams. The kick failed and the Rockets led 6-3 at halftime. Taylor's 75-yard touchdown and Crook's extra point put Manual on top.

Limestone's defense held EAST PEORIA to seven points on a wet, muddy, cold turf and defeated the Raiders and their homecoming bid 19-7. The win upped the Rockets 4-1 in conference play, and kept them in the thick of the race.

The Rocket defense had a hand in two of the three touchdowns. Mike Short recovered a fumble and Koepfel made the run for the final seven yards. Hyde's kick made it 7-0.

Then Limestone dropped the Raiders for loss after loss and blocked a punt to set the ball up in good position. Then Gibson handed off to Koepfel who tossed back to Gibson for a 42-yard touchdown. The half ended 13-0. Later in the second half, Gibson threw to Koepfel for a 32-yard touchdown and ended the Rocket scoring at 19-0 before the Raiders finally scored.

Throughout the entire season the Rocket gridders displayed an outstanding desire for victory.

# Rockets Pulverize Pekin

RICHWOODS used the strong running of halfback Dave Lanier to defeat Limestone 19-13 and win their homecoming at Endres Field. The loss left Limestone at 5-2, all in conference play.

Richwoods got a touchdown on their first series of plays and their other two came on an intercepted pass and a blocked punt which set up their other two scores.

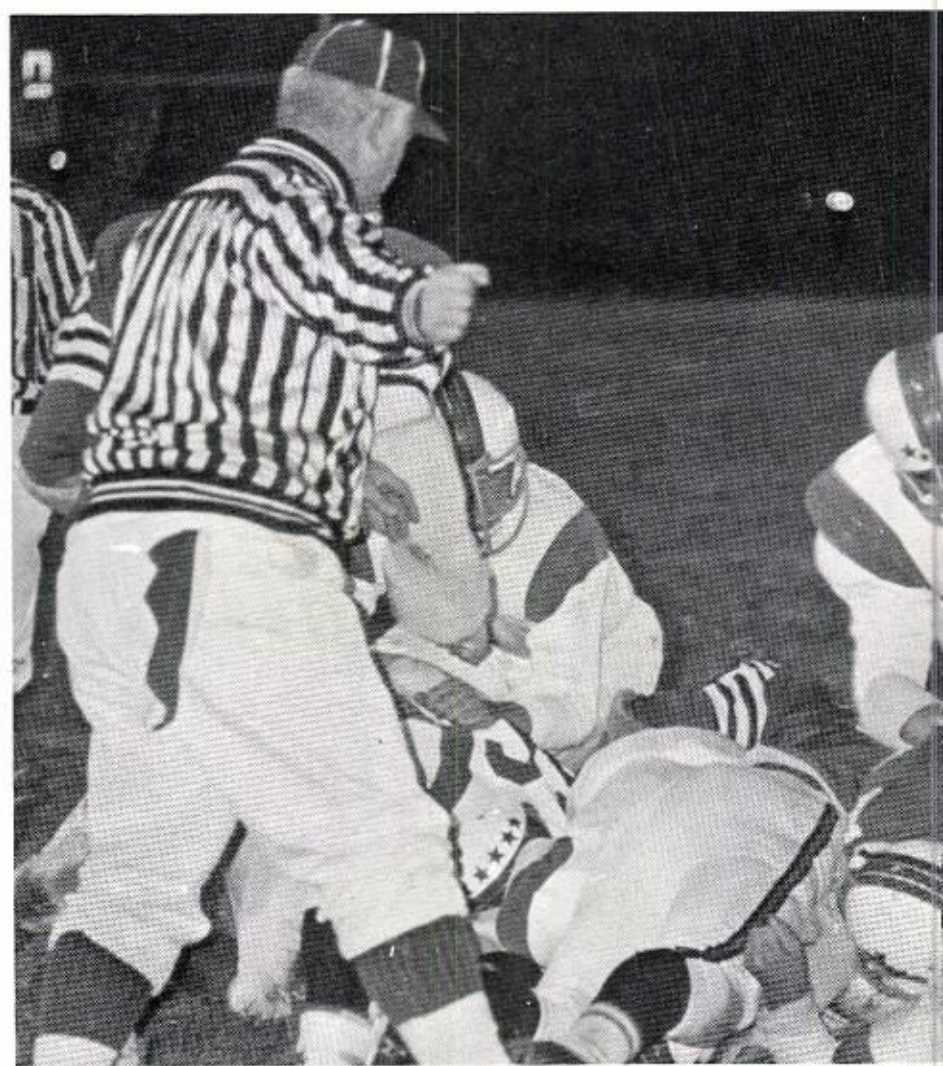

Touchdowns were made for Limestone by Mike Graham on a pass from Pippin. Then late in the game, with the Rockets trailing 19-7, Denny Williams caught a 65-yard touchdown pass. The onside kick failed and the Knights ran out the clock.

A determined Limestone football team went out on their home turf to power their offense and engineer their defense to a 27-0 win over the first place PEKIN Chinks. The Rockets dominated the entire contest on both offense and defense.

Rocket scoring came on a one-yard dive by Pippin, and Hyde made it 7-0. Then before Pekin could get going, Slater had intercepted a Martin pass that was deflected by Tom Birkett and ran it back 43 yards. The kick failed and Limestone led at halftime 13-0.

Then in third quarter, Gibson hit Terry Kohlbuss with a perfect 27-yard pass and the Rockets led 19-0. Hyde make it 20-0.

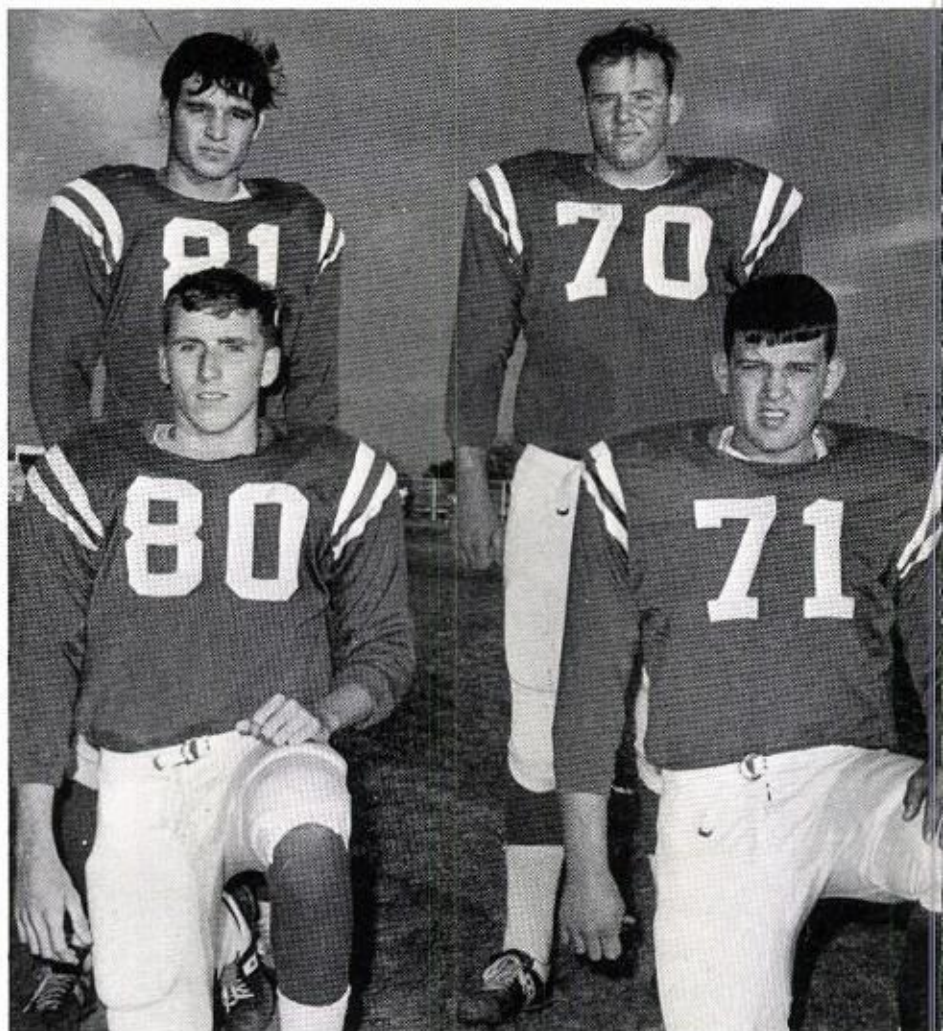

The final score came when tackle Slater got his second score of the game on a fumble recovery that went for 62 yards. Hyde's kick made it 27-0. Limestone's defense was great in that they held Pekin in cold and caused seven fumbles. They were recovered by Short, Bragg, Hyde, Edwards, Slater, Zachman, and Edwards in that order.

Limestone's powerful offense gained many a first down like this one against Pekin. The Rockets plowed Pekin 27-0.

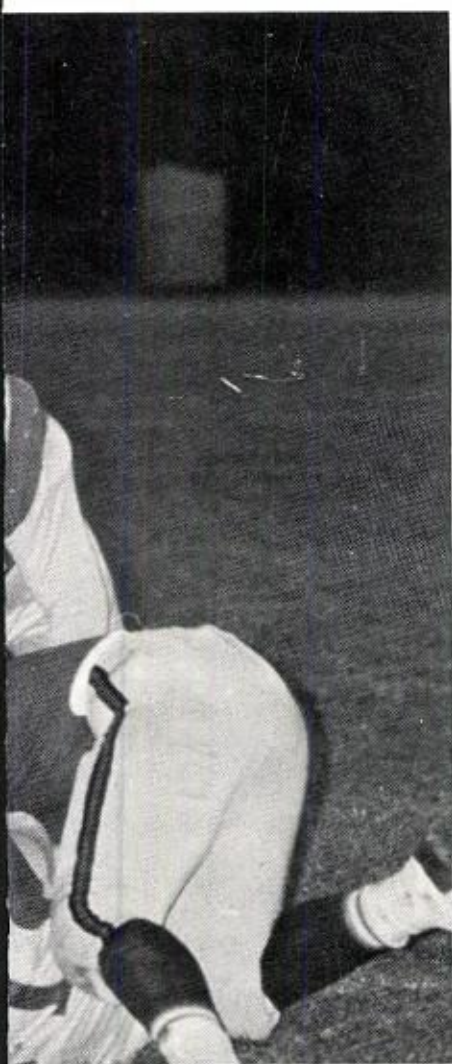

"All for one and one for all", is the returning juniors' motto. They are Bob Koeppel, Dave Boucher, Mike Graham, Bill Gibson, and Denny Williams.

Back next year to help the Rockets continue their winning streak will be Gary Ligenfelter, Dan Cruickshank, Mike Hughes, and Gary Sleister.

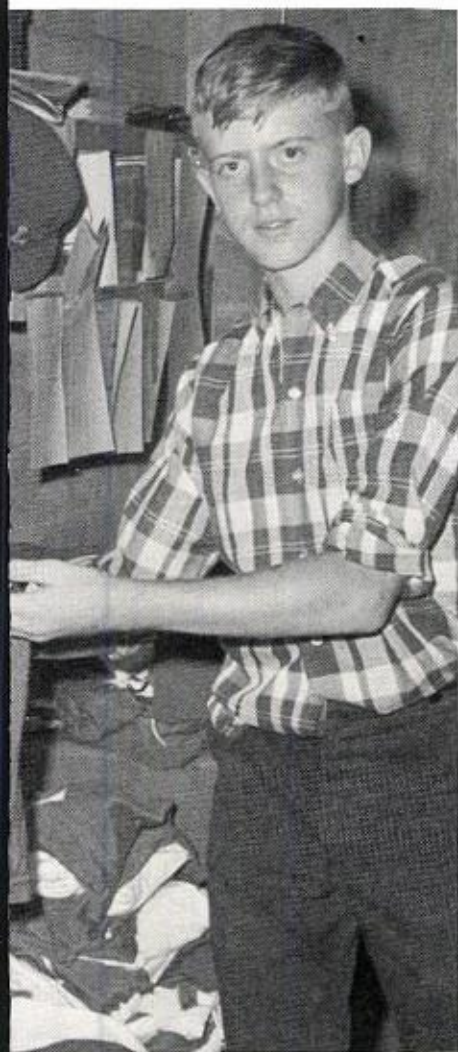

# in Season Highlight 27-0

Earl Cochran, student trainer under Mr. Rule, did an outstanding job in the injury department.

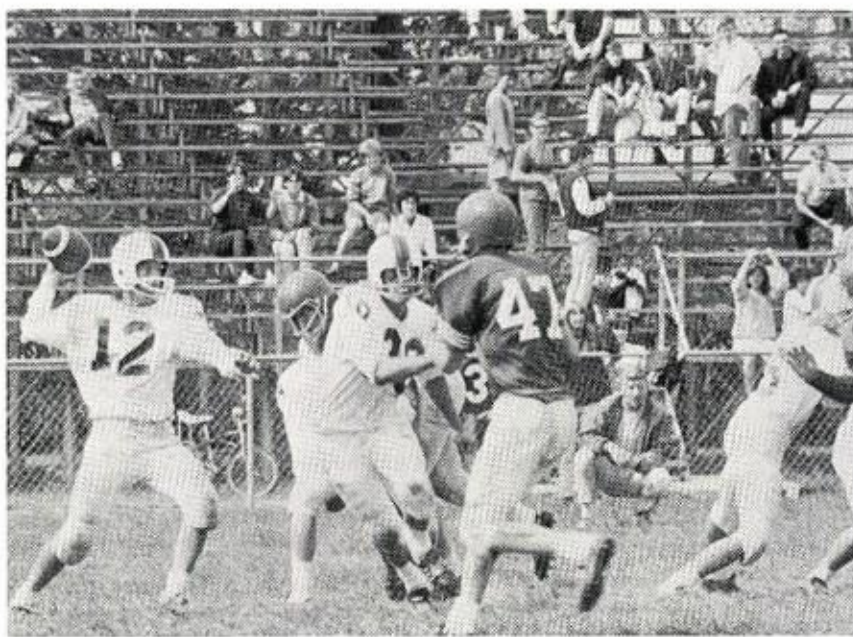

Varsity manager Chuck Hartseil proved to be a great asset to Mr. Kasap as general trouble shooter.

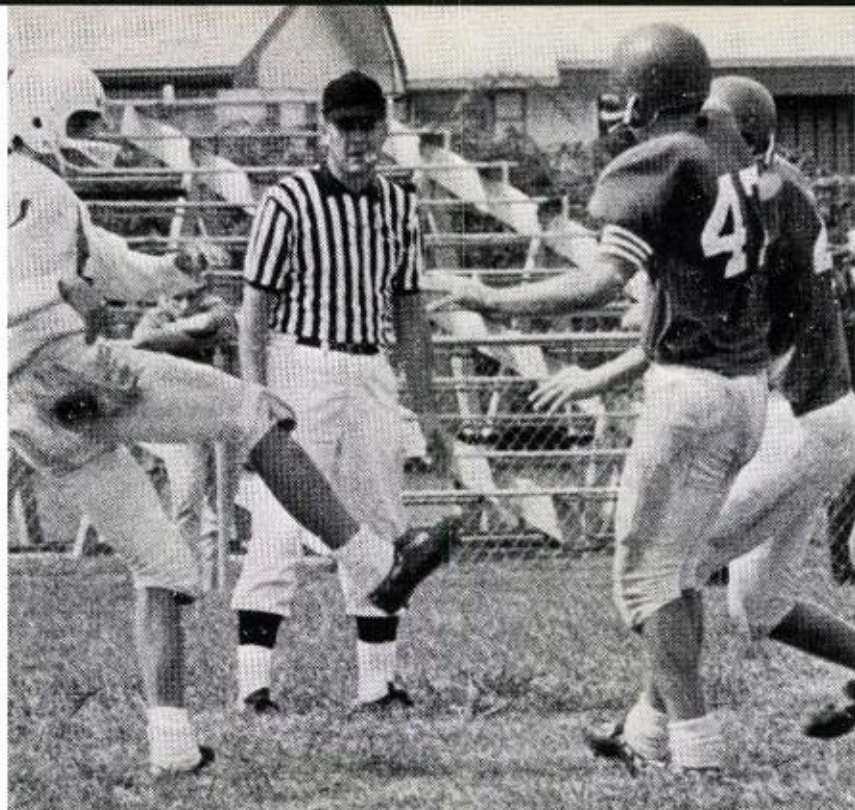

Bucking the two-man sled, Hudson and Hyde take Coach Euteneuer for a ride during one of those grueling practice sessions.

Dennis Ricca, another outstanding varsity manager, turned in a year of work that also benefitted the squad.

Gary Wendelin attempts a punt in one of the sophomores' hard fought games.

Jon Henderson punts for the extra point.

The 1966-67 varsity basketball team proved its prowess and fighting spirit by coming back to win a series of four games after a hard streak of bad luck. The overall record of the team was not quite as good as the ones in previous years, but they did have the best fighting spirit of all the teams in recent years past.

The overall record of the squad this year was an average 11-14, but it was a record to be proud of. The record for the Washington Holiday Tournament was 1-1; they succeeded in capturing a third place. In the Danville Holiday Tournament the squad was eliminated and in the Regional Tournament held second place with a 2-1 record.

The outstanding players this year were all starters. The best defensive player was Dave Cruikshank. Bob Koeppel had the highest free throw percentage. The most valuable player award ended up in a tie with Bob Koeppel and Bill Pippin the winners. For the first time in Limestone's history identical twins, Kenny and Denny Brinker, served as co-captains.

## Freshmen Mid-State 9 Champions

The year of 1966-67 proved to be a very fine season for Coach Johnson's freshman basketball team. They blasted their season with a 12-2 conference championship. The overall record was 13-5.

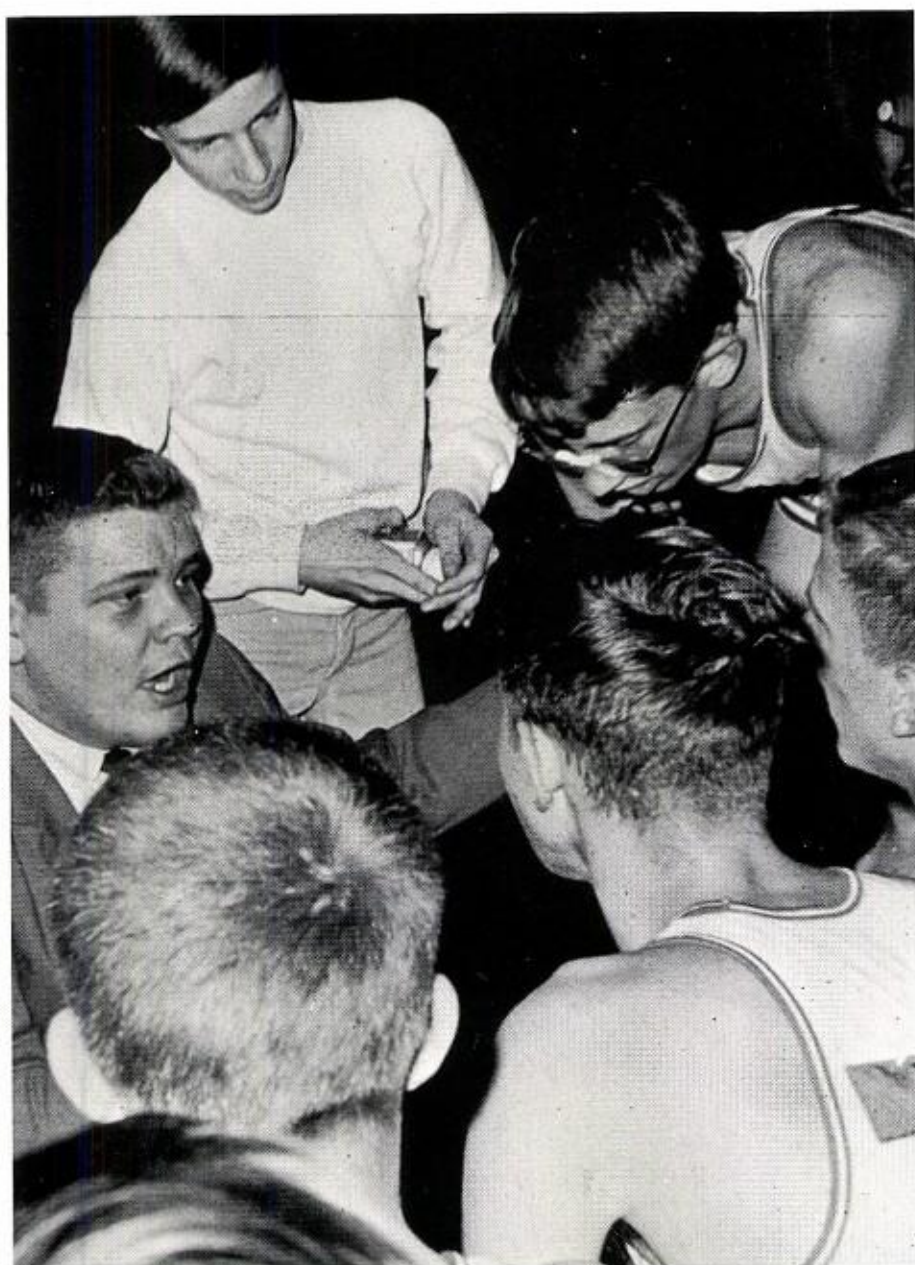

Height and a fine attitude were some of the reasons for their fine success. Rebounding was the main key, though.

The leading scorers for the kings of the conference were Steve Nelson with 195, Ron Quinn with 182, and Bob Norman with 175.

The first year Rockets used a 2-1-2 and a 2-3 single post offense. On defense they were battering down the other teams with a man-to-man fight.

Coach Johnson said: "This was a team that needed little encouraging; they did it themselves—for a freshman team we averaged near 40% from the field, which is very adequate."

The coach now has a three year record of 29-25 and hopes to own another one just like this one next year.

Coach Negley and manager Mike Roe check the running times of the cross country runners.

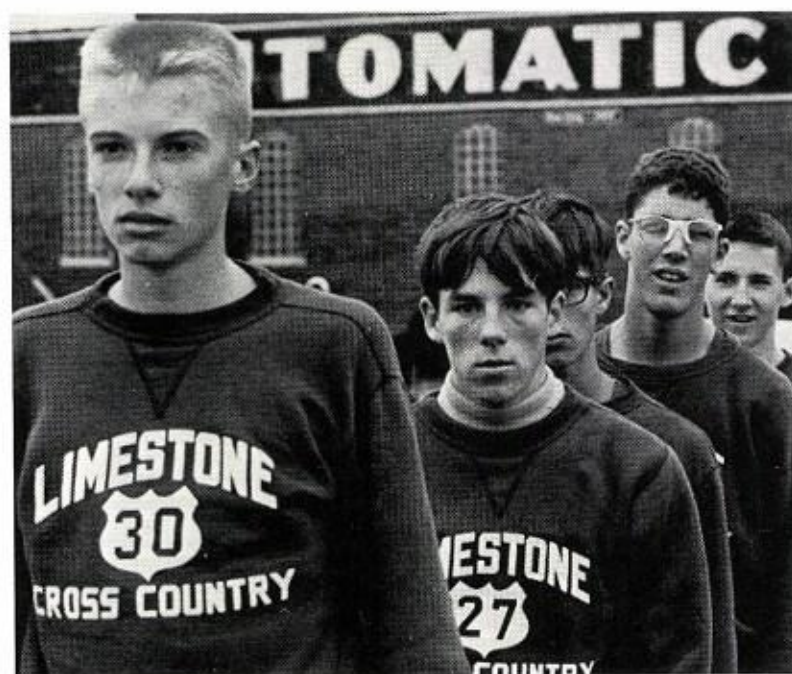

John Rudloff was elected most valuable by his teammates for his outstanding running ability.

A valuable asset to the cross country team Larry Closen and Larry Von Behren will see one more year of competition.

Larry Closen, John Rudloff Larry Von Behren, Chuck Schulze and Mike Madison eagerly await competition.

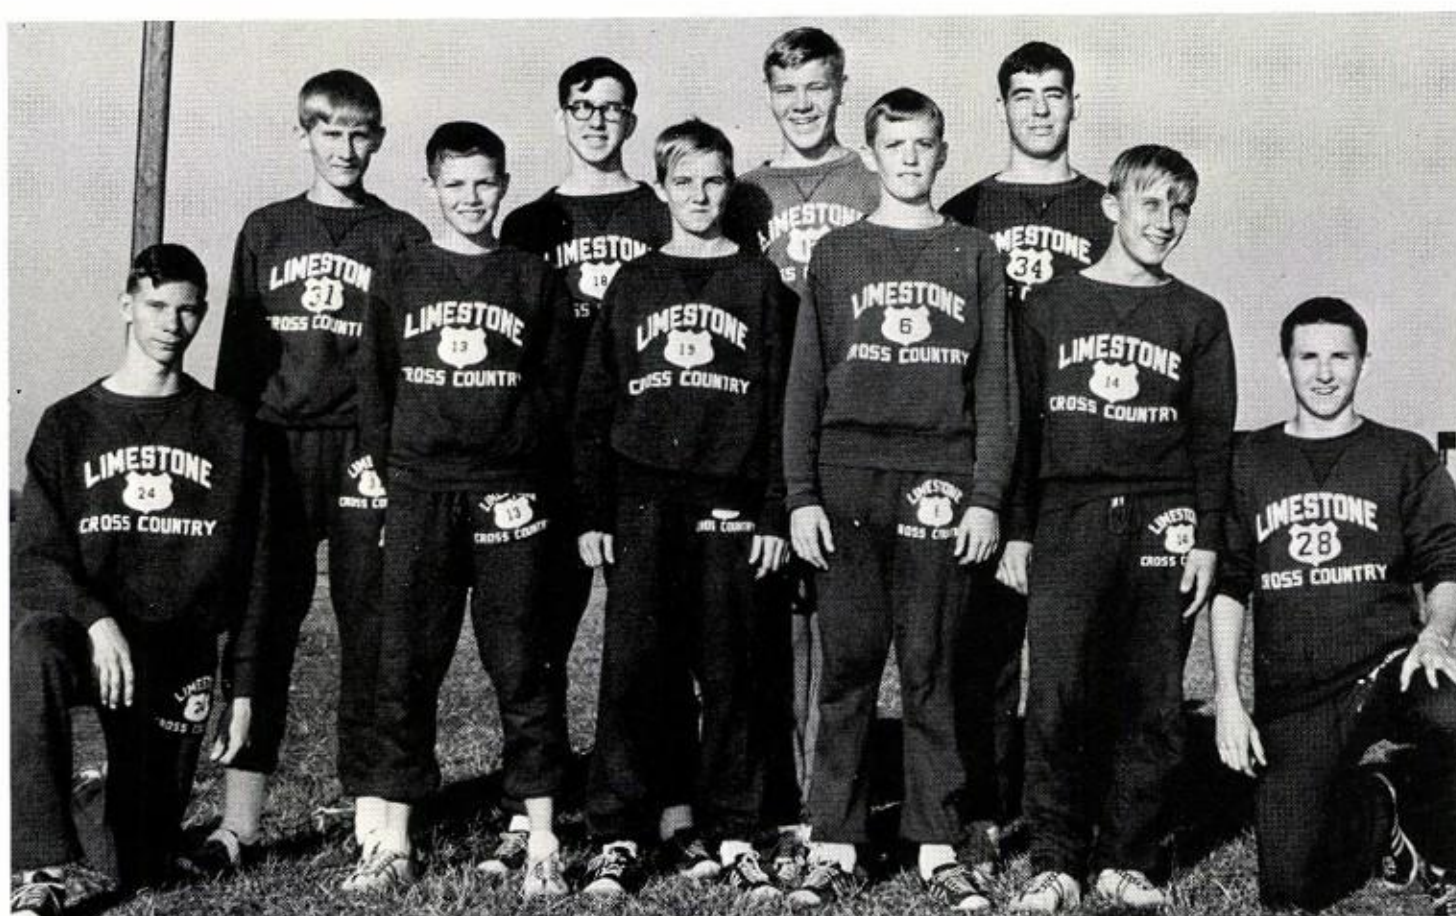

This year the Varsity Cross Country team finished with a 4 win; 6 loss record for the 1966 season. The team also tied East Peoria with a 29 to 29 score.

Paced by senior John Rudloff, junior Larry Closen and team captain Larry VonBehren, the squad was unable to find a consistent fourth and fifth place runner. This lag caused the team to fall below the expected season outcome.

The cross country team is looking forward to the 1967 season when two outstanding lettermen will return along with a number of sophomore hopefuls. This combination should prove more successful than the '66 season.

Junior Don Beaver, wrestling at 95 lbs., finished second in the Illinois Conference, third in Mid-State 9, second in District, third in the Sectional ending with a season record of 17 wins and 6 losses.

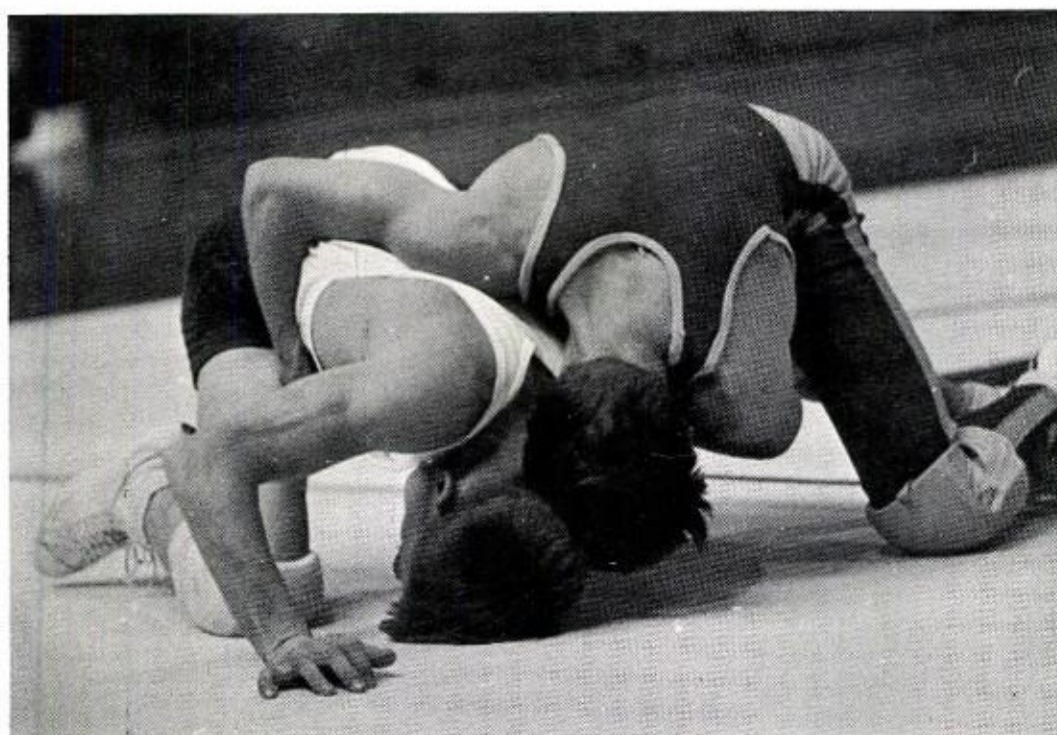

## 7 Challenge District

Seven of Limestone's twelve varsity wrestlers competed in the 1967 District Tournament in the Limestone gymnasium. Even though their season record in dual meets was a sad 4 wins to 17 losses those wrestling in the District placed in the top three births. The varsity wrestling squad was led by junior Don Beaver, who placed third in the sectional competition with a composite record in dual meets of 17-6. The biggest victory for the Rockets was over new Mid-State 9 competitor Bergan. A score of 47 to 3 heralded the match for the Rockets.

Don Beaver applies pressure toward another victory.

## Grapplers Improve

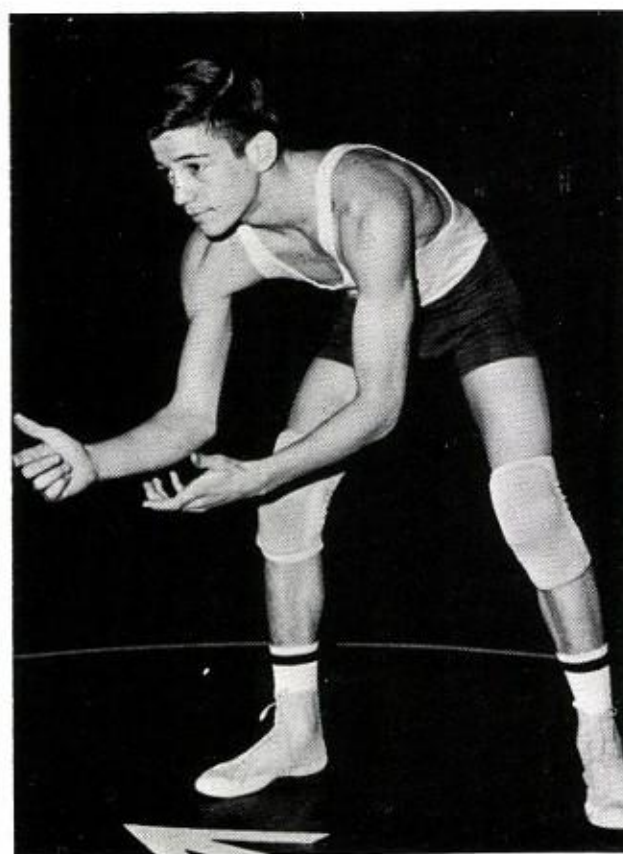

Wrestling at 133 lbs., Glen Huff captured a first in the Illini, second in the Mid-State 9, and third in the District.

Rick Schultz, wrestling at 120 pounds, finished the season with an 8 win 13 loss dual record taking third place in District competition.

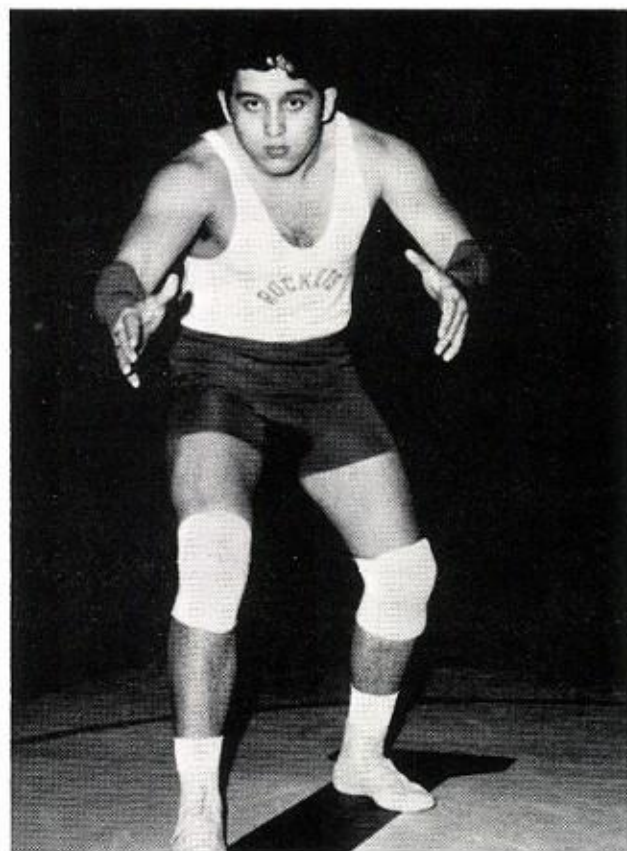

Capturing fourth place in the Mid-State 9 and second place in the District was 103 pound Phil Borland, with a dual meet record of 10 wins and 9 losses.

Wrestling at 112 pounds was junior Steve Roof. He placed second in the District competition finishing with a 10 win, 9 loss and one tie dual meet record.

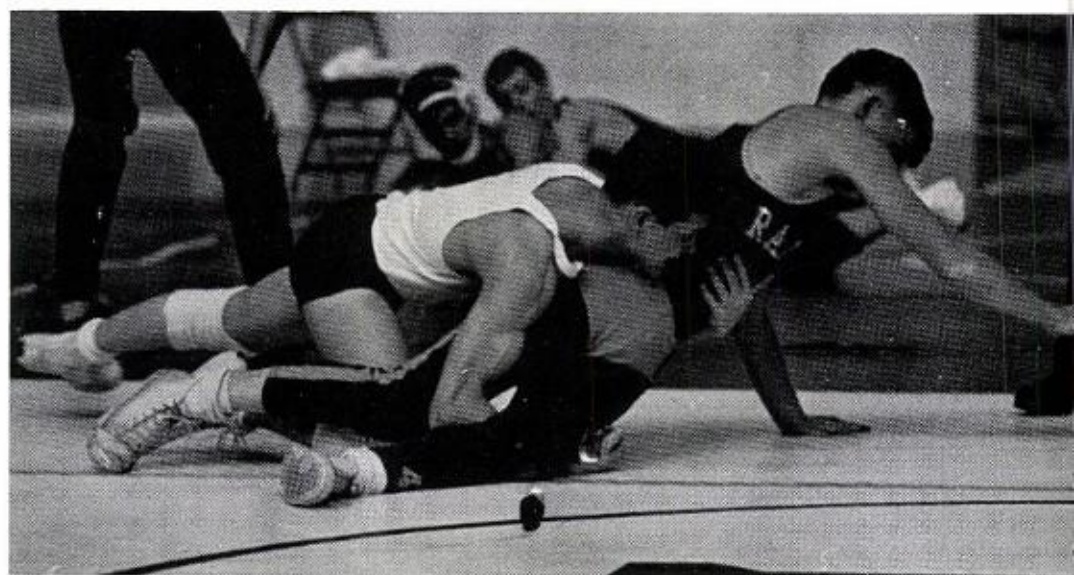

# Rockets Trounce

Heavyweight Dave Boucher captured third place in the Mid-State 9, and a first place in the District competition—finishing with a 12 win and 10 loss dual meet record.

Co-Captain Mike Short was a good defensive second baseman and helped out the offense by hitting .275.

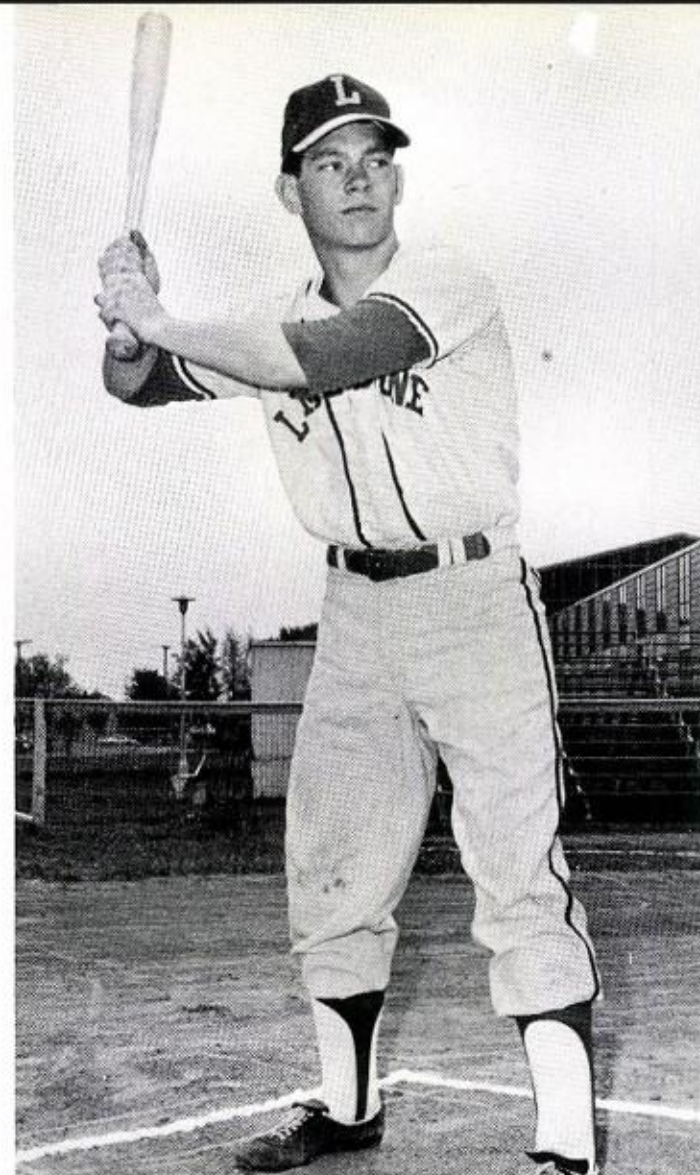

Playing third base for the Rockets and hitting .212 was Senior Arnold Burger.

# Cochran Captures Griffith Award.

Hitting .348, winning a place in the outfield of the All-Conference Team, and being elected a co-captain of the team was Senior Earl Cochran.

Junior Mike Graham played defensively for the Rockets in the outfield and batted a 263.

Junior Bill Gibson hit 3 homeruns for the Rockets this year and was elected to play first base on the All-Conference Team. Bill batted .306 for the season.

# Rockets Finish Season 16-6

Junior Dave Zachman filled in at third base and helped out the Rockets by hitting .170.

Limestone's varsity baseball squad finished a fine year and highlighted the ending by winning first place in the Illini Conference with a 6-2 record. The Rockets also placed second in the Mid-State 9 Conference with a 12-4 record, and they were 16-6 overall.

Besides holding the honors of Illini Conference Champs, outfielder Earl Cochran, first baseman Bill Gibson and pitcher Bob Koeppel were named to the Mid-State 9 All Conference Team selected by the Mid-State 9 coaches and sports writers. Senior Bill Pippin was given special mention as a pitcher, and junior Denny Williams was given the same honor as a catcher.

Koeppel was the team's leading hitter with a .438 batting average. Koeppel also led the team with home runs hitting four. Bill Gibson lead the squad in RBI's with 17 hitting 3 homers to aid the team.

Pitcher's with records were Koeppel at 7-2, Chuck Schultz at 1-0, Tom Farrow at 2-0, Jim Showalter at 1-0, and Bill Pippin with a 5-3 record.

At the season's end Earl Cochran was voted the most valuable player on the squad and became the recipient of the Tom Griffith Award.

Team members seem unconcerned as they go on to another victory.

# Sophomores Mid-State 9 Champions

Again this year, the sophomore baseball team—under the fine coaching of Mr. Bob Churchill—completed its season with a Mid-State 9 Conference Championship. The squad finished with a 9-4 overall record and a 6-1 conference record.

Coach Churchill recognized the pitching of Dennis Landwehr and Jon Henderson as the best. This year's batting was better than average with Ken Cruikshank, Wayne Page, and Gary Wendelin the leading batters. Base running and pitching were the strongest points this year according to coach Churchill.

Coach Churchill talks it over with pitcher Wayne Page.

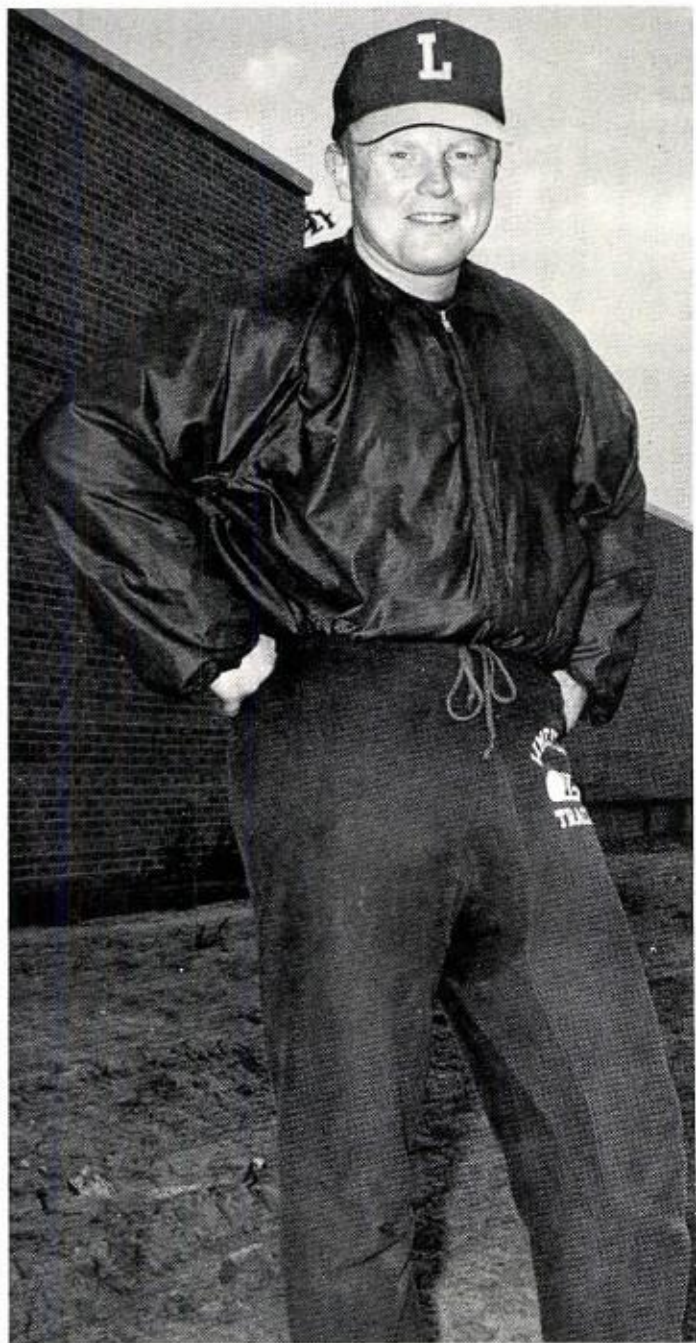

Much credit for the championship goes to these two fine pitchers: Dennis Landwehr and Jon Henderson.

Back row: D. Cochran, mgr., D. Borgra, P. Grisham, J. Henderson, S. Reakenwalt, G. Burk, S. Nelson, D. Landwehr. Front row: R. Quinn, J. Drollinger, G. Wendelin, K. Cruikshank, W. Page, Coach Churchill.

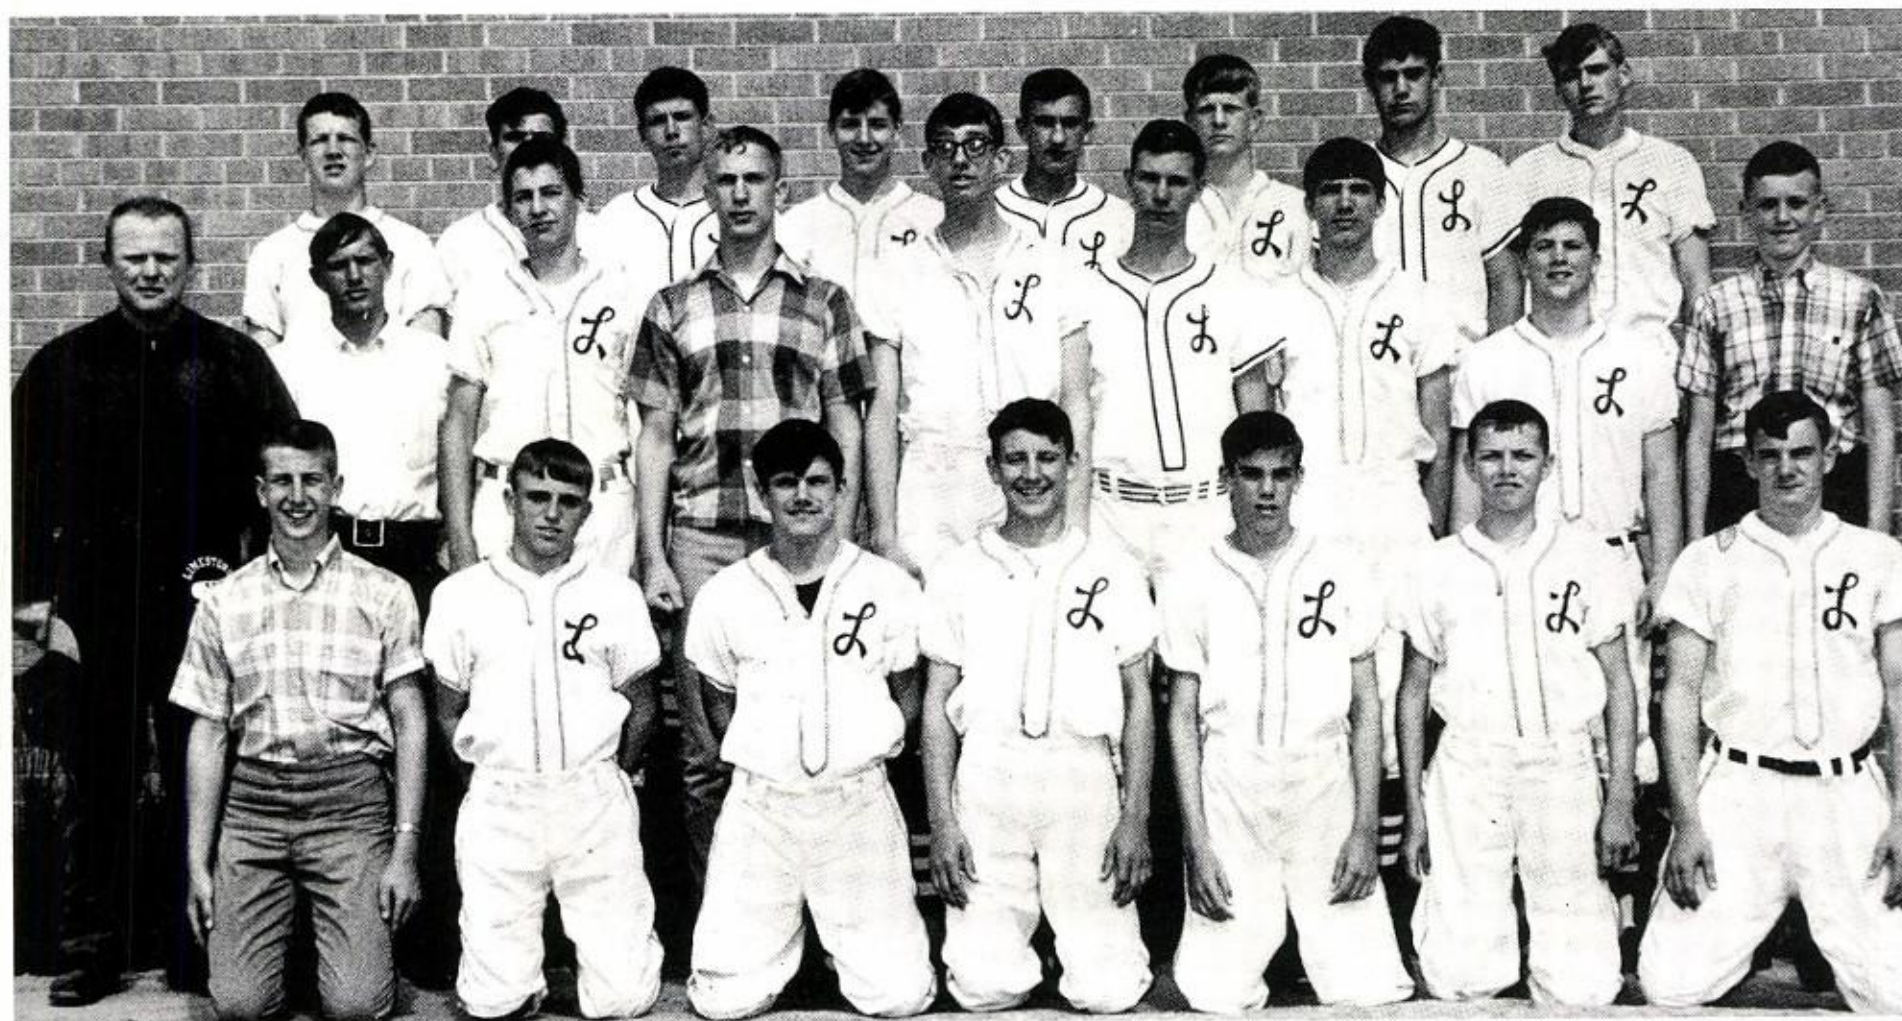

## Frosh Squad

This year's squad really worked as a team. All members played together for the championship with no one person getting or taking all the credit.

The freshman baseball team was under new coach, Mr. Karl Gottlieb, this year. Coach Gottlieb spent much time working his team into shape with his perimeters. The squad had many fine hitters and pitchers. Hitting and pitching were the two strong points, but they had trouble fielding the ball.

The squad ended up with a 5-7 overall record and a 5-7 conference record. Steve Nelson, Gary Burk, Ron Quinn and Jack Drollinger also played on the sophomore team.

New freshman coach Karl "Bearcrawl" Gottlieb.

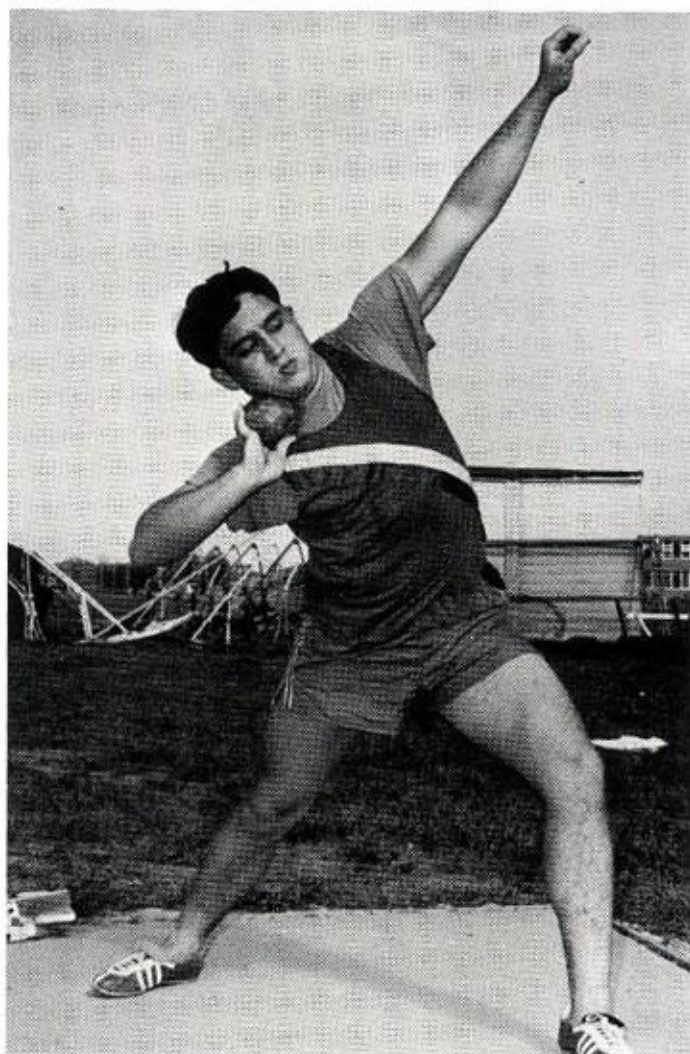

Back row: T. Prichard, T. Short, J. Castellani, T. Wright, R. Quinn, K. Stafford, R. Light, G. Burk. Second row: Coach Gottlieb, S. Bohm, T. Magarity, D. Houle, B. Norman, S. Nelson, G. Gladson, T. Harkless, L. Schultz, mgr. Front row: M. Eiff, mgr., P. Andrews, J. Abele, B. Davis, J. Drollinger, S. Sears, M. Roof.

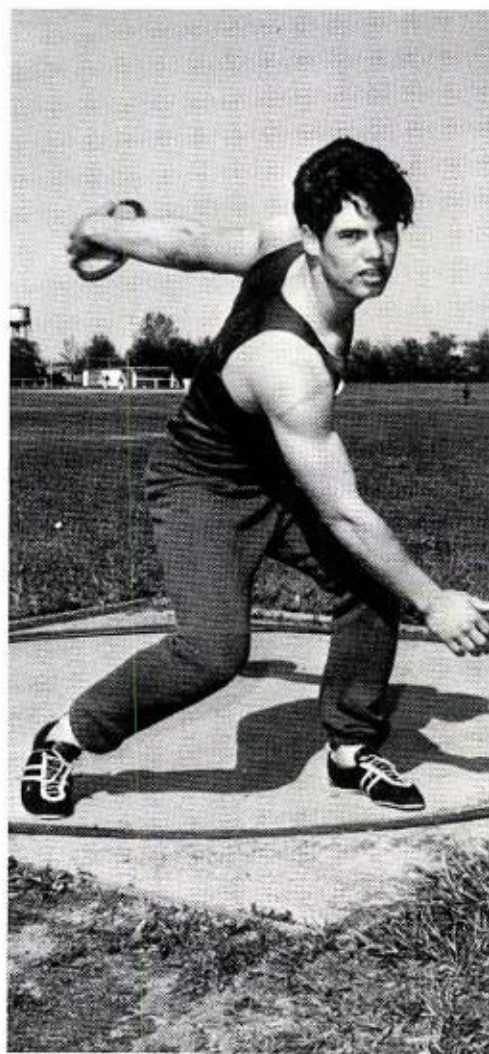

# Coach Kasap Tackles Track

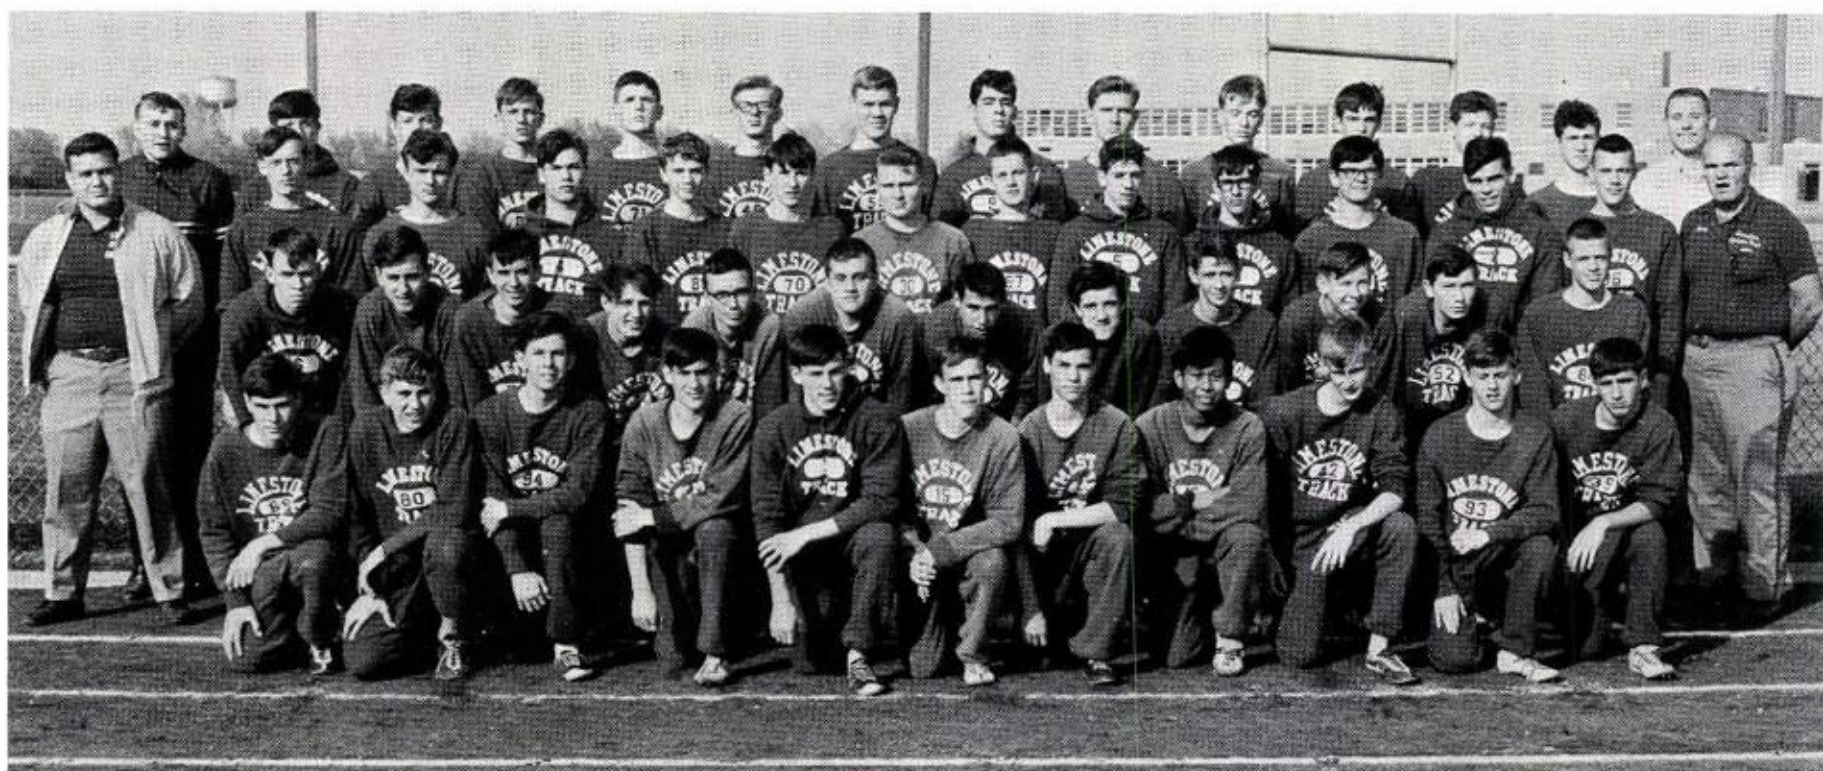

Shotputter, Dave Boucher, shows the form he used when putting the shot.

A top contender in the Mid-State nine discus was Sophomore Brad Tyler.

Back row: Mgr. L. Terrell, D. Kallister, F. McKee, J. Dhaese, D. Mingus, K. Kubie, L. Closen, K. Lowery, D. Gray, R. Sweeten, J. Ewers. Third row: Coach Euteneurer, G. Garmers, D. Mulligan, B. Tyler, R. Ireton, M. Madison, R. Brown, T. Hogan, L. VonBehren, E. Raymond, J. Hall, R. Bethel, Coach Kasap. Second row: D. Holliday, W. Lancaster, M. McSimov, D. Peck, G. Virden, H. Ulrich, E. Armstrong, J. Suits, A. Burger, B. Bethel. Front row: D. Wegner, K. Wileman, G. Roth, D. Wrenn, J. Rudloff, N. Aaron, S. Petrini, M. Musgni, A. Cook, G. Petterson, D. Pemberton.

# Seven Lettermen Boost Track Team

Tom Hogan and Jim Dhaese were two of Limestone's high hurdlers in Mid-State 9 Competition.

Tom Hogan also competed for Limestone in the high jump event.

John Rudloff proved to be a good distance runner for the Rockets.

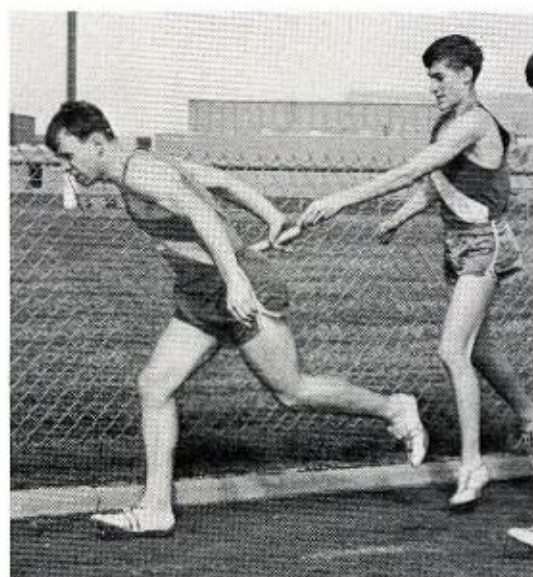

Bolstering the 1967 Varsity Track team were seven returning lettermen. Taking over the track coaching position this year were Coach George Kasap and his assistant coach, Don Euteneuer.

Spotlighting this year's track team were Brad Tyler, Dave Boucher, Mike and Larry Closen, Gary Virden, John Hall, and Kevin Kubie. The Rockets ran into some stiff Mid-State competition falling to many of the conference schools they defeated last year.

Gary Virden, Larry Von Behren, and John Rudloff jog around the track during practice.

## Tennis Team Looks to 1968

The 1967 tennis squad under new coach and teacher, Mr. Ed Monroe, finished the season with a 2 win and 18 loss overall record. The team had many tough breaks and if the breaks had been turned for our side many more matches would have been captured. The doubles combination, of Dan Cruikshank and Tom Heuer were noted for their fine playing. The squad ended up with a 2-14 conference record, which put them in eighth place. They placed sixth in district competition. Freshman Dan Boulton was noted by Coach Monroe for his outstanding tennis playing this year.

# Sports Banquets Highlight Season

The varsity cheerleaders receive recognition at the winter banquet for their participation during basketball.

Hot dogs, potato salad, and baked beans were the main course for the spring sports banquet.

Mr. Johnson enjoys a hot dog at the Spring Sports banquet.

The 1967 varsity wrestling team receives their awards at the winter sports banquet.

Peppy varsity cheerleaders for the 1966-67 school year were: K. Poston, D. Speck, L. Bitner, M. Keyes, P. Branaman, and B. Birchler.

## Cheerleaders Build Better School Spirit

Sportsmanship and school spirit, yes, these are two qualities that the cheerleaders symbolize. It takes good sportsmanship to go over to the other team at half time and give them a cheer. It takes school spirit to cheer loudly, whether in the face of defeat or on the verge of victory. Because of their enthusiastic cheering ability, Limestone's teams are often victorious.

If you think anyone can be a cheerleader you are mistaken. These girls are chosen on the basis of poise, appearance and cheering ability at the annual spring tryouts for the varsity cheerleaders and in the fall for junior varsity cheerleaders.

Under the coaching of Mrs. Riegenbach, these girls are always striving for improvement by holding practice sessions weekly. These girls are found cheering at football, basketball games, and leading pep assemblies.

Co-captains were seniors Linda Bitner and Paula Branaman.

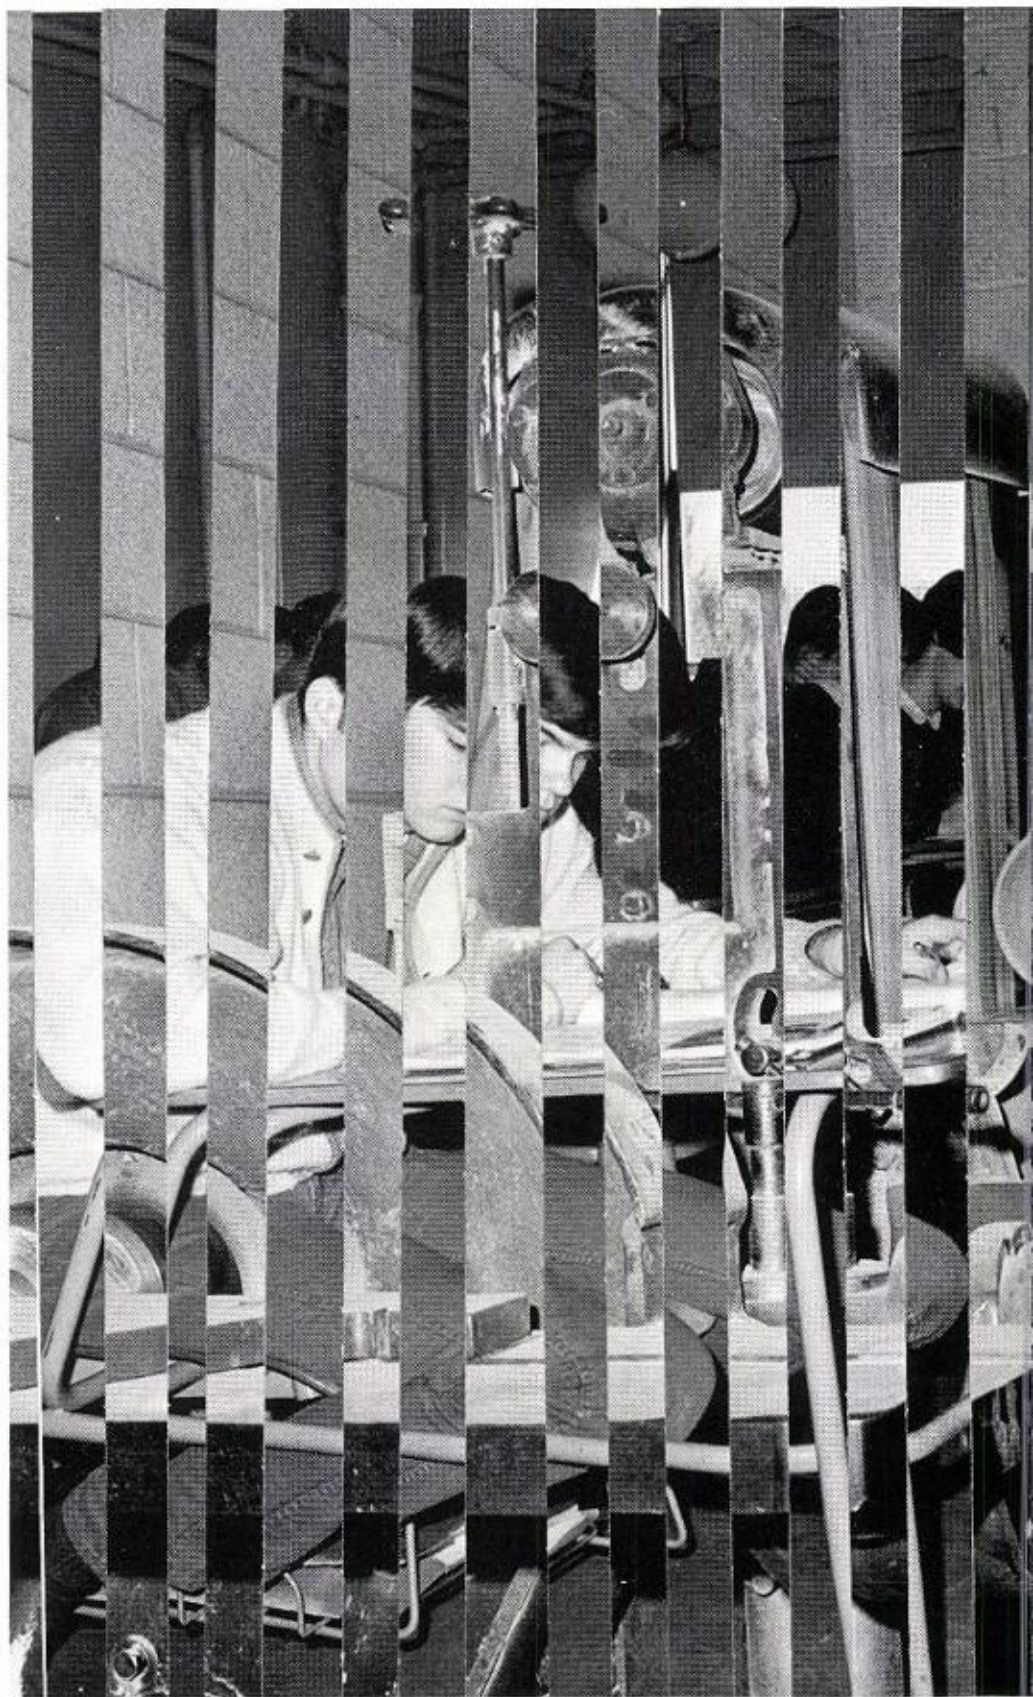

Junior varsity cheerleaders: V. Lauterbach, D. Loeffel, K. Short, M. Ninneman, K. Jarvis, and M. Aldrich.

# Freshmen Face New Experiences

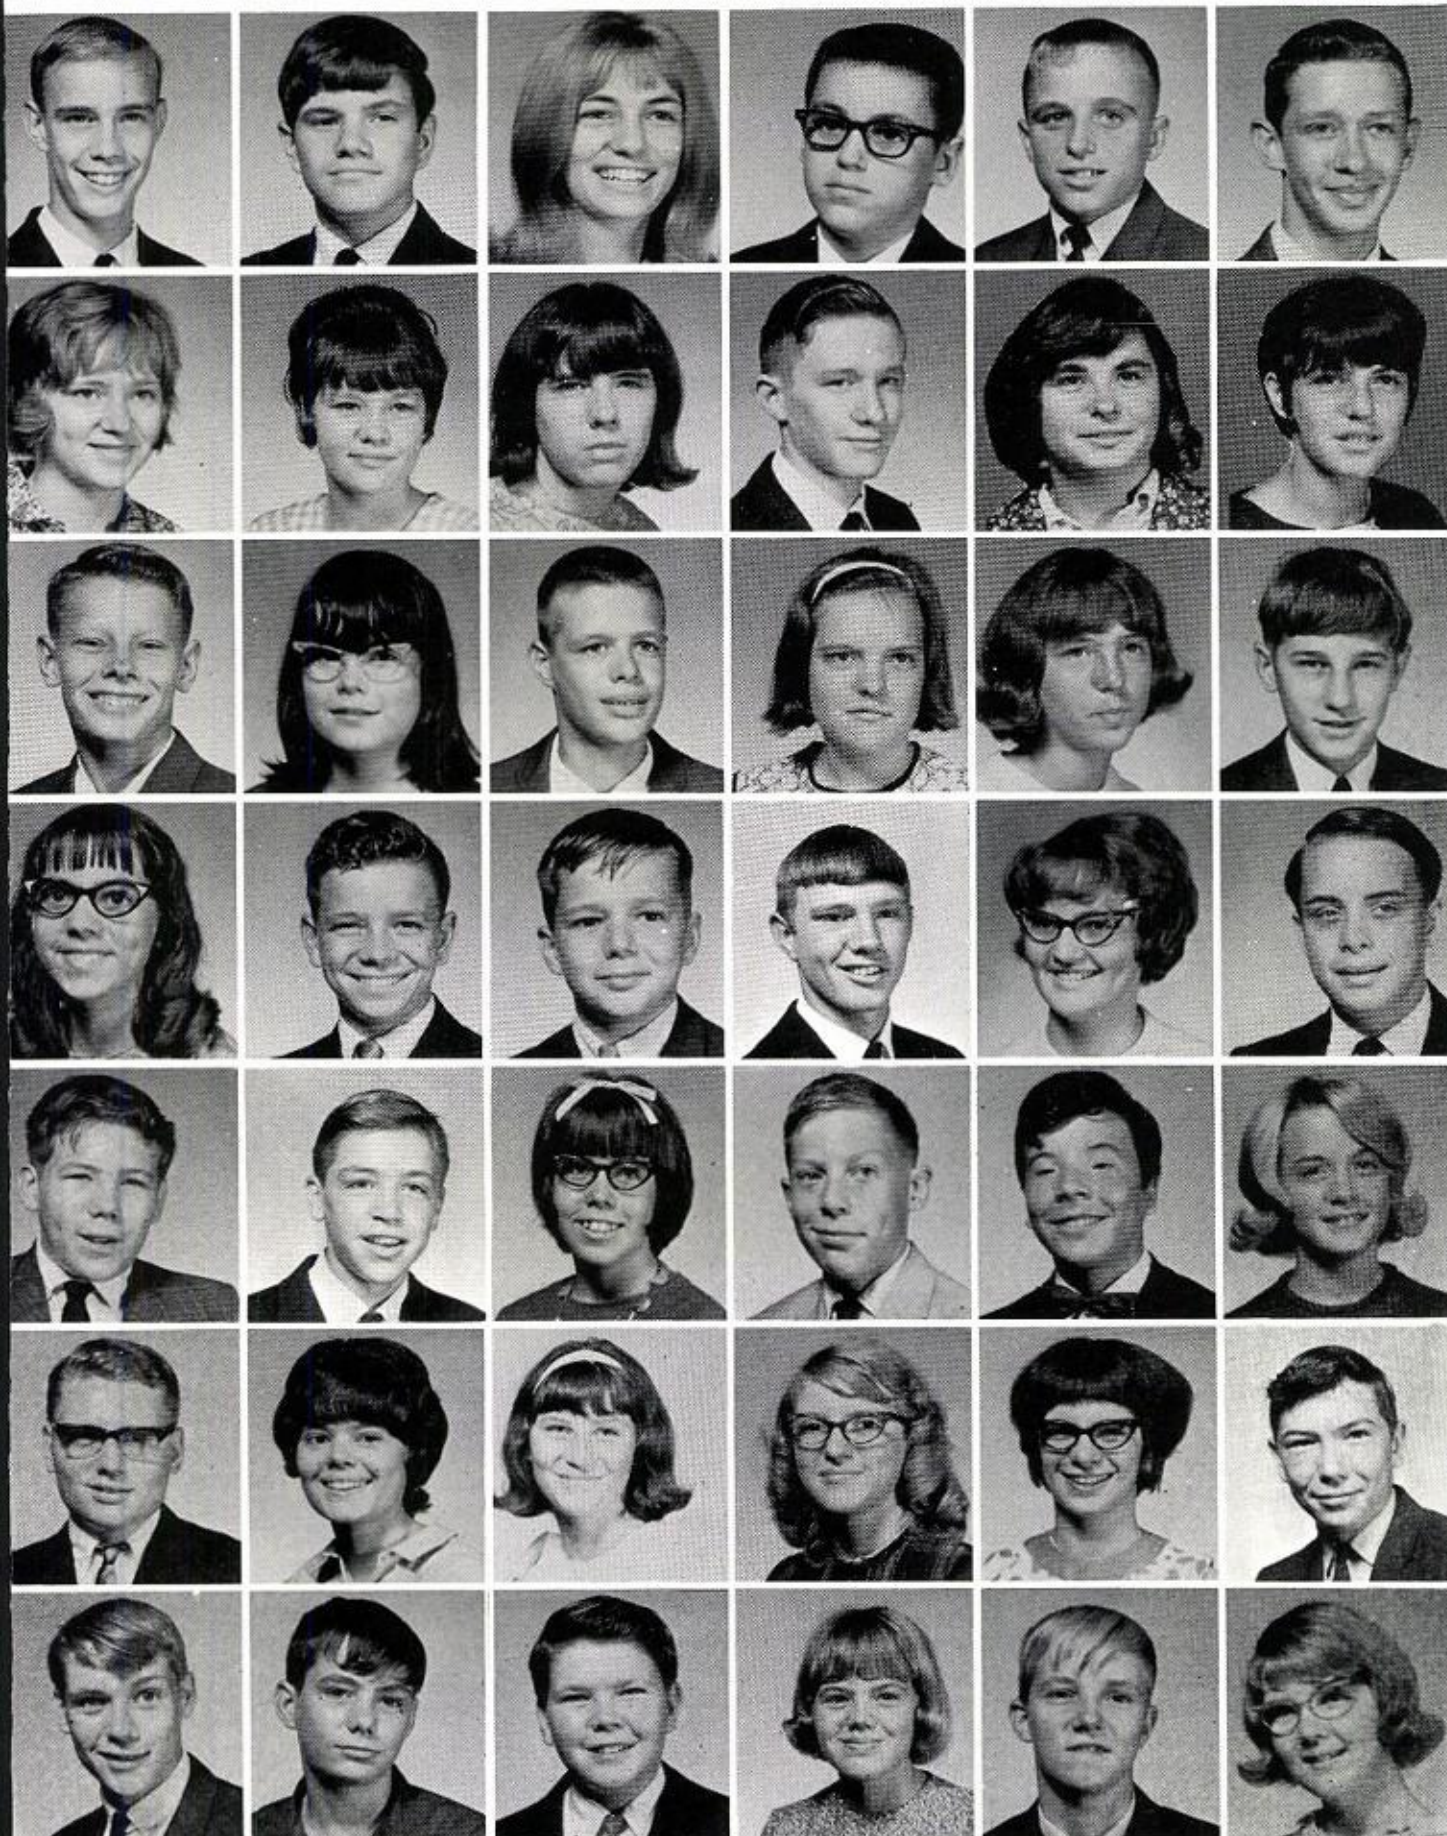

Meeting the challenge of the new and the unknown, the freshman class struggled through their first year at Limestone, confronted by many new experiences.

Guided by advisors Mr. Tom Campbell, Mrs. Martha Heien, Mr. Kenneth Johnson, and Mr. Joseph Thierer, the freshmen met the challenge of their first homecoming competition. Working at Page's Bus barn, they completed their "Dagwood" float. This frosh class put in many hours of planning, writing, and rehearsing for their skit, whose theme was centered around the cartoon character the "Road Runner."

Nancy Wirsching was the freshman attendant to our homecoming Queen Linda Bitner.

Leaderless until after homecoming activities were over, the freshmen elected Gary Burk as president, Cindy O'Donnell as vice-president, Jette Schindler as secretary, and Stan Bohm as treasurer.

The main money-making project of the freshman class was the sale of decorated foam seat cushions for use at sports events.

# Sophomores Actively Participate

Meeting the challenge the sophomores actively participated in school functions.

In the traditional homecoming activities, the sophomores tied with the senior class for first place in float competition. The theme of the sophomore skit was Cartoon Capers featuring a variety of cartoon characters. The sophomore attendant was Lynn Maloney.

The sophomores also won the Spirit Stick competition based on signs designed to arouse school spirit, and second place in the Stocking Drive.

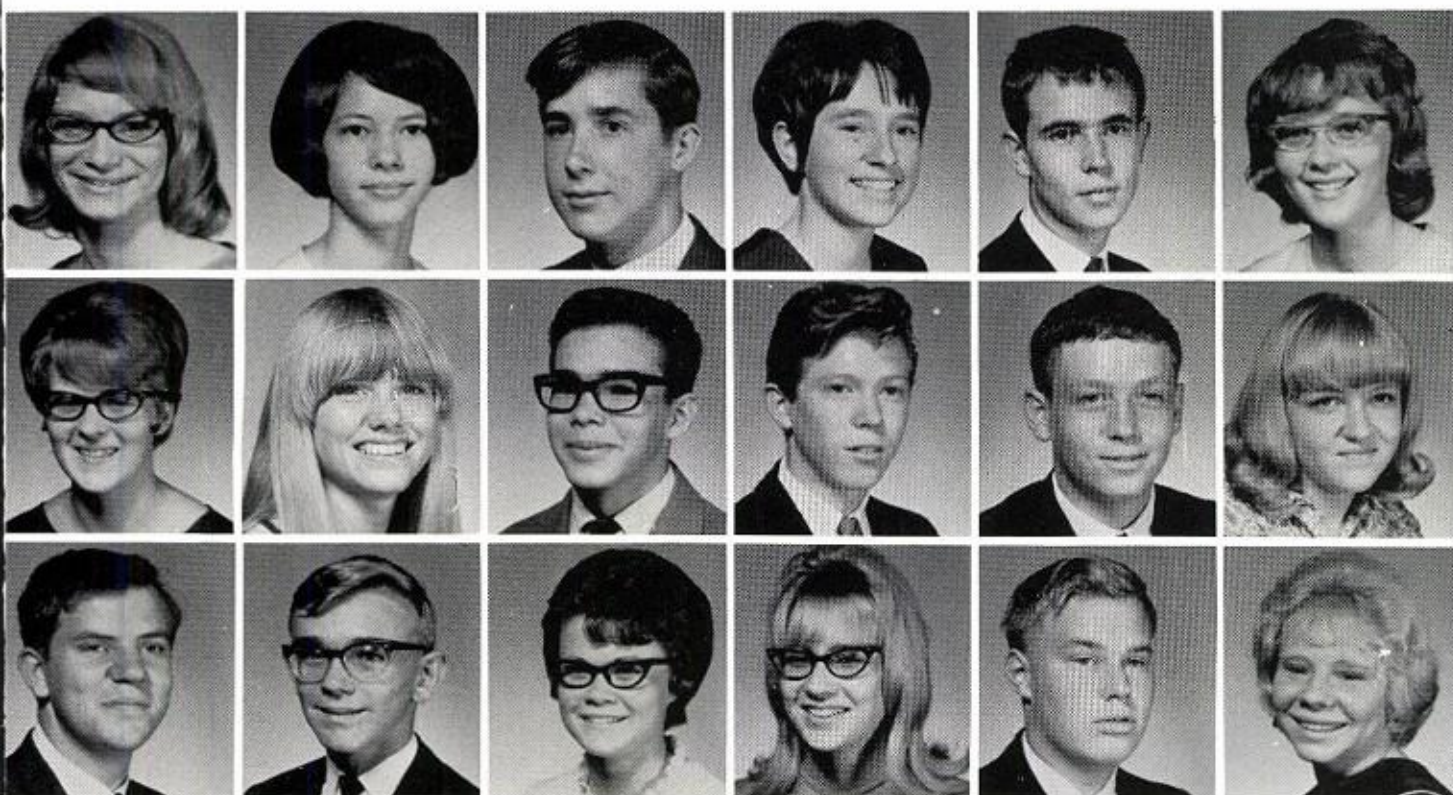

Class officers were Connie Stallings, president; Danny Parish,

vice-president; Lynn Davis, secretary; and Becky Holm, treasurer.

With the help of the class advisers Mrs. Vaughn Frisk, Mrs. Joyce Graves, and Mr. John Myers, the class officers planned the class party and other class activities.

Under the coaching of Mr. Marry and Mr. Gresham, the sophomore football team placed second in the Illini Conference.

Sophomores were required to take a nine-week drivers education course. This involved a classroom program and behind the wheel sessions. They were also required to take speech and physical education.

# Juniors Make Decisions for Future

Meeting the challenge of decision, juniors had to start making plans for the future. Whether or not to go to college was the main concern; those who decided to further their education found themselves in college counseling and facing PSAT and ACT.

The challenge of planning a never-to-be-forgotten Junior-Senior Prom was met with imagination and spirit by the committees under the guidance of the class advisers and officers. Dancers and diners met at the newly opened Ramada Inn for a memorable evening.

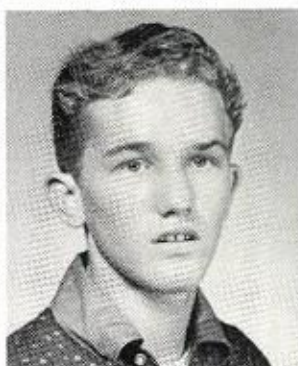

During Homecoming the junior class boasted about their winning skit, receiving first place in that competition. The theme

of their humorous act was Snow White and the Seven Dwarfs. Representing the junior class in the Homecoming Court was Marla Keyes.

With the help of Mr. Barnett, Mrs. Brenton, Mr. Rahn, and Miss Pyfer and under the direction of Denny Williams, president; Paula Weber, vice-president; Kathy Poston, secretary; and Marla Keyes, treasurer, the junior class actively participated in the soap drive and spirit stick competition.

Junior football players helped carry the varsity team to its best season in Limestone's history and eagerly look forward to the next year.

# Seniors Prepare to Meet Challenge

Meeting the challenge of the future and the unknown the senior class of '67 is forging into a world of diverse interest. For them the future includes college, the armed forces, marriage and a wide variety of fruitful employments. The guidance department provides information for all seniors. College bound seniors attend college counseling sessions which prove invaluable in the selection of a school best suited to the students needs. Lectures by persons in qualified fields are also available to seniors seeking a vocation. School spirit runs high as seniors participate in homecoming events. The class of '67 tied for first place with their "marmaduke" float. Linda Hofmann, senior attendant, graced the court of homecoming queen Linda Bitner.

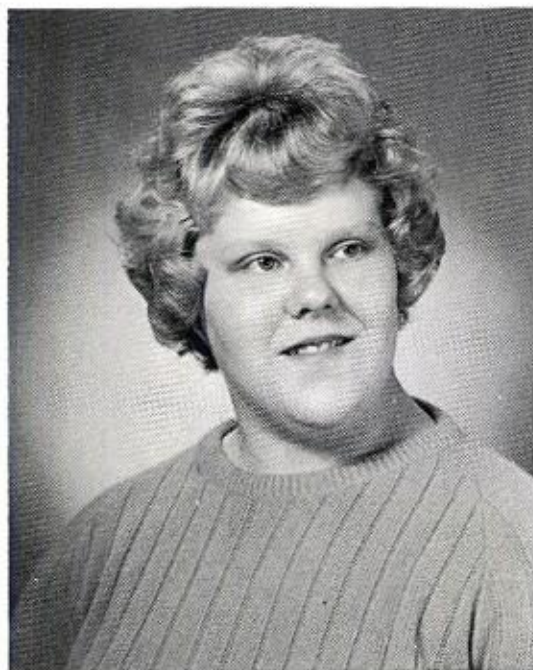

Concern for others was shown as the seniors industriously

worked to win the competition in the soap drive for the Dixon State Home for Children.

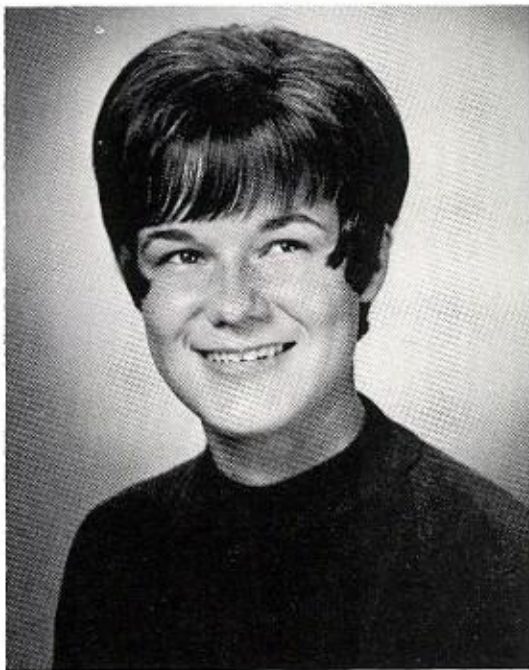

Mr. D. Nelson, Mrs. B. Blair and Mr. L. Gordon served as class advisers.

Completing the finest football season in the history of Limestone High School, the senior members of the football team are proud of their contribution to this school record.

June commencement exercises mark the end of a challenge fulfilled and the beginning of a challenge of fulfillment for those willing and prepared to meet the challenge.

Mr. Bob Jamieson

## About the Contest

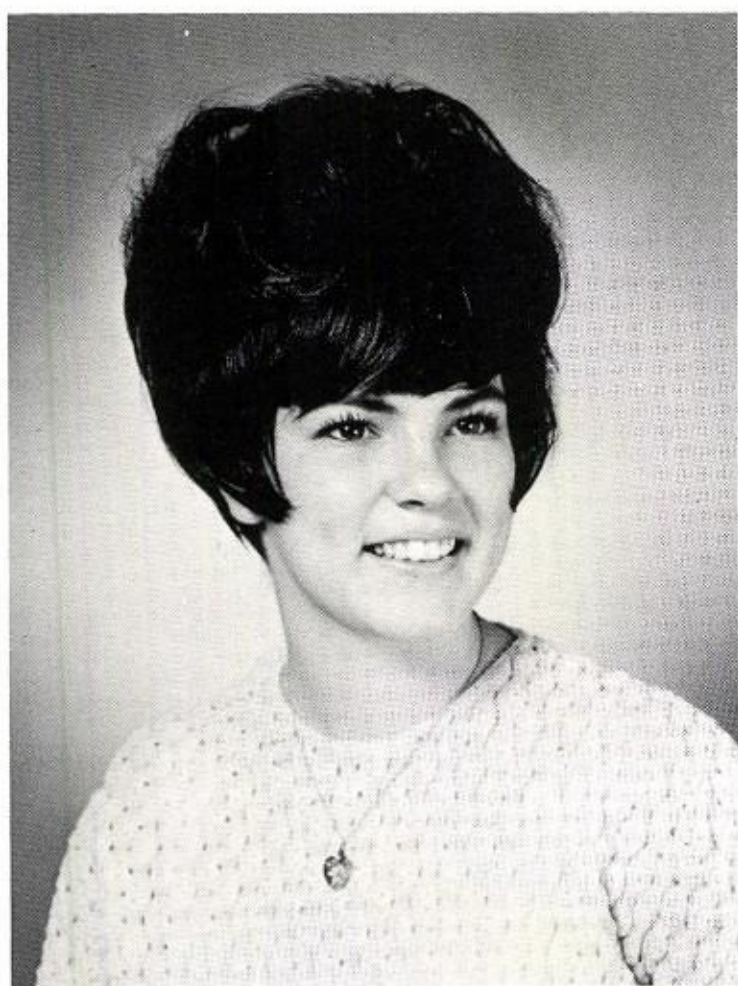

The Miss Photogenic Contest, open to all senior girls, is an annual event at Limestone. The contest to select the most photogenic entrant is based strictly on the appearance of the portrait submitted and does not consider personality or popularity.

Mr. Bob Jamieson, WMBD television personality, selected the winning contestants for the 1967 AMULET. Mr. Jamieson, "an old yearbook hand" himself, is seen nightly on WMBD news broadcasts and also contributes to special events programming.

He was graduated from Peoria High School and did undergraduate work at Bradley University and William and Mary College in Virginia. During his two years' active duty in the Naval Reserve he produced radio and television programs and was assigned to the North Atlantic Treaty Organization.

## TAKE TIME

There is a lifetime before you. Many of your aims and goals you have in mind, and you now  
and ready to begin to walk down the path of your chosen future. As you go, take time . .  
time to continue to learn, time to think, time to understand. Take time as your tool, and use  
wisely, with the knowledge you have gained through your school years, to achieve the  
fulfilling and satisfying life you seek.

## The end of the beginning!

A lot of work goes into earning a diploma. Your name on one indicates a measure of achievement of which you can feel proud.

But a diploma is only a milestone—a measurement of what you *have* done.

Now...how about doing something with it? For example, what are your plans for furthering your education?

If that isn't possible, then how about

looking for a job with a company for whom you can work as beneficially as you worked for your diploma?

Personal effort is the essence of success—the key to your progress. That precious piece of paper you receive graduation day can help you unlock a bright future—as bright as you strive to make it.

May your future be a fine one!

# Congratulations, We'll Miss You!

*Our sincere thanks and appreciation to the senior members of the varsity choir for the completion of four years of active and entertaining service to our school. As anxious freshmen they began with freshman choir learning the basic fundamentals; by their sophomore year their experience proved helpful in the production of "Finian's Rainbow."*

*A celebration at Fairview Farm marked the end of their underclass choral participation. Beginning their varsity choir career was the staging of "Oklahoma", they also actively took part in the Christmas and Easter assemblies. These seniors will have proud memories of their accomplishments under the leadership and personal friendship of Mrs. Elizabeth Krumpe.*

## Man will visit here before your yearbook is lost.

Just a few years from now, as new interests and new friendships begin to replace those of your high school days, this yearbook is likely to be lost or misplaced. But, our world is changing so rapidly that even before this happens man will visit the moon. Now is the time to prepare yourself for the years ahead. Whether you are interested in getting a formal education or in developing occupational skills, there is no time to waste. Your success in the years ahead will depend upon the decisions you make now.

Glenda Welch dramatically portrays Joan of Lorraine.

Joan (Glenda Welch) faces a severe tribunal composed of Dean Albritton, Greg Bruce and Tom Briggs.

Dramatics director, Mr. Roger Gerkin, discusses details of "Look Homeward Angel" with part of his cast.

Beth Adams, costume chairman, makes final adjustments on Melody Aldrich's dress.

Elaine Grove comforts Greg Bruce in the Diary of Ann Frank.

Pam Robinson poses with Greg Bruce after a successful performance of the Diary of Ann Frank.

Irene Bunner says: "After an acrobatic session I enjoy an organge crush."

Dean Albritton is being teased by Pam Robinson in the Diary of Ann Frank.

## BRADLEY UNIVERSITY

At Bradley University, the student is the most important product.

In order to maintain the ideal curricular and extra-curricular facilities at Bradley, the full-time day enrollment is limited to 4,000 students. The present student body includes students from 40 states and 21 foreign countries. A large number of Peoria area students are also enrolled at Bradley each semester.

Extra-curricular activities are highly valued and carefully planned at the University to provide the student with a complete education that includes ample social contacts. Thirteen national fraternities and seven sororities combine with more than 60

other undergraduate organizations to offer each student a variety of potential interests.

To further the goal of the broadest and most complete education possible, a strong Air Force unit and a well-known lecture series are promoted by the University for the benefit of every member of the Bradley family.

Because of the large and varied curriculum which includes some 75 academic divisions, a student may choose a tight area of concentration or one that provides a broad general education. The faculty-student ratio remains at 1:17, affording each student an opportunity to obtain the important counsel so necessary for success in today's business and professional worlds.

Viv!  
Remember all the fun  
we've had in G.S.B. last  
year. I hope we can have  
just as much this year!  
I hope R & R + choir turn out  
all right. Best of luck always.  
Be good.

Barbie R.

To a real good
